**At ASCM, we empower professionals and organizations to master the complexities of today's global supply chains through world-class education, cutting-edge APICS certifications, comprehensive standards and practical training.**

## WHY CHOOSE ASCM:

### Proven Curriculum:

Our industry-leading training programs are recognized globally and based on the latest trends, research and best practices

### Expert Educators:

Our hands-on instructors are experienced supply chain professionals, approved through our instructor assurance program, who bring real-world knowledge to the classroom.

### Flexible Delivery Options:

Choose from a variety of delivery methods, including online or in-person, self-study, instructor-led, or instructor-support to meet your team's needs.

### Measurable Results:

Training goes beyond theoretical—employees can apply what they've learned for true transformational impacts. Track the impact of our training programs on your team's performance and your organization's bottom line.

By partnering with us, your employees build essential knowledge, and you benefit from a more skilled and agile workforce capable of navigating the ever-evolving landscape of supply chain and logistics

**Invest in your team's development and drive your business forward.**

"The success of the program is not doubtable. It is now embedded in Teva's next-generation supply chain strategy."
