FAQ - https://spond.com/faq

- **Can I hide my contact information from other group members?**
  - Yes, to do this you can go into the group, then press 'more' > 'contact information' and select 'only visible for administrators'. This is a per-group setting, so you can hide your contact information in some groups while still sharing it with members in other groups.
- **How can I leave a group?**
  - Go to the group > press 'more' and scroll down to 'leave group'
- Please make sure that only adults are signed up
