

Expected Outcomes and Impact

The Literacy Blueprint: Words, Wisdom & Wealth is designed to inspire lasting growth in youth and young adults—academically, spiritually, and socially. Through intentional lessons, biblical integration, and practical skill-building, participants are equipped to lead lives of purpose and influence.

ACADEMIC & SKILL-BASED OUTCOMES

1. Improved Reading and Comprehension Skills

- Students develop critical thinking through purposeful reading.
- They learn to read beyond the words—finding meaning, purpose, and application.

2. Stronger Communication Abilities

- Students gain clarity and confidence in public speaking and interpersonal communication.
- Learn how to express themselves with purpose and empathy.

3. Financial Literacy and Money Management

- Understand how to budget, save, and build wealth.
- Grasp essential money concepts (income, expenses, investment, tithing, etc.).

4. Enhanced Research and Digital Literacy

- Learn how to evaluate information, think critically, and identify truth in a media-heavy world.

5. Entrepreneurial Thinking

- Begin to understand business basics and how to turn ideas into income.
-

SPIRITUAL & PERSONAL GROWTH OUTCOMES

6. Rooted Identity in Christ

- Gain a biblical understanding of self-worth and purpose.
- Combat low self-esteem and comparison with spiritual truth.

7. Purpose-Driven Goal Setting

- Discover personal calling and connect it to meaningful goals.
- Learn to align dreams with biblical principles and service to others.

8. Stronger Character and Integrity

- Through scripture and reflection, students build moral clarity and decision-making wisdom.

9. Greater Confidence and Leadership

- Step into leadership roles through guided activities and final projects.
 - Realize their voice and choices can positively influence others.
-

COMMUNITY & CULTURAL IMPACT

10. Student-Led Change and Inspiration

- Students become role models and literacy ambassadors in their schools, churches, or communities.

11. Bridge Academic Gaps with Relevance

- The curriculum engages youth with content that matters to their *now* and *next*—especially in underserved communities.

12. Strengthened Family and Peer Relationships

- Learn communication tools that foster healthy conversations and boundaries at home and with peers.
