FORGING FOOTSTEPS: & Building A Path for Future Generations

Gurinder Singh Basra, President

My name is Gurinder Singh Basra, and like other Sikhs, service is an innate part of our life. In Sikhism we call this service "seva". Seva is the concept of selfless service that is performed without any expectation of result or award and can be performed to benefit other human beings or to benefit society. Although Sikhs have lived in the United States for over 100 years, when Sikh Riders of America was created there was no path for us to follow. We encountered many obstacles along the way but through God's grace and blessings we made our way and ended up making a big footprint here in the USA. Over the last 10 years our members have logged countless hours of hard work on the ground, sacrificed time with their families and loved ones, and stood with the community in their times of need - including during COVID.

During the pandemic, especially at the beginning when so much was unknown, there was a high demand for personal protective equipment (PPE). I am pleased to say that this organization recognized that need and its members immediately stepped up to create those PPE's and then hand-delivered them to front line workers, law enforcement officials and the community at large. We have such respect and admiration for all those individuals who remained working throughout the pandemic to ensure our continued health and safety.

I'm personally thankful for all those who have been a part of Sikh Rider's amazing 10 year journey; appreciative of all those who are here to celebrate with us today; and even more grateful to all those (including our younger generation) who will walk in our footsteps in the future furthering our mission of service while spreading the word about Sikhs and Sikhism.

Sikh Riders of America looks forward to doing even more good work for our veterans, law enforcement, children with special needs and victims of natural disasters. Again, a huge and resounding thank you to all our members, individual contributors, business donors, sponsors, partners and other supporters - thank you for entrusting us to be good stewards of your dollars. Since we could not have done all this without you, we invite you to share in this milestone celebration with us at our **10th Annual Ride on October 8, 2022!**

October 5, 2013

On October 5, 2013, Sikh Riders of America hosted their first official ride to benefit the Wounded Heroes Fund. When asked why they chose to sponsor this organization,

because they are protecting our freedom
and we should respect that."*

All in all, there were approximately 29 bikes that registered to participate in the ride and overall there were about 70 people at the event which culminated out at Hart Park where participants enjoyed a free buffet lunch catered by Zaika Restaurant.

November Designated as Sikh Awareness & Appreciation Month

SROA was presented with Proclamation by the City Council of Bakersfield declaring November as Sikh Awareness & Appreciation Month.

The designation of "Sikh Awareness & Appreciation Month" allows for the recognition and appreciation of Sikhs as an integral part of communities throughout America. Sikh Americans have influenced American history, achievement, culture, and innovation.

THE PROBLEM:

Sikhs have lived in the US for more than a century, and despite making vital contributions to the life, culture and economy for many generations, there is still widespread ignorance about the community and its legacy. Ignorance is a breeding ground for discrimination, and according to the Sikh Coalition surveys, Sikhs continue to experience unacceptably high rates of hate violence, employment discrimination, school bullying and profiling.

THE SOLUTION:

This designation has allowed Sikh communities to forge better relationships with their government officials, educate their neighbors about Sikhs, and initiate important dialogues on how to address important issues facing Sikh Americans.

SROA raised over \$12,000 at a dinner fundraiser to further a national campaign aimed at presenting an accurate view of Sikhism in the national media.

SROA held a fundraiser in Bakersfield to assist victims of the devastating 7.8 magnitude quake in Nepal which killed 8,964 people and injured 21,952 more. Funds were sent to Khalsa Aid to assist with their on the ground humanitarian efforts.

Walking in Oak Creek

A Film Screen & Panel Discussion

Bakersfield, CA

In August 2012, the town of Oak Creek, Wisconsin, was rocked when 6 worshipers at a local Sikh temple (gurdwara) were killed and another 4 wounded by a white supremacist during prayer services.

"Walking in Oak Creek" tells the inspiring story of how the community responded to one of the deadliest hate crimes in U.S. history and how law enforcement worked together to overcome tragedy and stand up to hate. (film length: 33 minutes)

Participants joined law enforcement and community leaders at CSUB in a discussion of Oak Creek's empowering response to this tragedy and the ways in which law enforcement and the community could continue to work together to create a united front against hate.

It was an honor for Sikh Riders of America to be on the panel alongside Sheriff Kirk - Fresno County, United States Attorney's Office, Lyle Martin - Bakersfield Police Chief, Brian Wheeler - Kern County Under Sheriff, Lisa Green - Kern County District Attorney, Ollie Zachary - Islamic Shoura Council of Bakersfield, and Sean Reagan - Special Agent, FBI.

Thanks again to the US Attorney's Office for the Eastern District of California as well as to California State University, Bakersfield, for hosting this event.

HOW SIKH RIDERS OF AMERICA STARTED

Sikh Riders of America (also known as "SROA") is a 501(c)(3) non-profit corporation that was established to increase awareness throughout the community about the Sikh religion. The organization was born in 2012 after many Sikhs were targets of a senseless hate crime due to mistaken identity. At that time, we saw a dire need to spread education and awareness about Sikhism in order to try and prevent this type of tragedy from happening again. The jarring event that was the impetus for creating this motorcycle group was the mass shooting that had just taken place at the Oak Creek Gurdwara (place of worship) in Wisconsin where 6 individuals were fatally shot and 4 others were wounded. Thereafter, family members of victims testified before a U.S. Senate panel where the government was lobbied to start tracking hate crimes against Sikhs.

Members of this group are committed to educating the public about Sikhism and changing the unfortunate misperceptions people often have about Sikhs. Members are also obligated to participate in seva (community service). To date, in addition to all the hours spent attending fundraisers and other community events and/or functions, the group has donated well over half a million dollars to the homeless and other disadvantaged individuals, veterans, law enforcement, and/or victims of natural disasters both locally and abroad.

OUR MISSION

Sikh Riders of America (SROA) is a 501(c)(3) non-profit organization established to increase awareness throughout the community about the Sikh religion. We seek to achieve this by hosting, sponsoring and/or supporting fundraising events and being actively involved in our communities.

OUR VISION

To create an inclusive, equal society for one and all, bringing awareness to the Sikh religion and peace to the world.

WHO ARE SIKHS?

The word Sikh (pronounced "sickh") means 'disciple' or 'learner'. Sikhism is a divinely revealed religion founded by Guru Nanak Ji (1469-1549), our first Guru. Sikhs believe in the teachings of the 10 Sikh Gurus, the Guru Granth Sahib (the holy scripture), and that all people have the right to follow their own path to God. Sikhism is monotheistic and stresses the equality of all men and women.

Sikhs endeavor to live up to the principles, ideals and the code of conduct as described in the Guru Granth Sahib. Sikhs believe in three basic principles:

(1) **NAAM JAPNA**

Meditating on the name of God (praying)

(2) **KIRAT KARO**

Earning a living by honest means

(3) **VAND CHAKKO**

Sharing income/resources with others

WHY JOIN US?

We are the largest, and only, Sikh club in the USA. Join us to raise awareness about Sikhism in your community!

Commitments : Members are obligated to

- Participate in seva (community service)
- Actively educate others about sikhism
- Work together to help promote and grow the motorcycle group even Non-Mortercycle riders are Welcome
