**HEY

Camping

The-Merry-  
O ! A  
Camping

Go !**

Are we there

there yet ?  
Are we there  
yet ?

Would  
you  
please  
be quiet !  
Camp  
Gum  
Drop !  
We are  
here!!!

**YAY!!!  
Camp Gum  
Drop!!! So  
where is  
the candy  
located?**

**Hi there little  
fellow, are  
you looking  
for Gum Drop  
candy too? I  
have no gum  
drops to give  
you. Here is a  
Peanut!**

There you go  
my little Furry  
Friend!

The sign  
said: “Do  
not feed the  
animals!”

A few  
Peanuts  
can't hurt.

30  
minutes  
later....

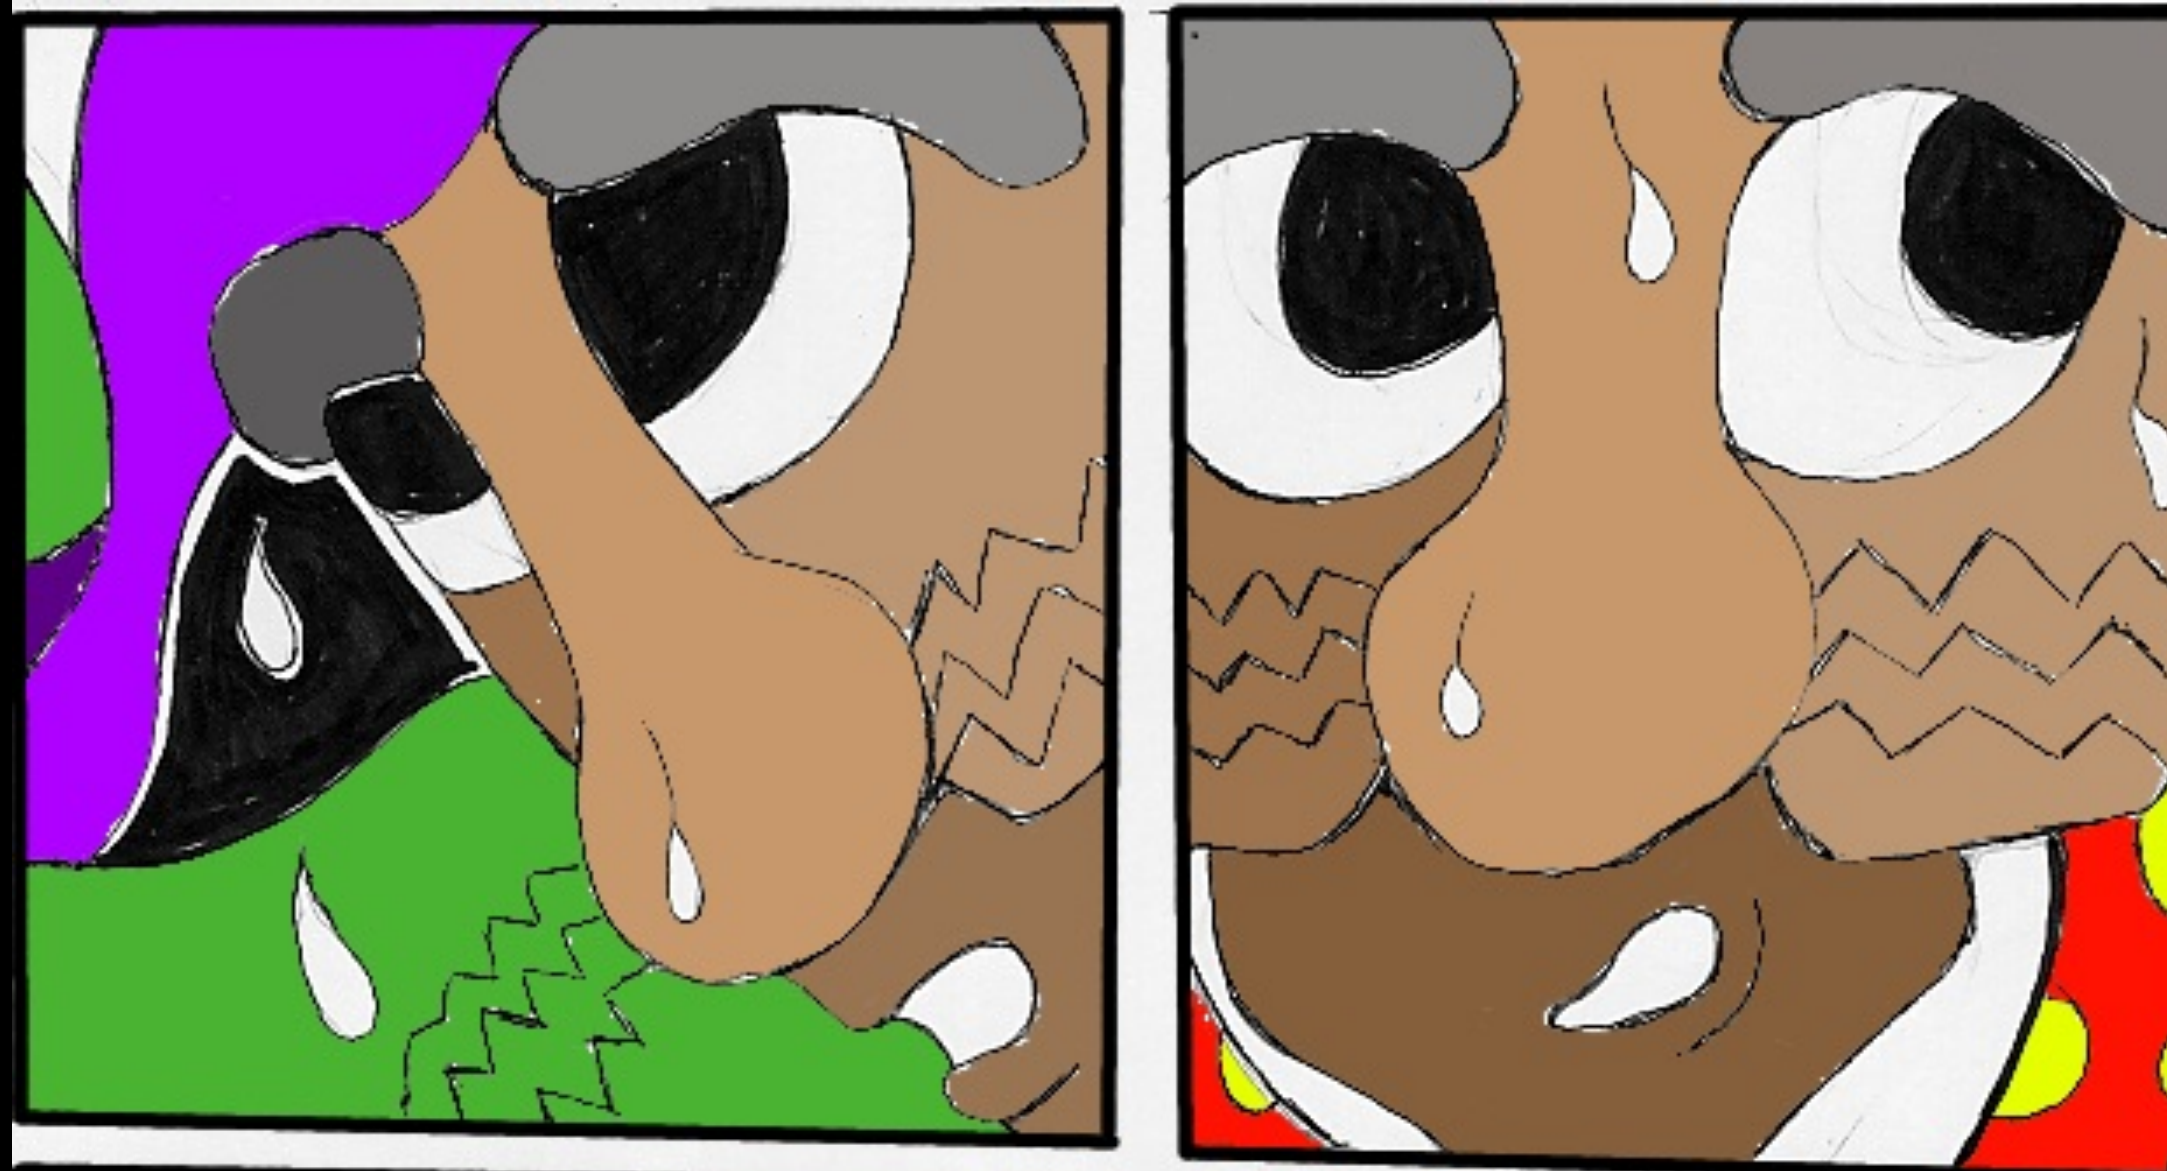

OHH....  
My  
Aching  
Back!!!

What ever  
you do...  
don't let go!  
I'm the one  
who is  
underneath  
this boulder!

....and we  
are ...here!

What the...  
Where did  
they go?

The sun is scorching hot! I bet all the forest animals went to the north pole for a vacation.

Now that's not a bad idea right now. The next reindeer that goes by, Grab it!

Yeah, it is hot like...

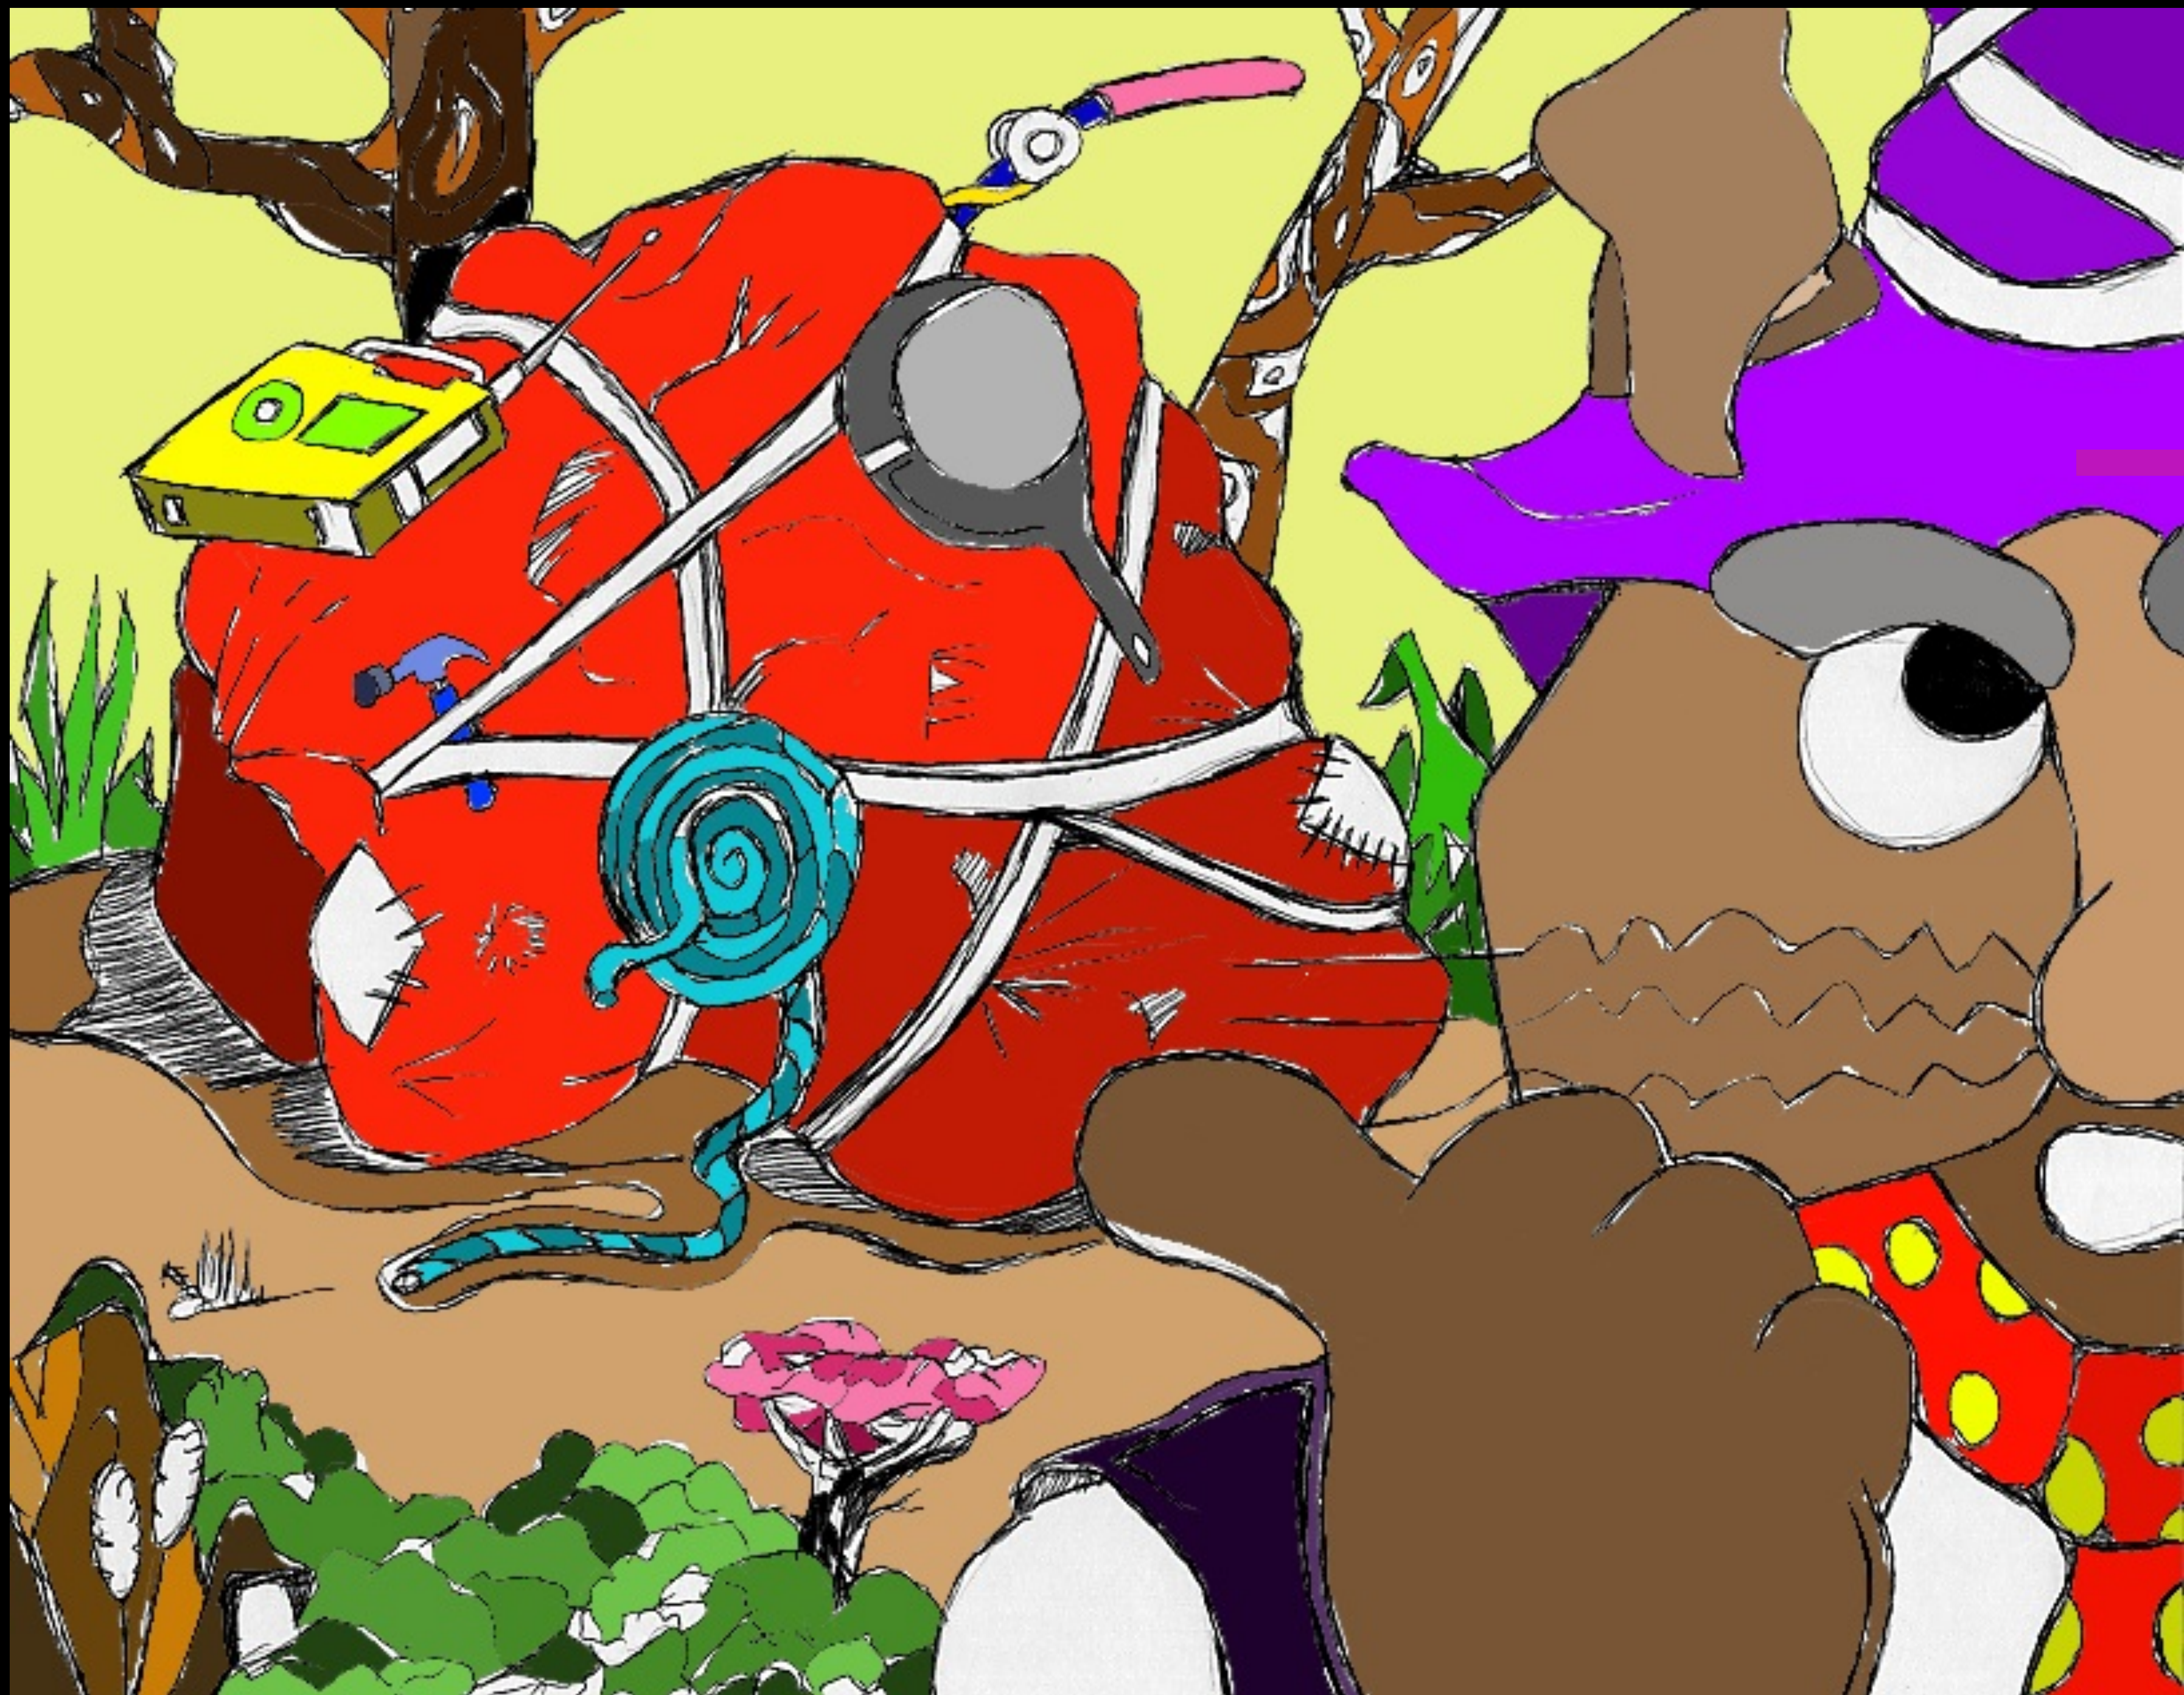

Yo! What are you two knuckle heads doing? We still have a lot of work to do. Get Up!

What you mean calling us knuckle heads? Your the knuckle head that drove us out here to suffer in this 1,000 degree weather, porky.

AHH... man! I'm calling my lawyer.

Well the  
quicker  
we set up  
this tent,  
go  
fishing,  
set the  
camp fire  
for  
dinner,  
balloon  
brain, We  
can start  
to enjoy  
our  
vacation  
time.

How long is this going to take? My doctor said that I'm allergic to hard work... I mean... it's not good for me to lift heavy objects and...

I'll make things easy for everyone. You can put up the tent. Do you think that you can handle that?

Yeah... I can handle it. You can count on me. Say by the way... What is a tent?

Since I'm scorching hot in this weather, guess I'll make the camp fire just by holding this here branch and watching the sun roast it... any second now.

Very, very funny. I see you got jokes. Can you let me know next time where the punch line to your corny jokes are.

It is frustrating trying to laugh. Here take these matches for the camp fire. When you finish making the fire... Jump in it!!

So what are you going to do while we're doing the hard work?

I'm going fishing!  
It takes a lot of  
patience and hard  
work to catch a  
fish.

Hard work you  
say... Yeah right.

Try not to hurt  
your back while  
carrying that  
fishing pole  
across your  
shoulder.

I'll try not to.  
Thanks for the  
advice.

I wish he'd  
go jump in  
the lake.  
Time to get  
this camp  
fire started.

Ahh... a nice cool refreshing breeze by the lake. This looks like a good spot.

Ahh... looks like this would work. I'm minutes away from a fish fillet sandwich.

It's been  
over 2  
minutes. I  
haven't  
caught  
anything  
yet. I  
wonder  
how the  
fellows  
are  
doing?

I can't find  
the  
instruction  
book!!!

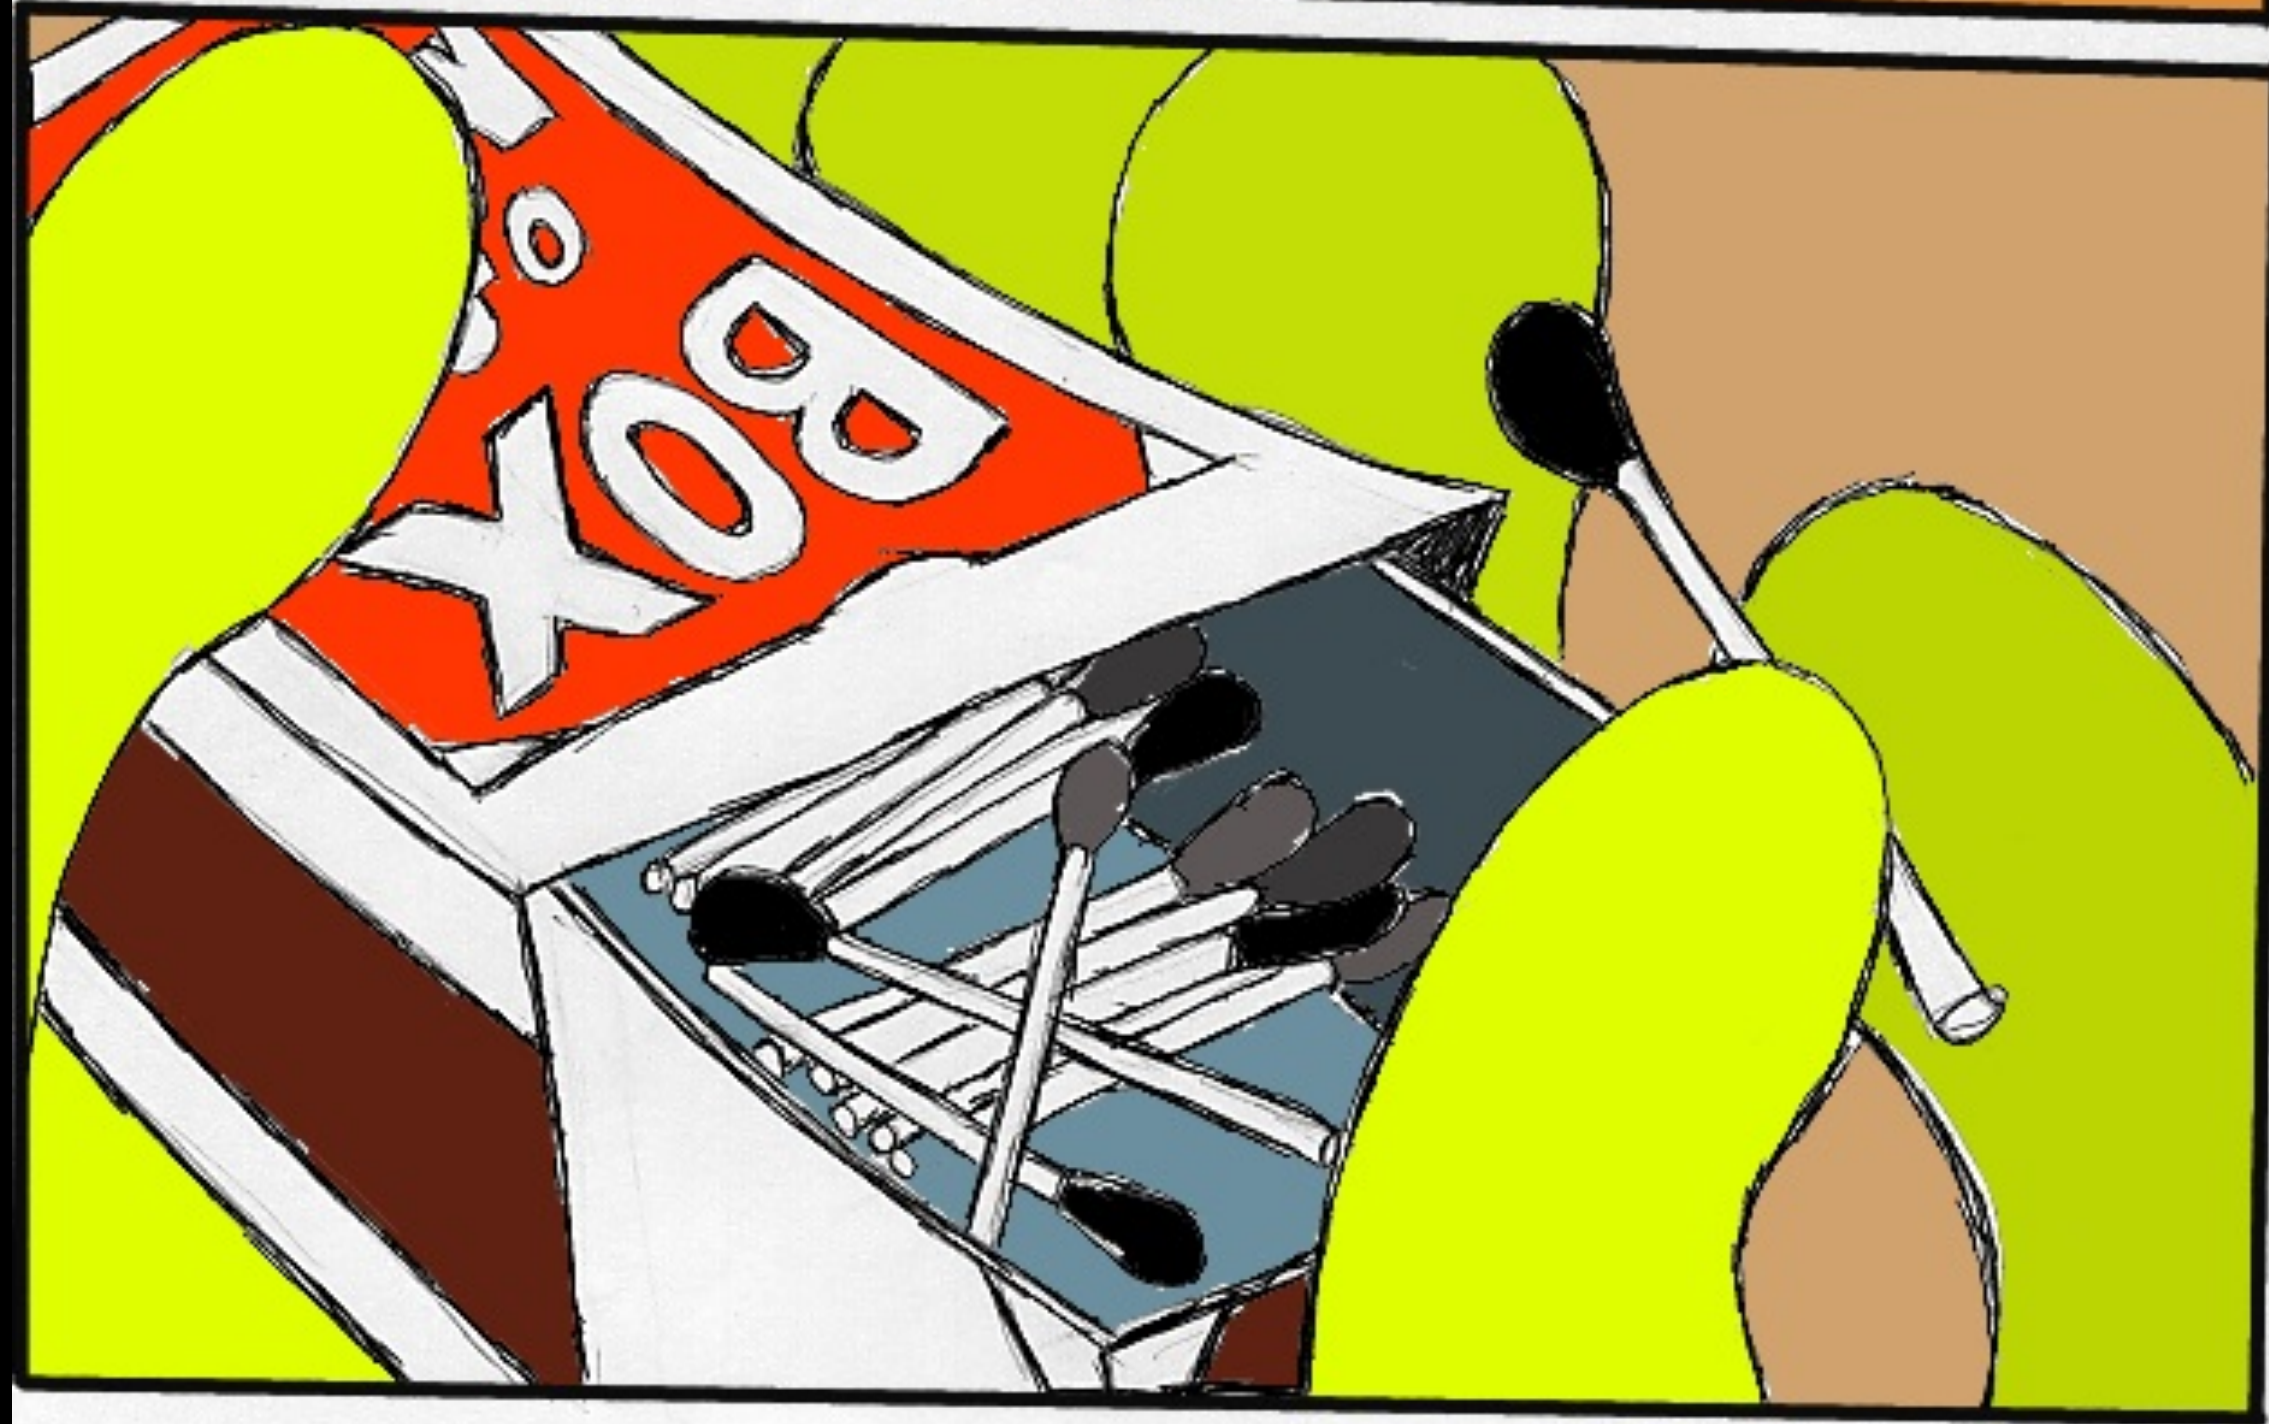

It's been over  
3 minutes  
and still I  
haven't  
caught a  
thing. Gee...  
this is hard  
work...  
Whew!!!

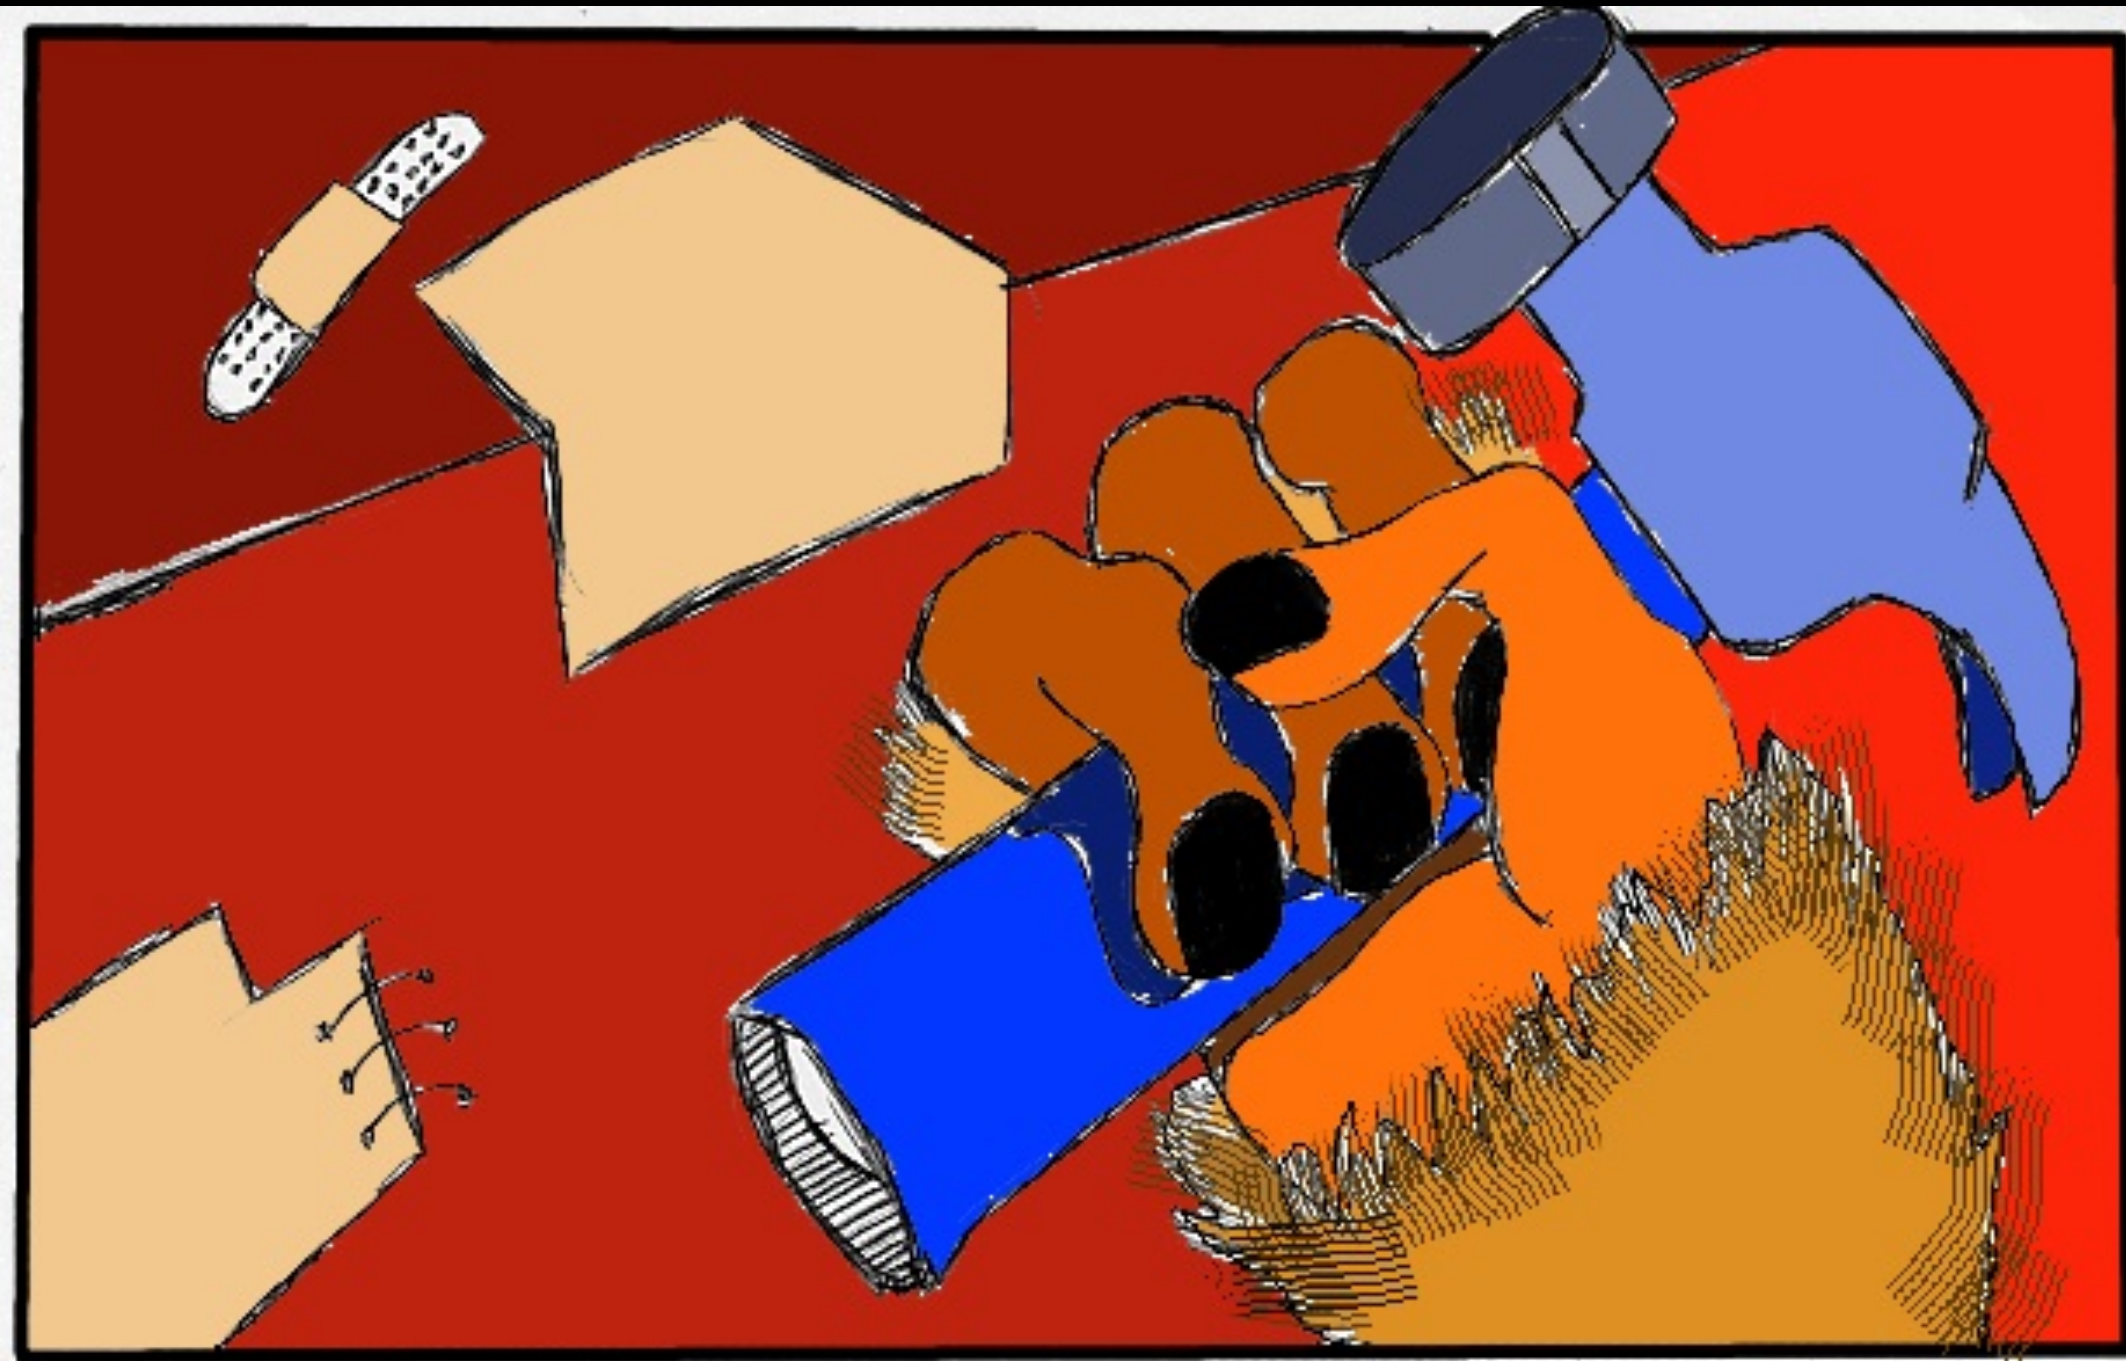

Ouch!!! I  
just got a  
splinter !!!

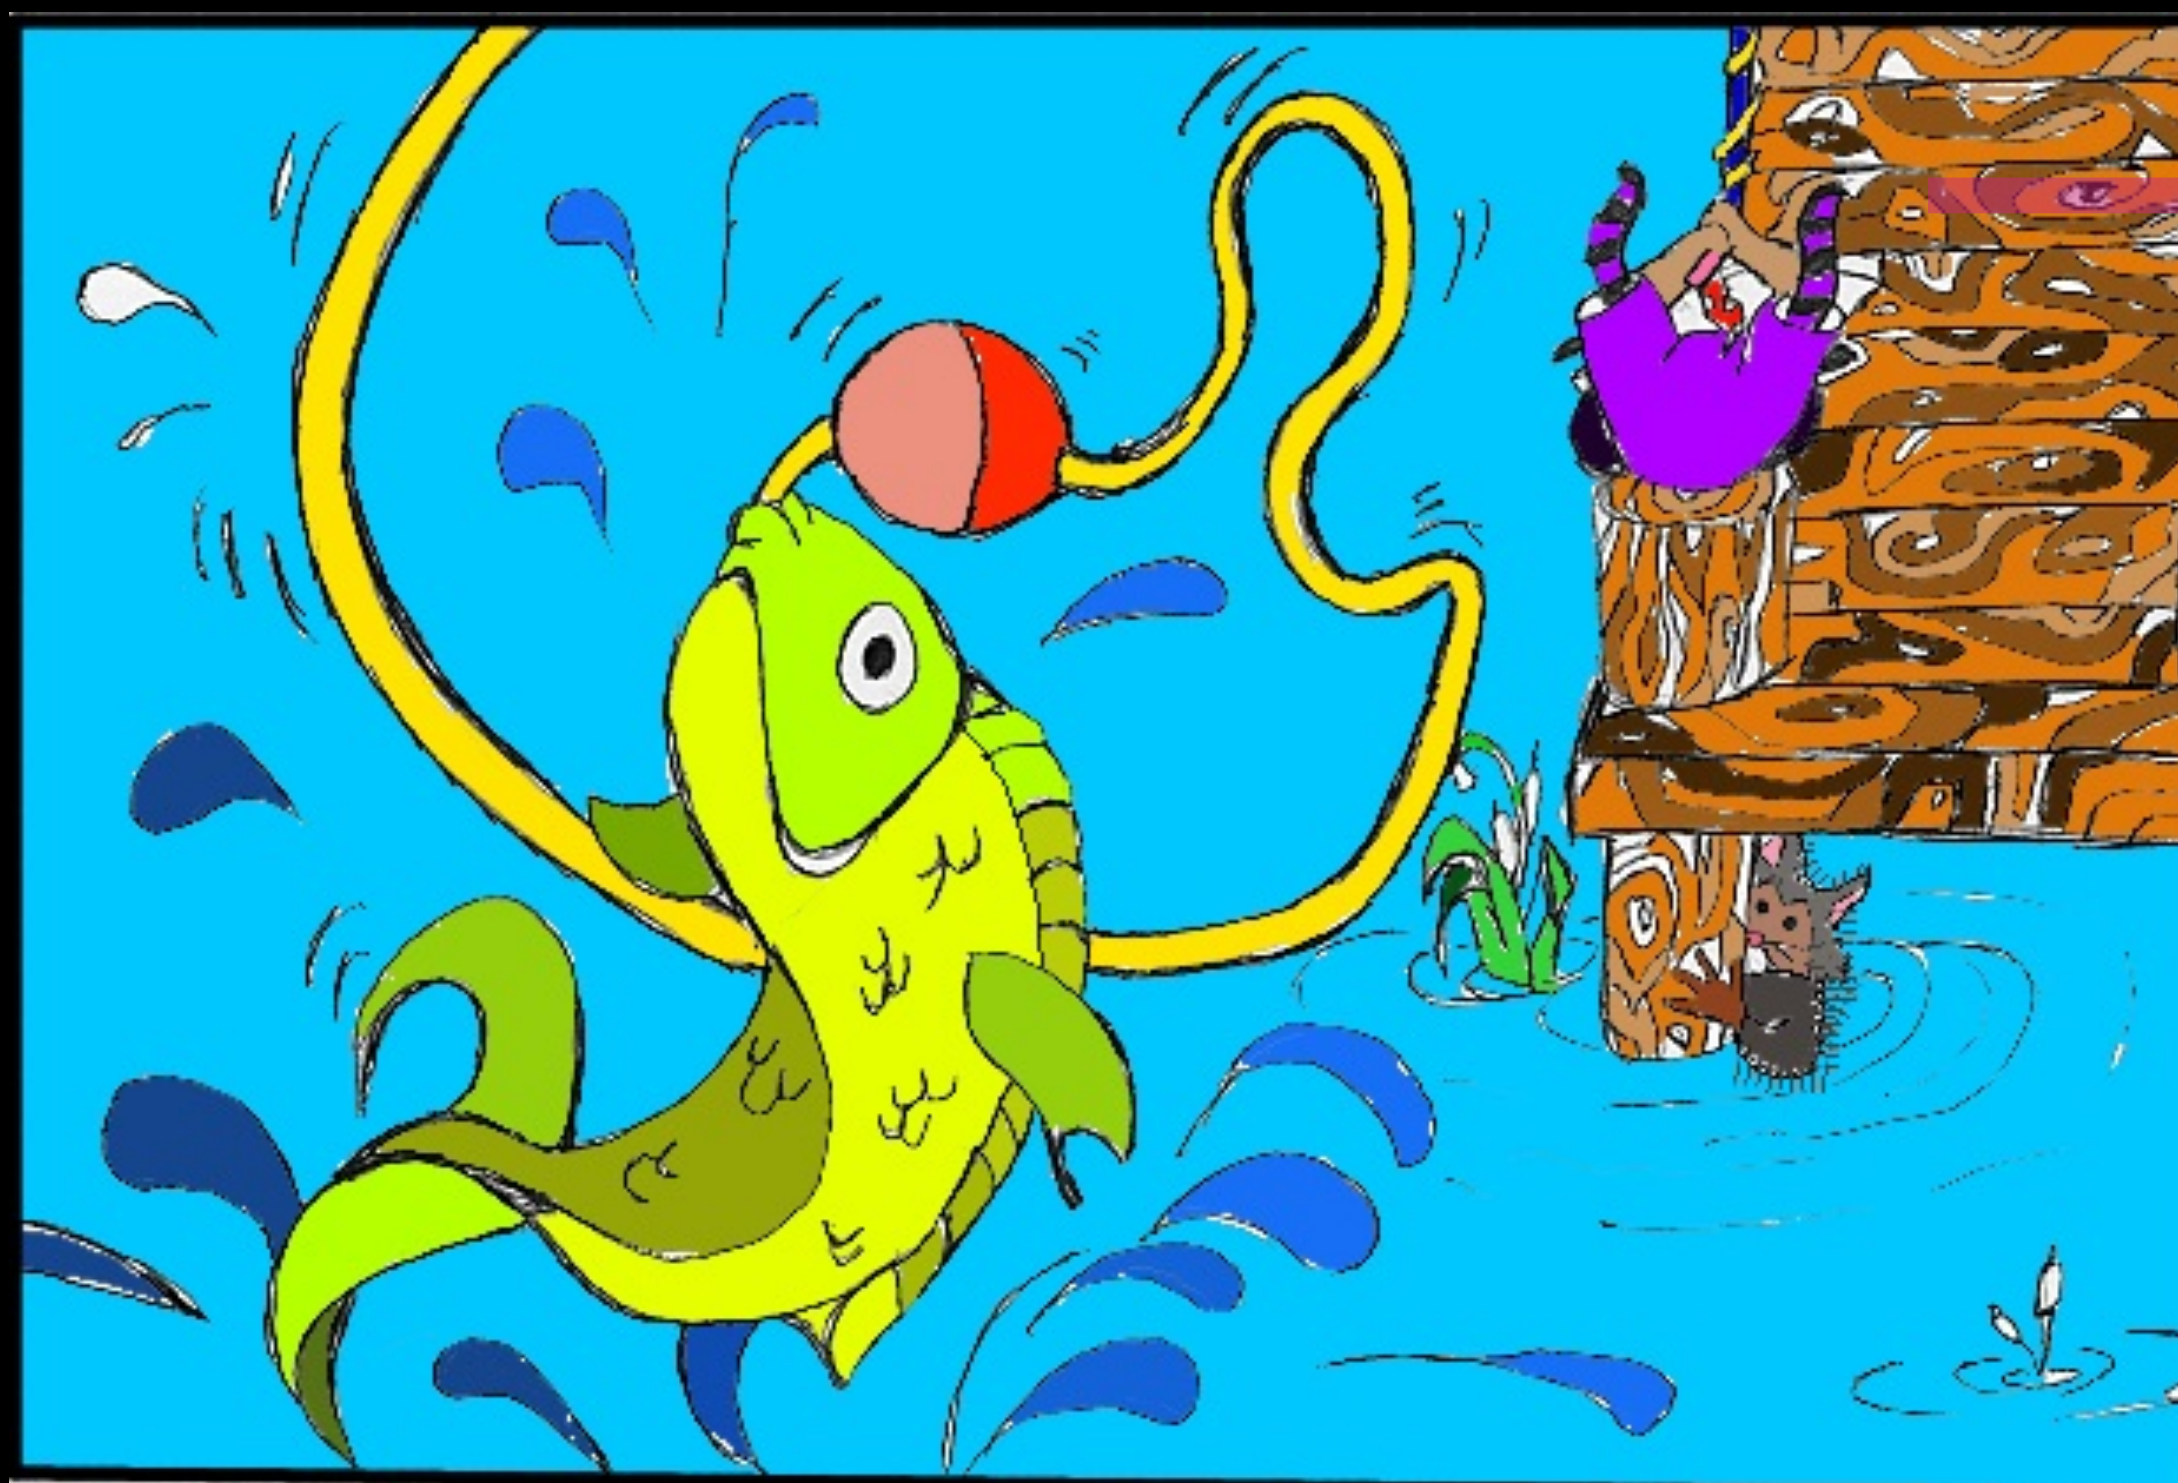

At  
Last...  
Victory  
!!!

There is  
something  
tugging on my  
fishing pole!

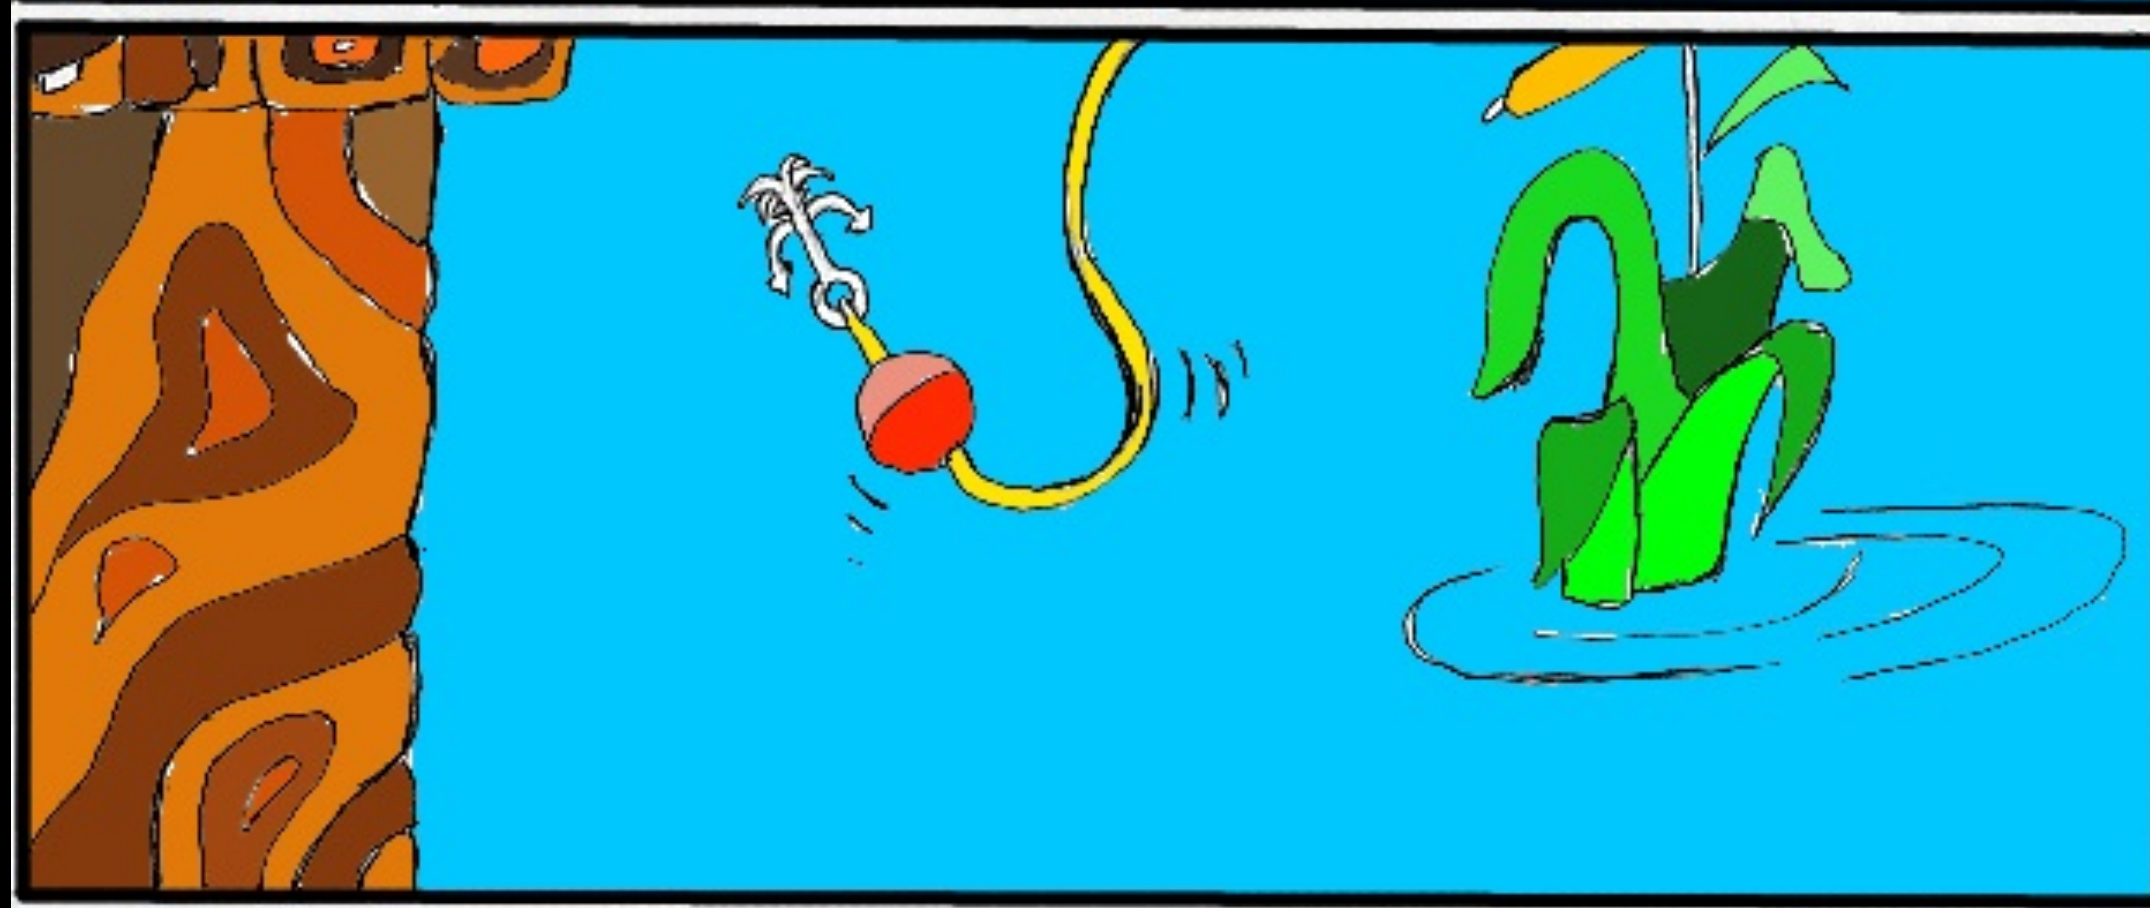

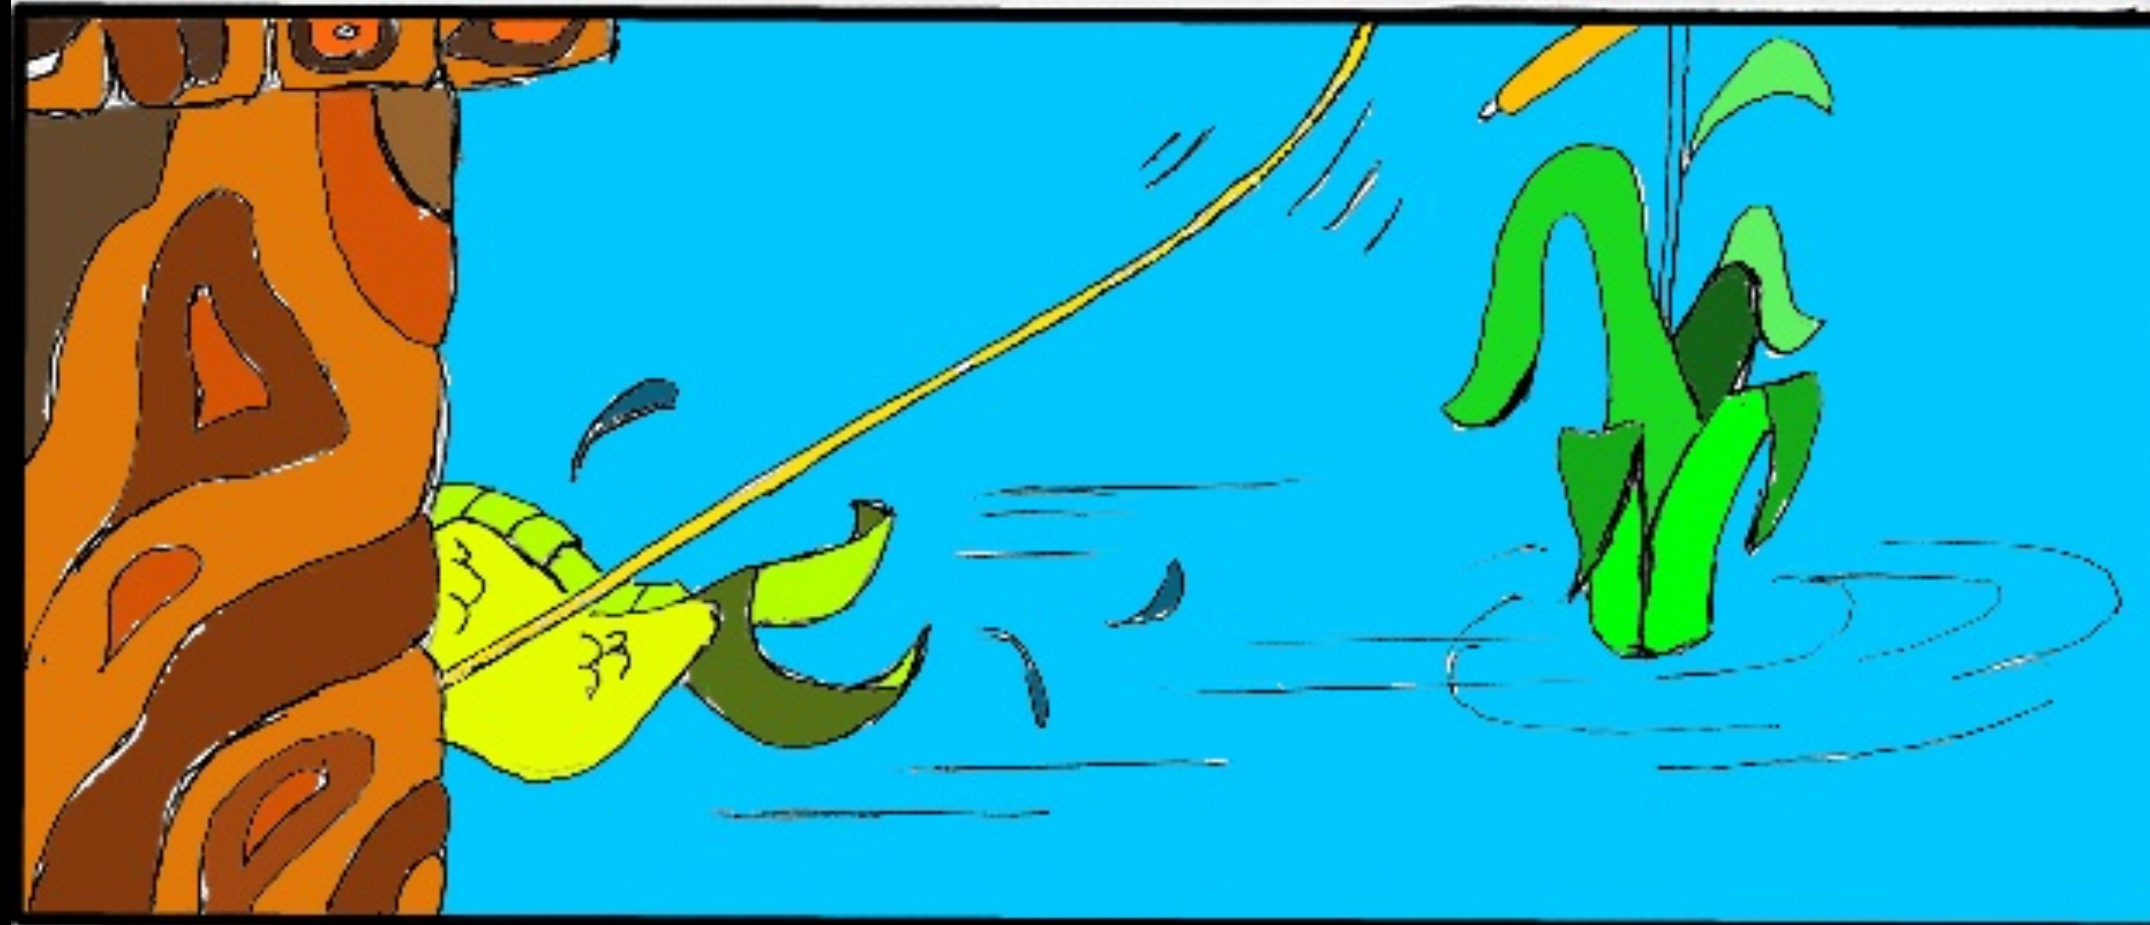

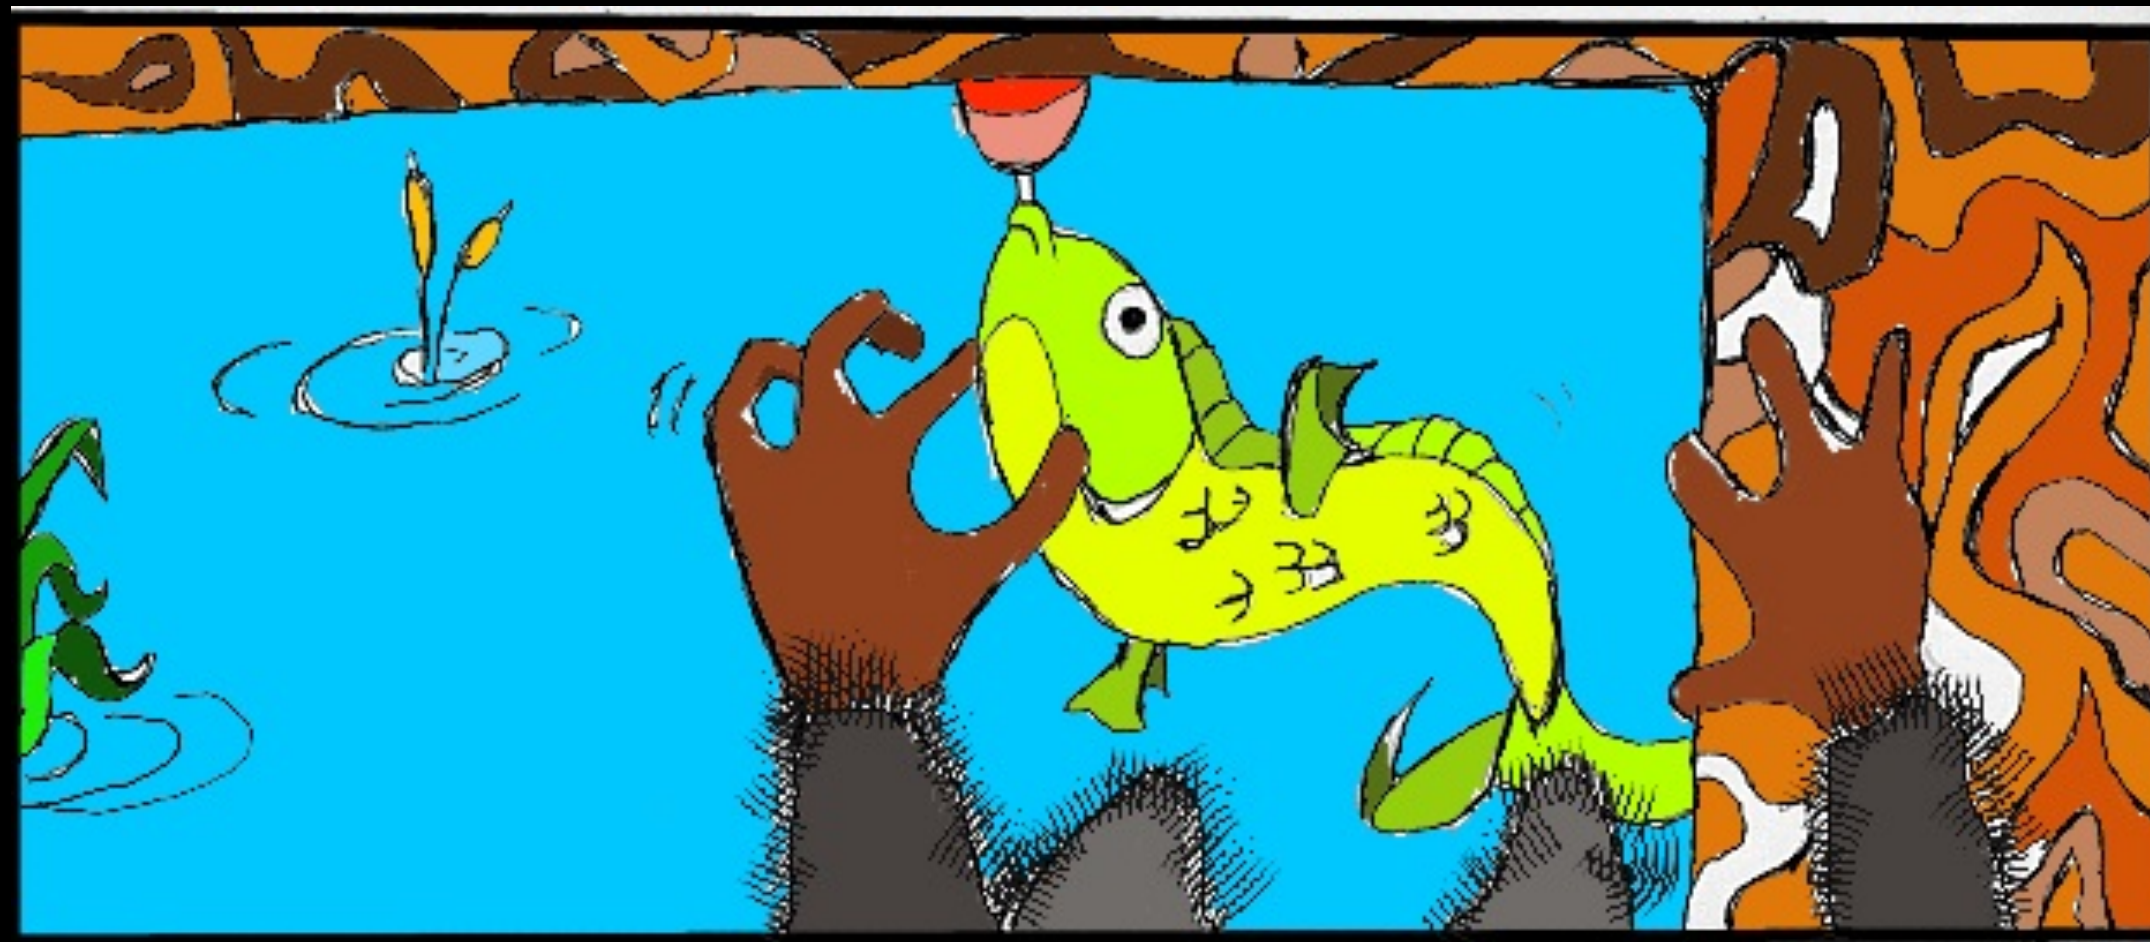

→ **WOW WEE!!!**

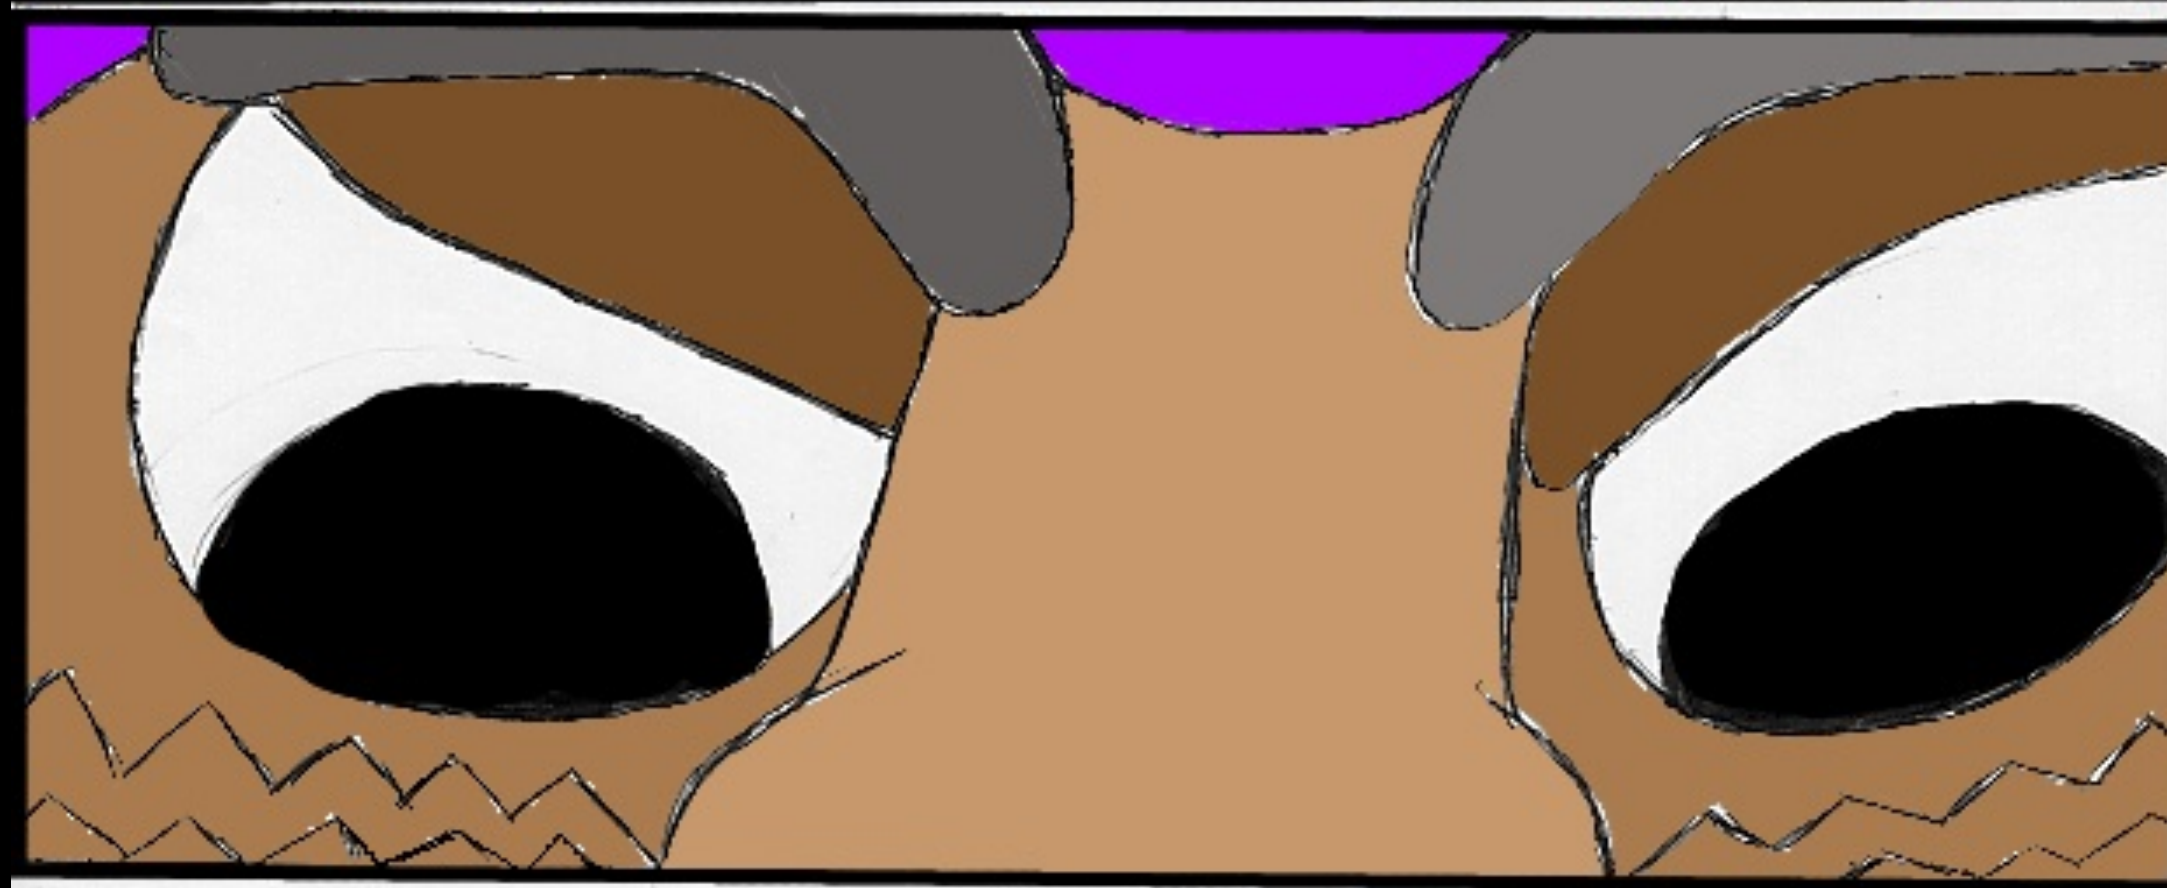

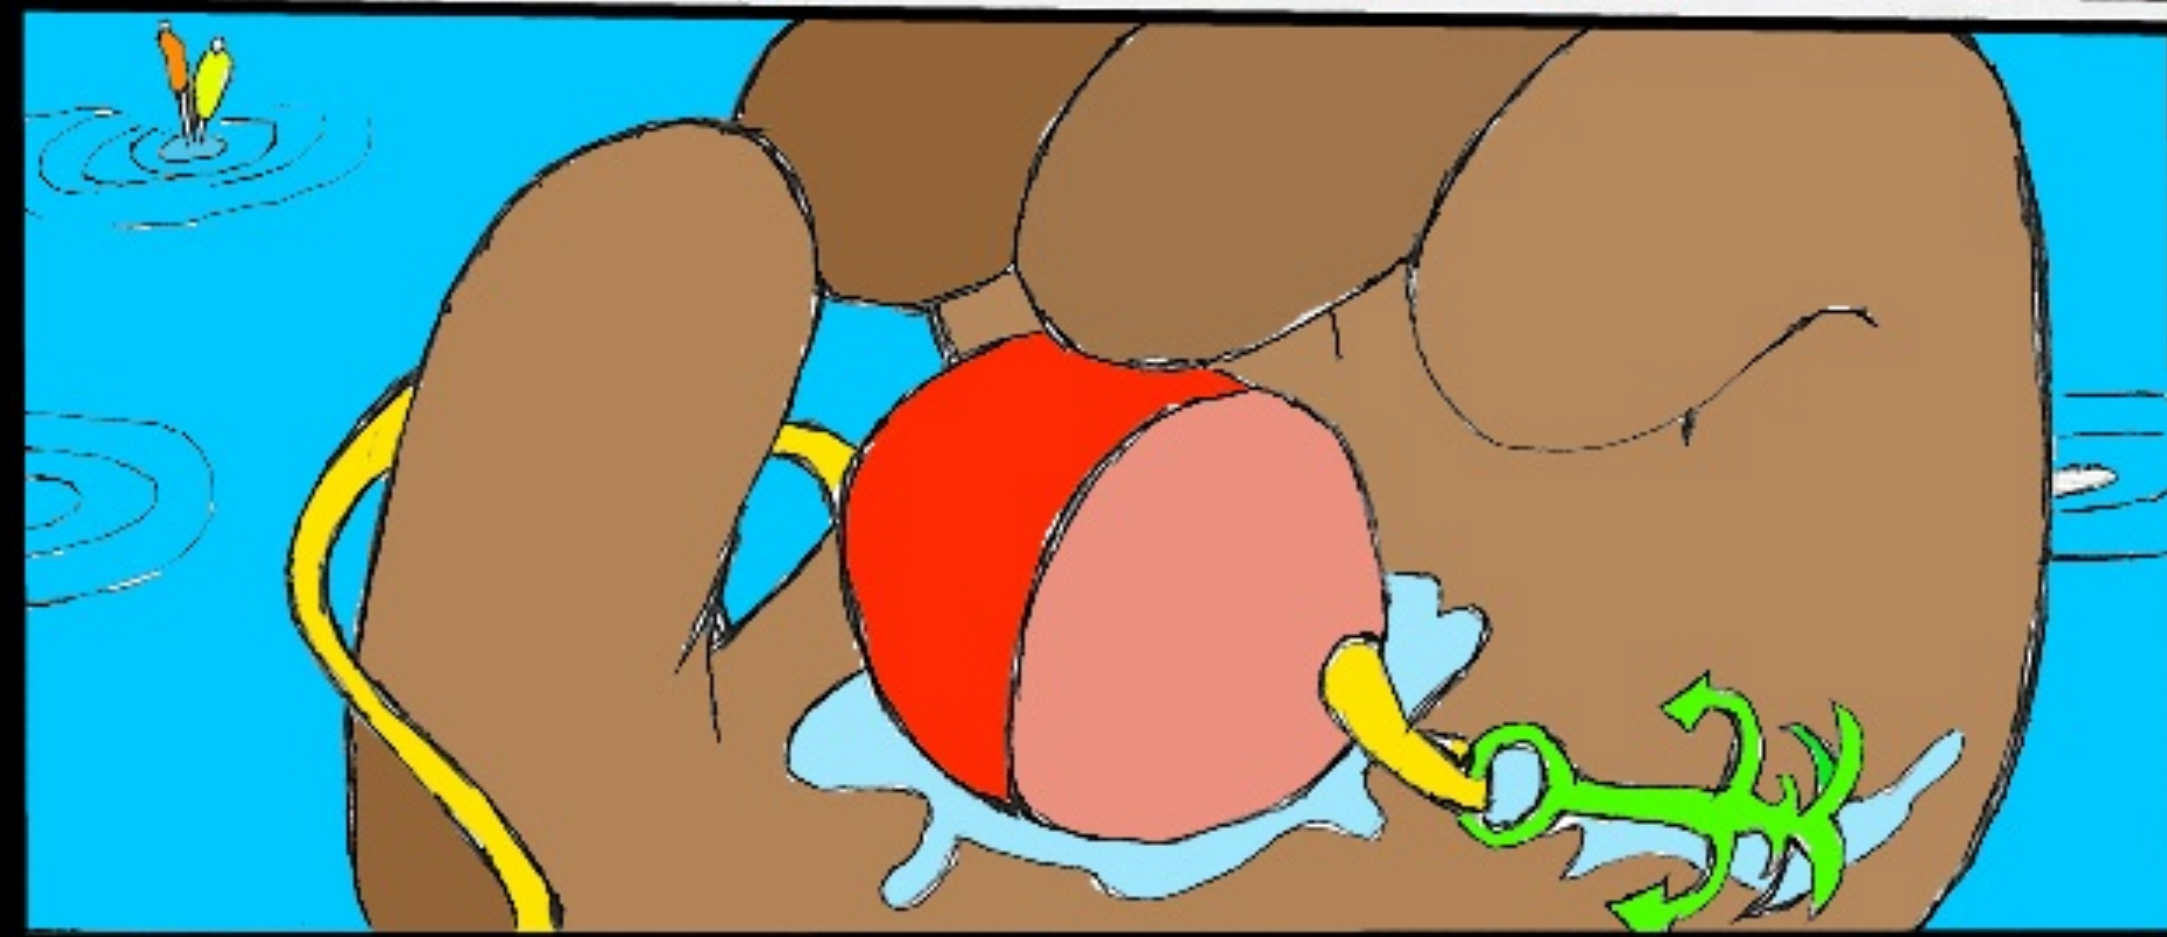

→ **Oh Yeah!  
We are  
going to  
have a fish  
fry, Tonight!**

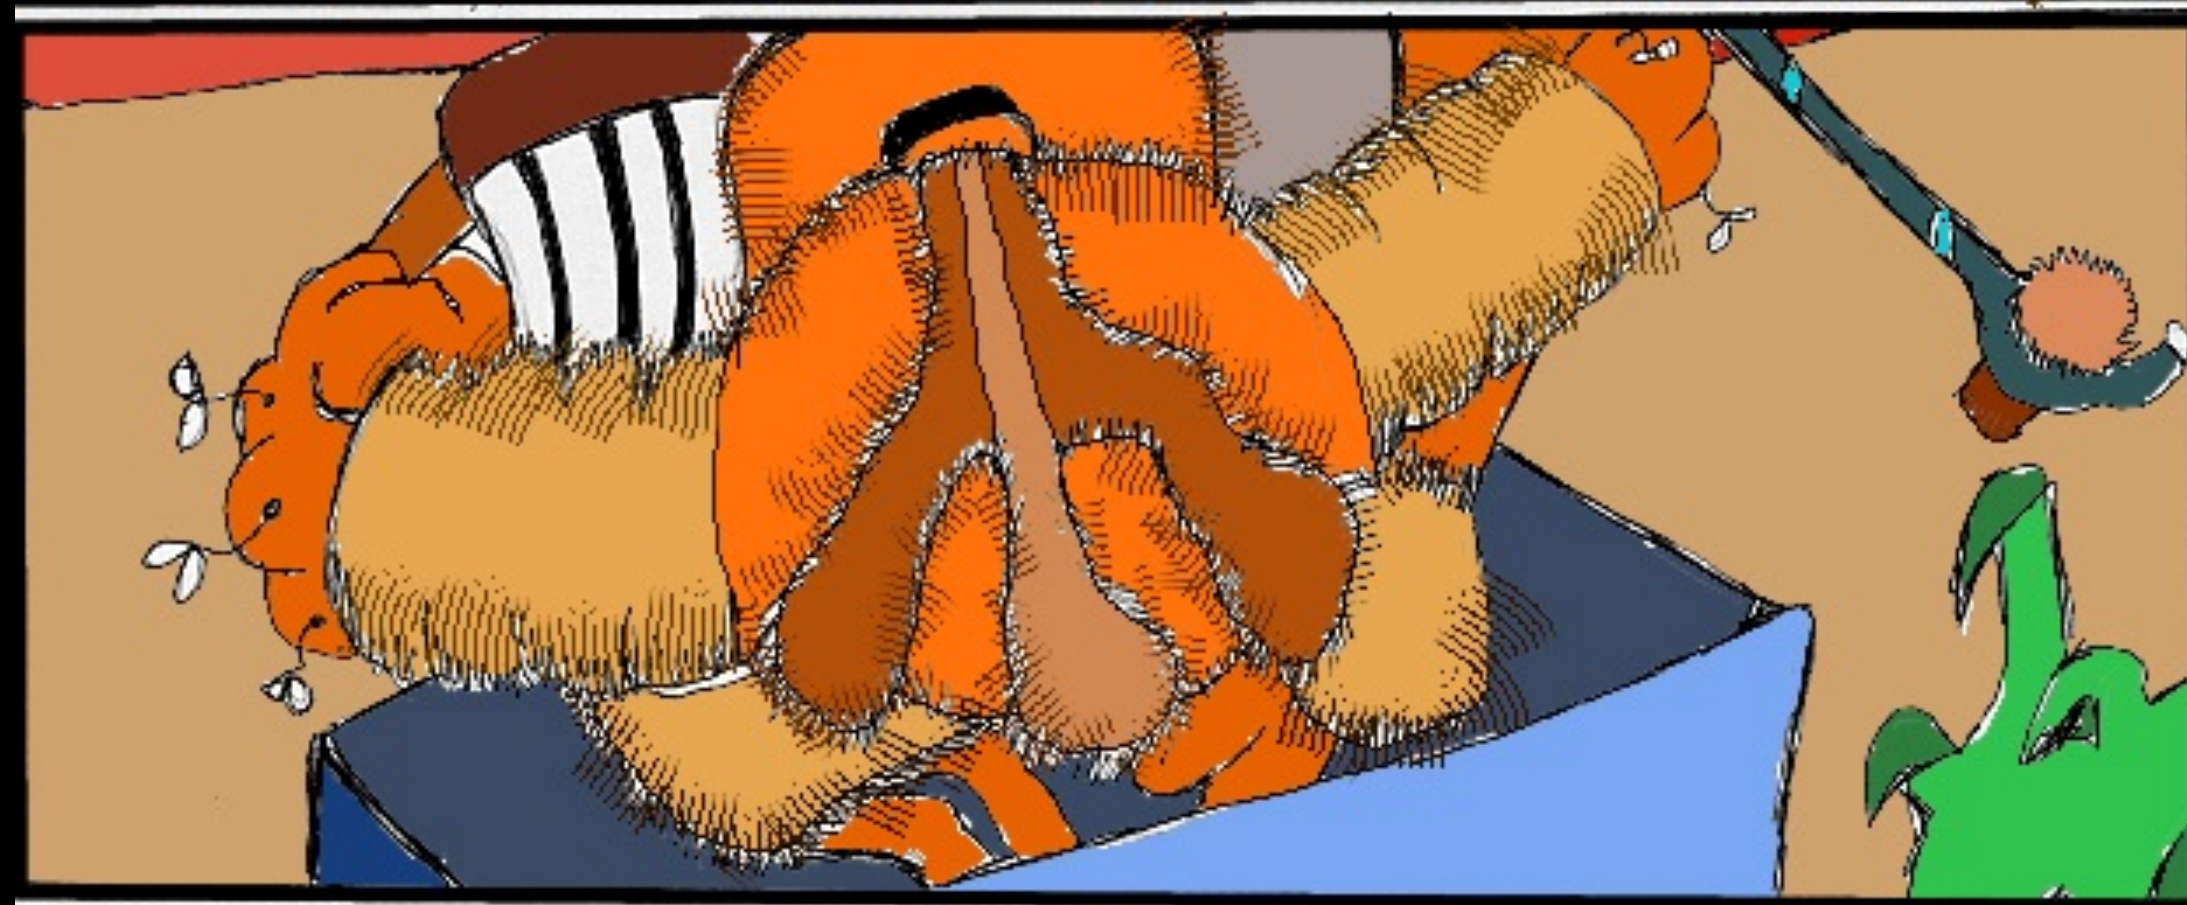

HEY !!!

Now where  
did I place  
that  
welcome  
mat ?

Here it is !

A home is  
not a home  
without a  
welcome  
mat at your  
doorstep.

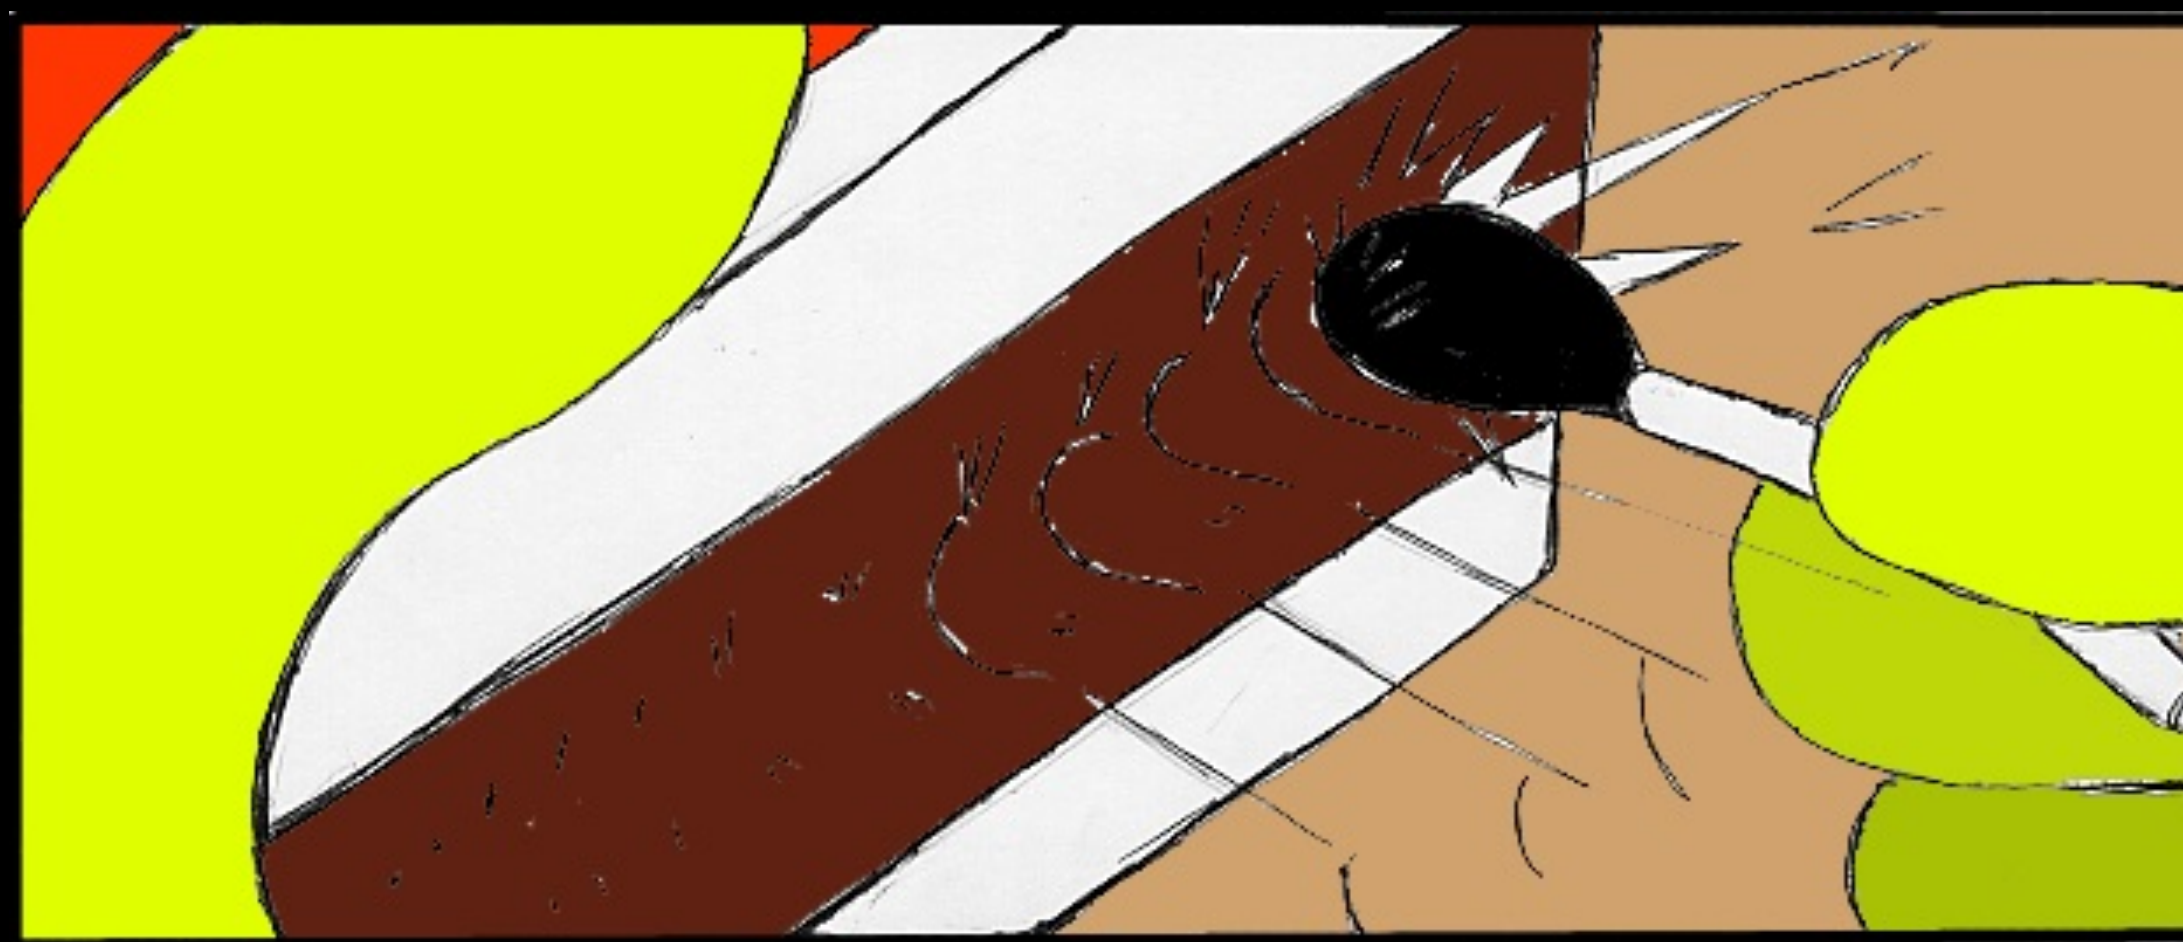

I can't wait to  
show the  
fellows our...

Maybe I  
should've  
installed a  
security  
system.

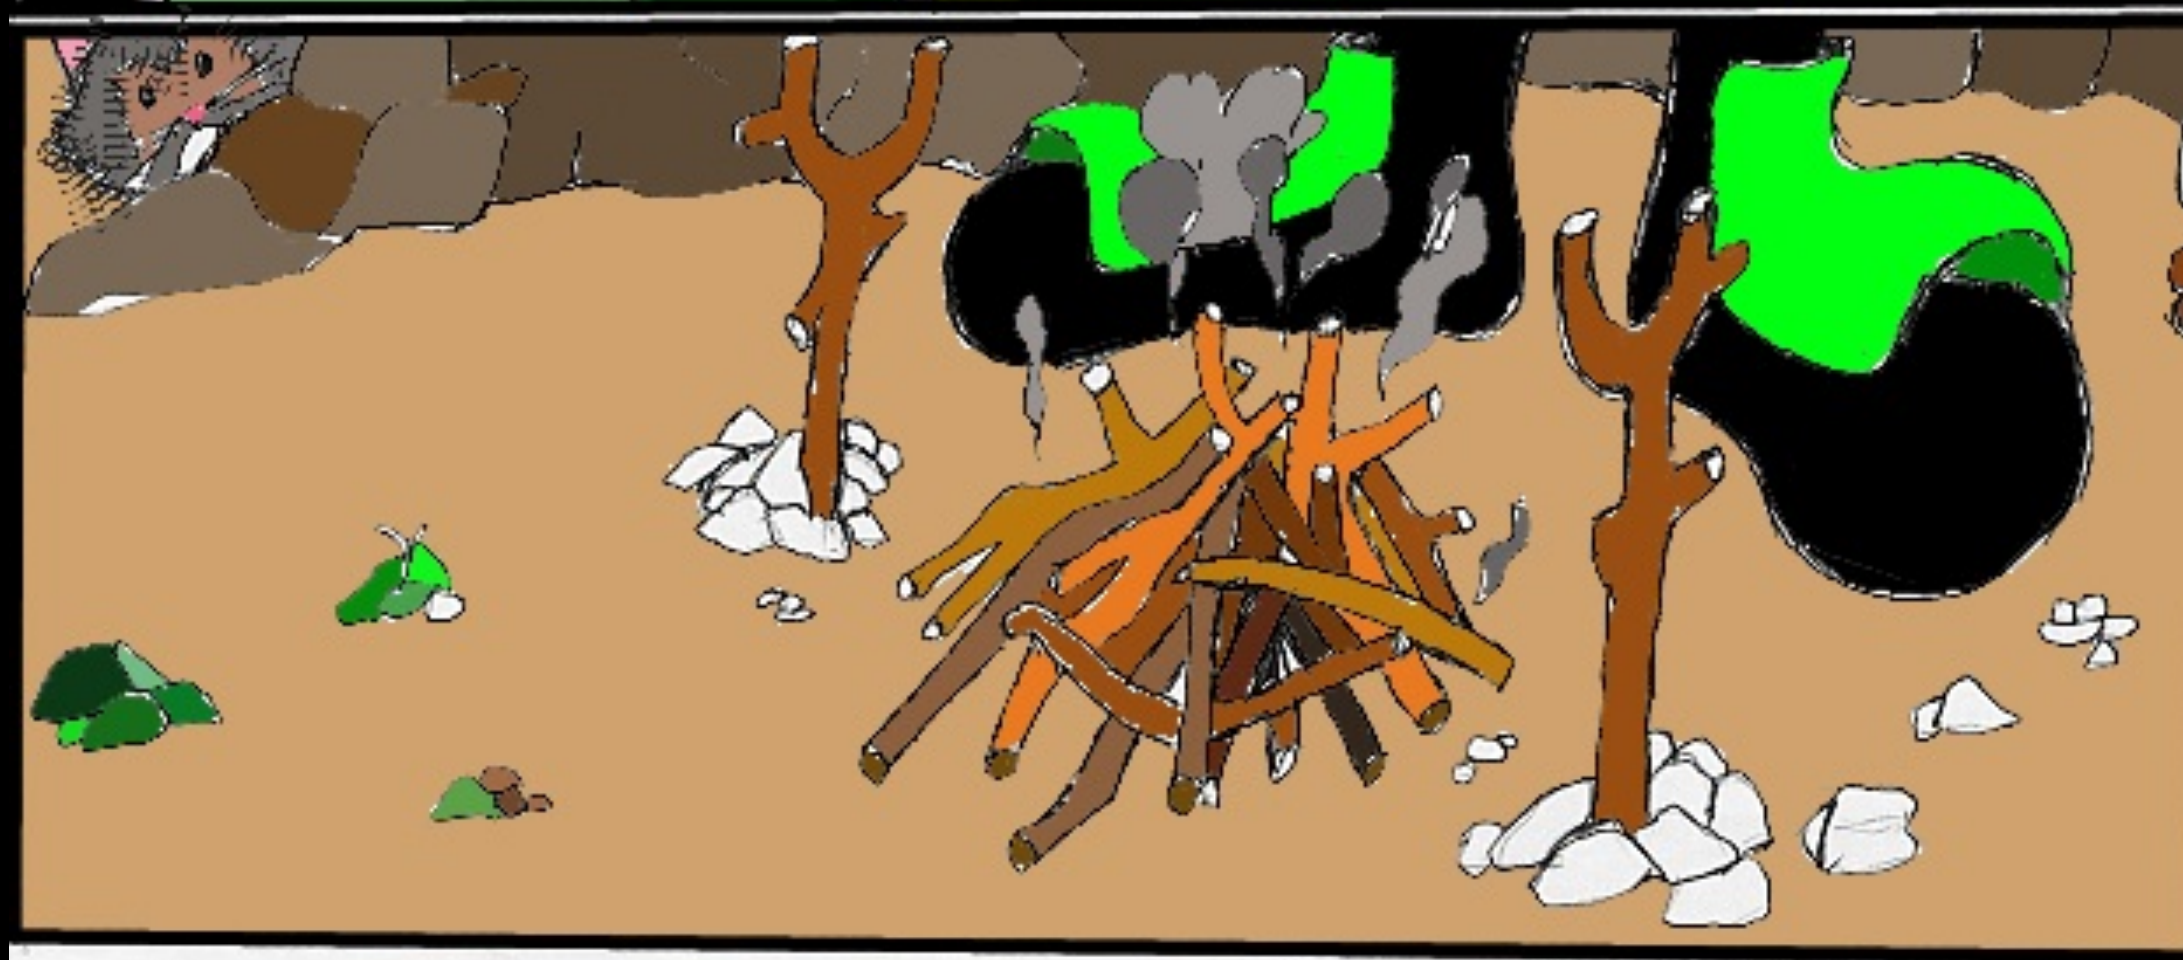

Come on!  
Come on! At  
last!

I was down  
down to the last  
match stick.

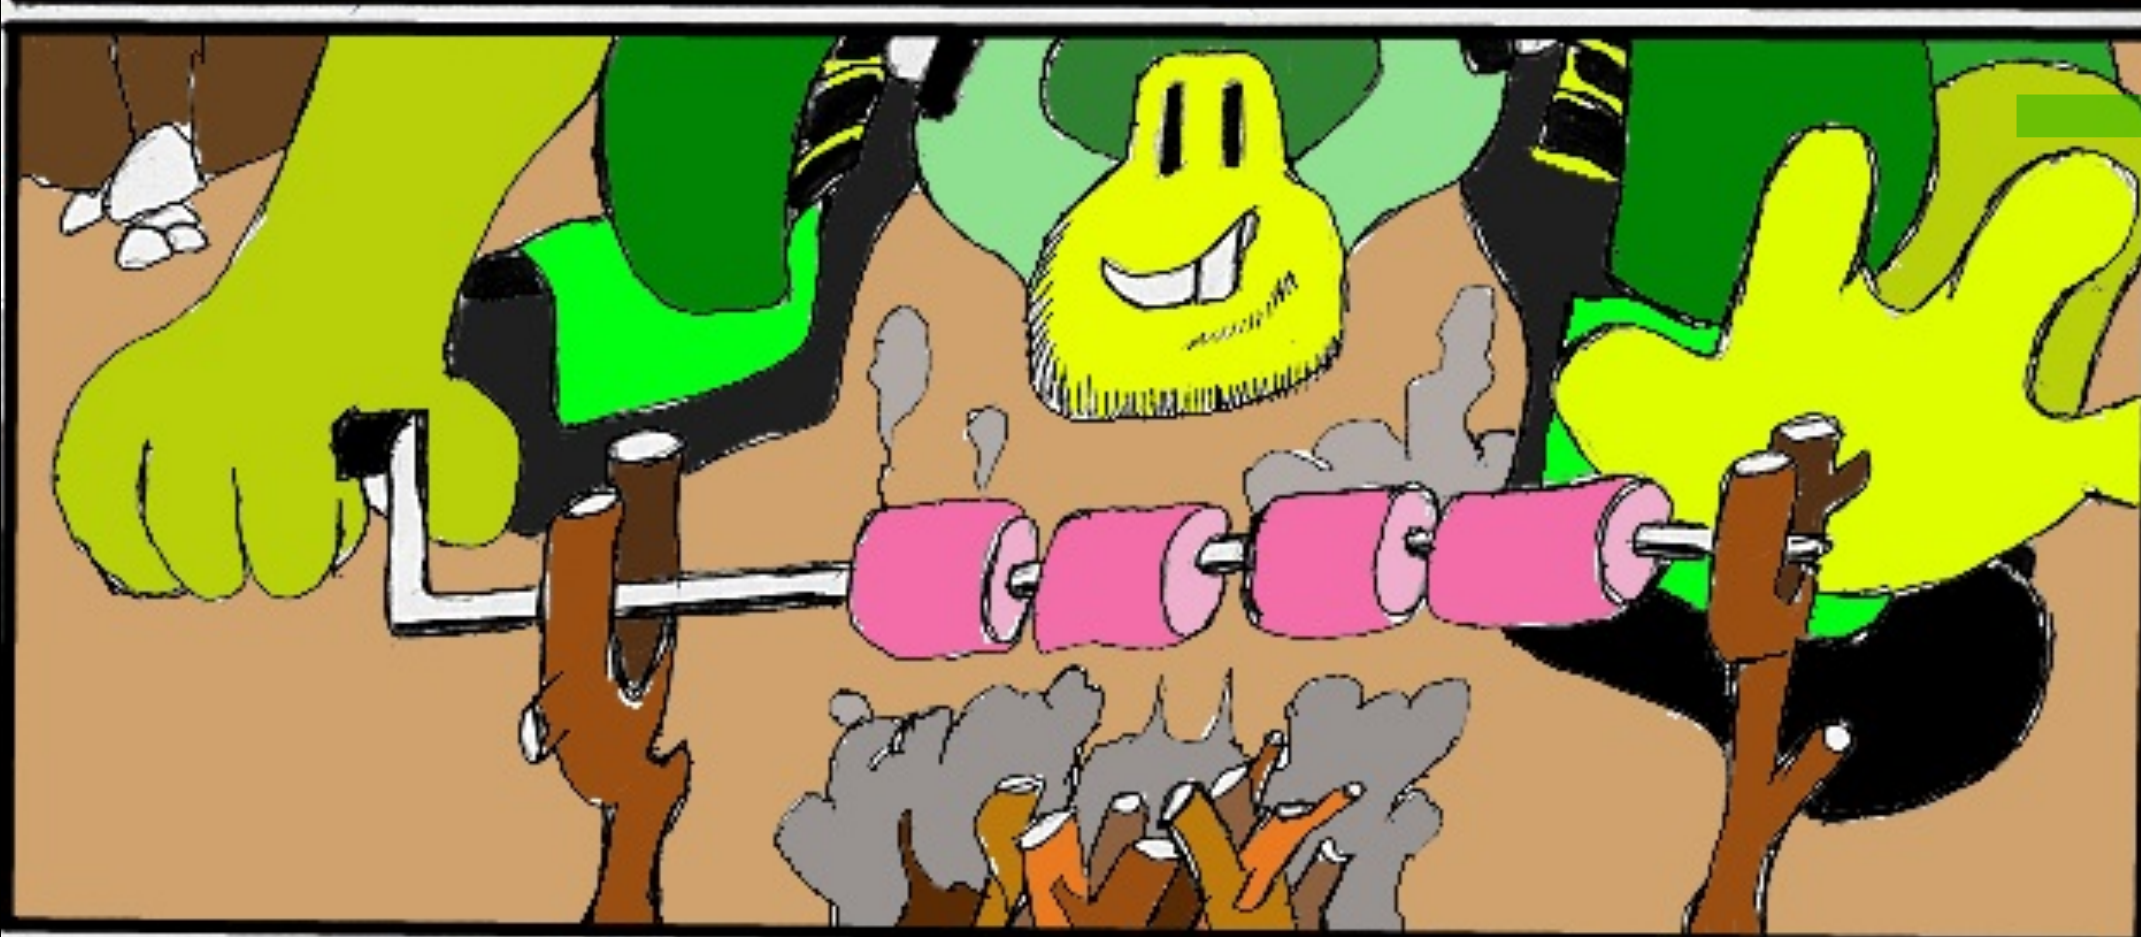

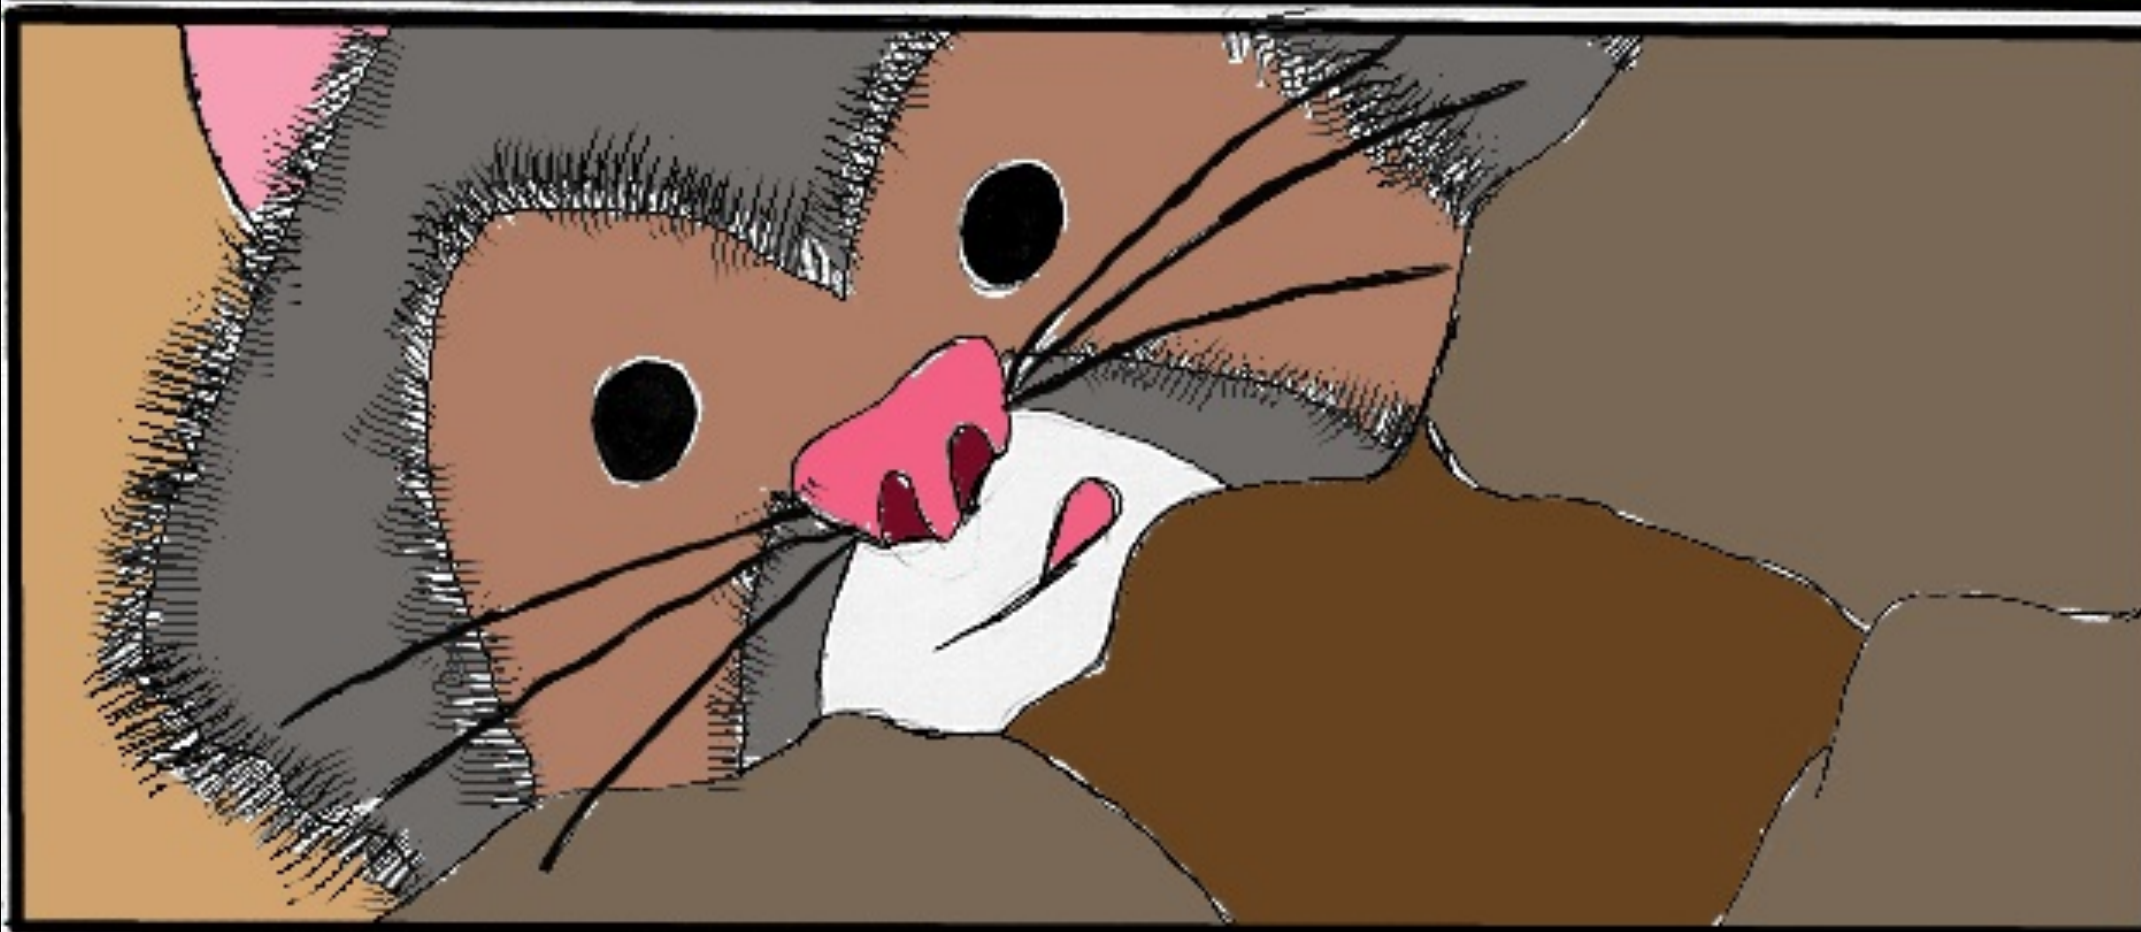

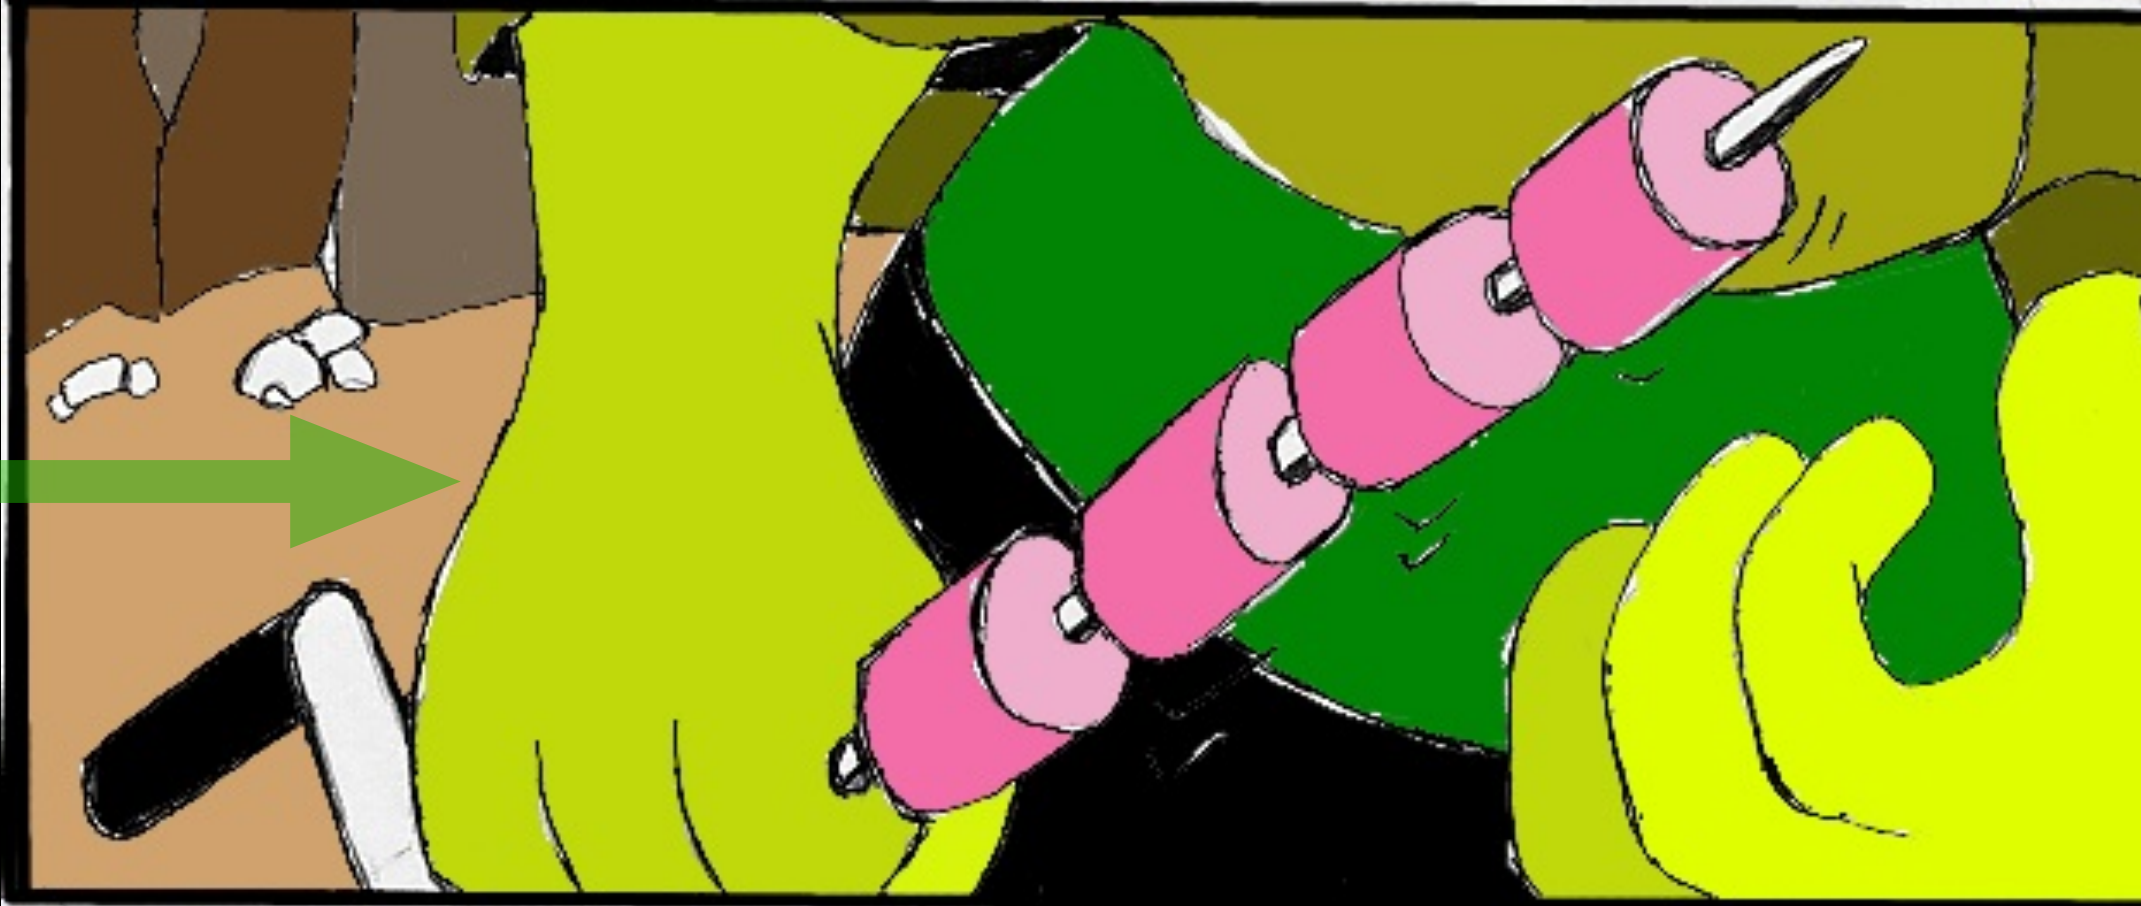

This camping  
out is a lot  
tougher than I  
thought.

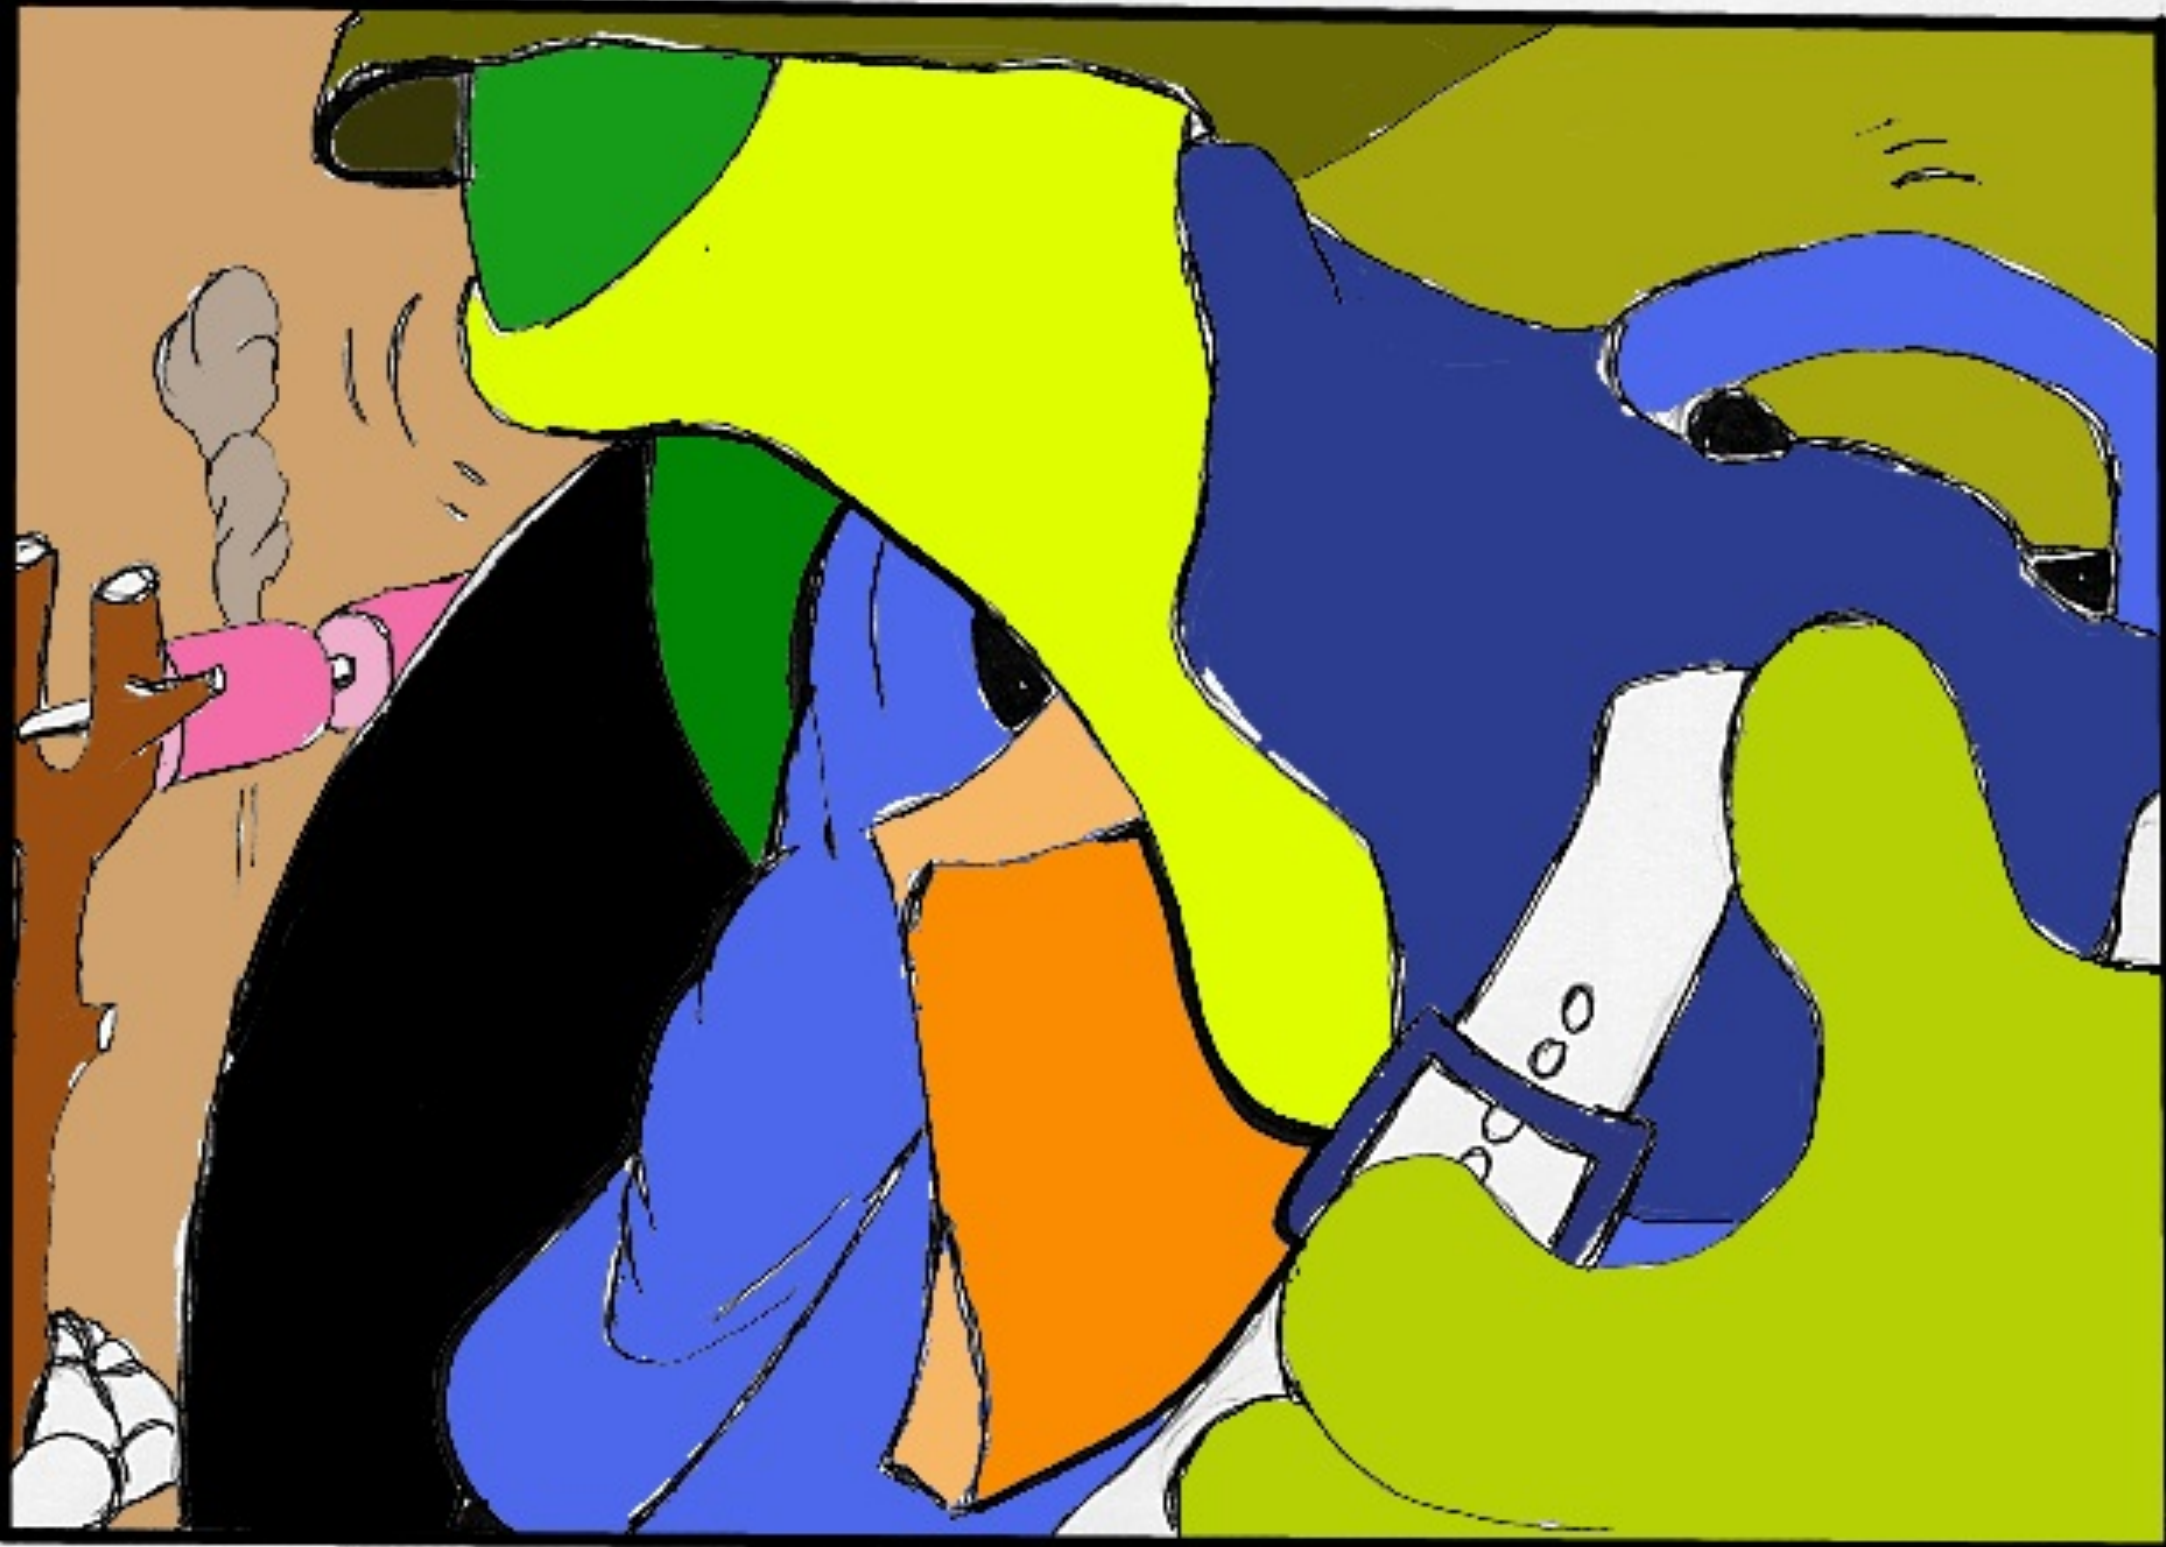

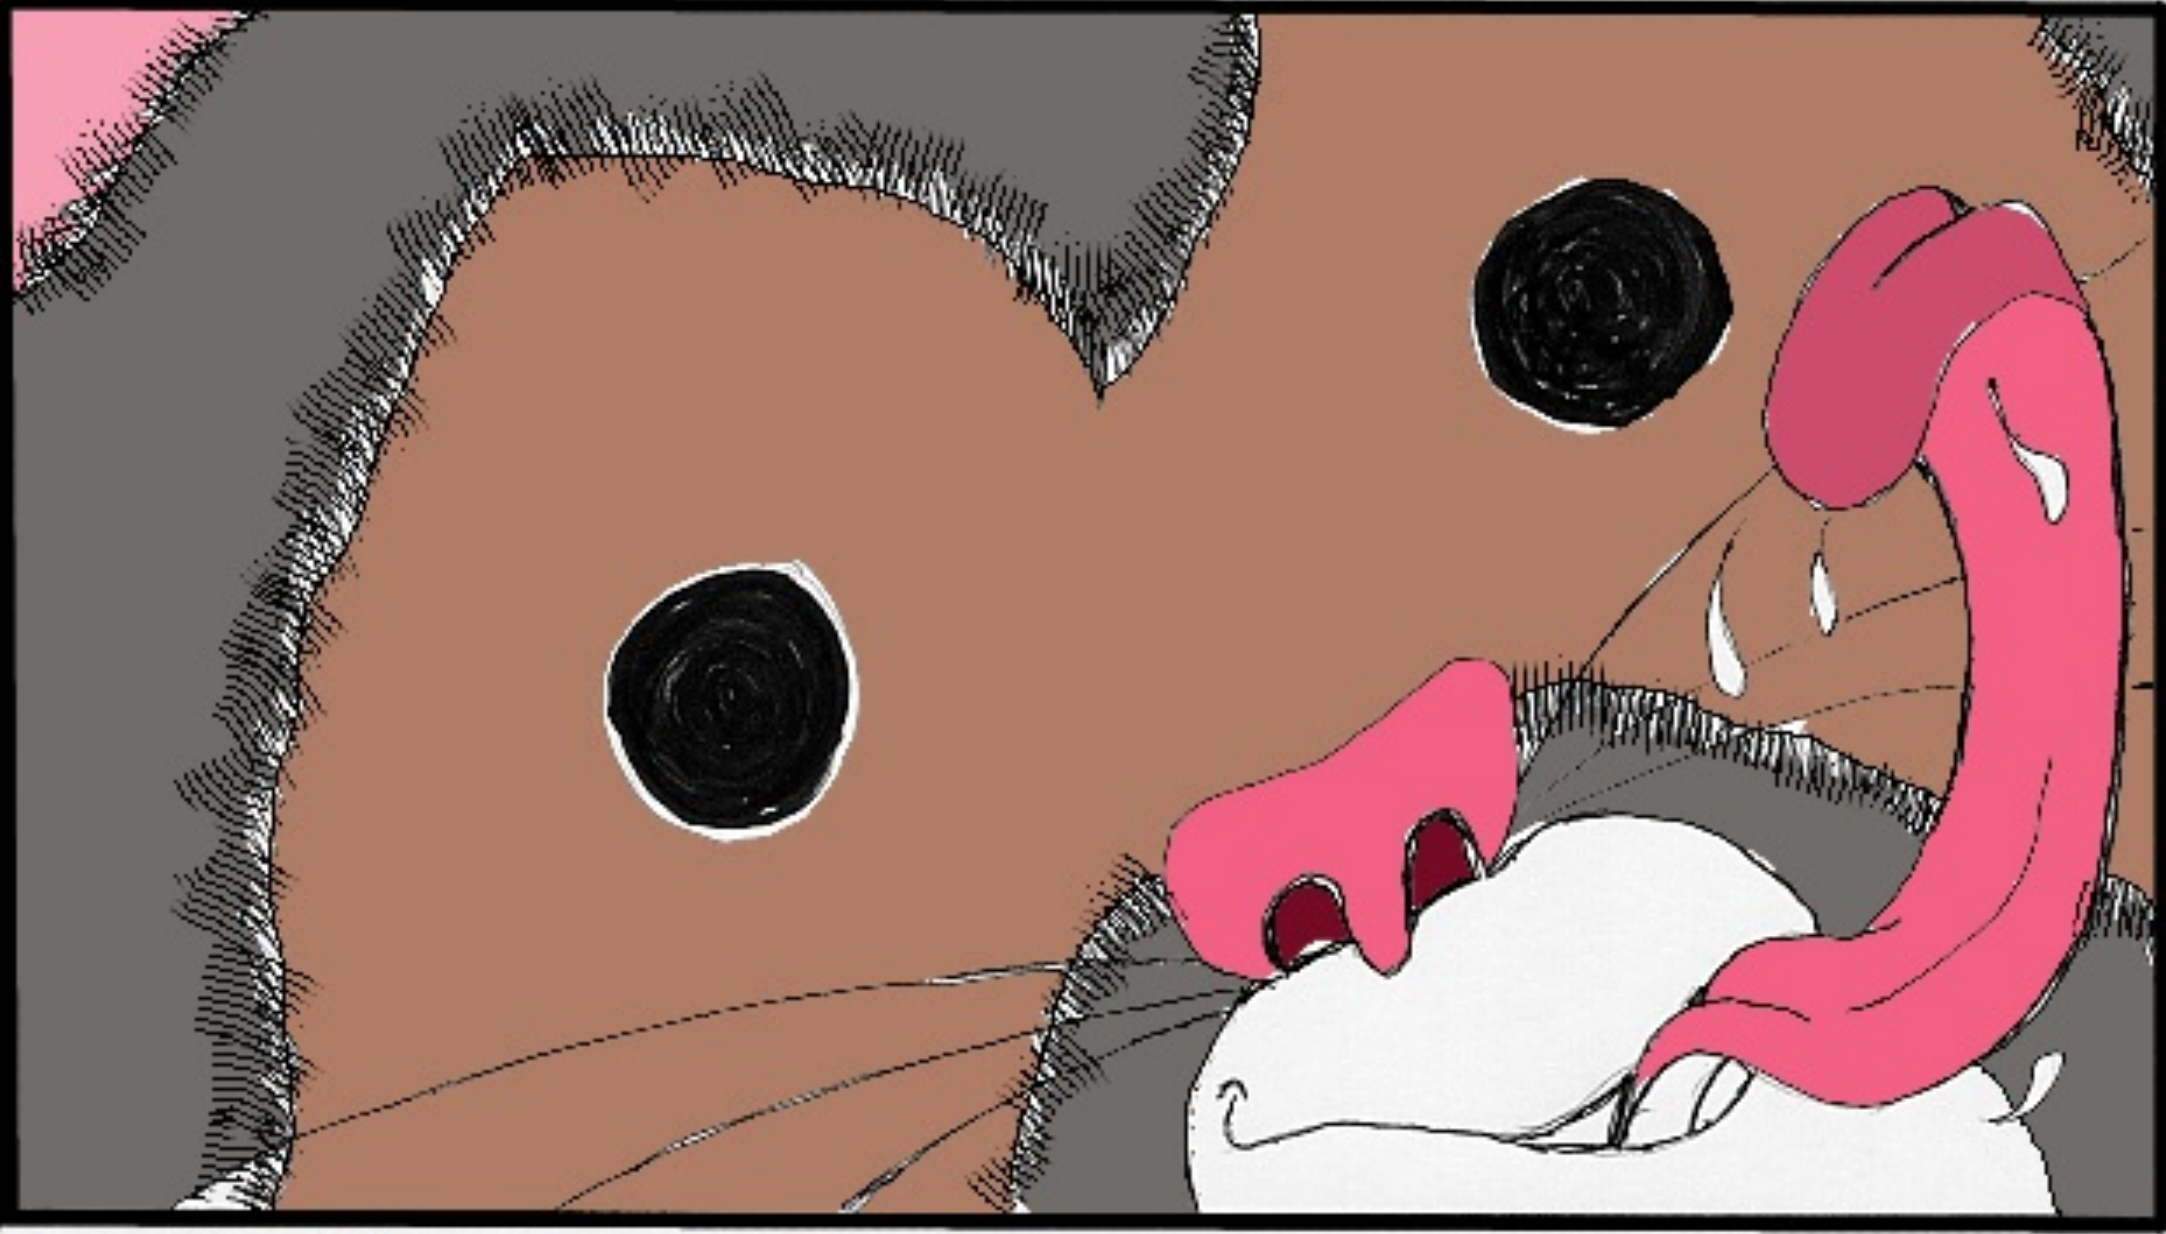

**Pink  
Marshmallows!  
My Favorite!**

**These roasted  
pink  
Marshmallows  
are smelling  
so... so... good!**

MMmmm...  
MMmmm...  
GOOD!!!

**MY  
MARSHMALLOWS !!!**

**Something  
strange is  
going on  
here !!!**

Something strange is going on here. Either I'm going crazy or we are not alone.

Crazy you are, but we are not alone.

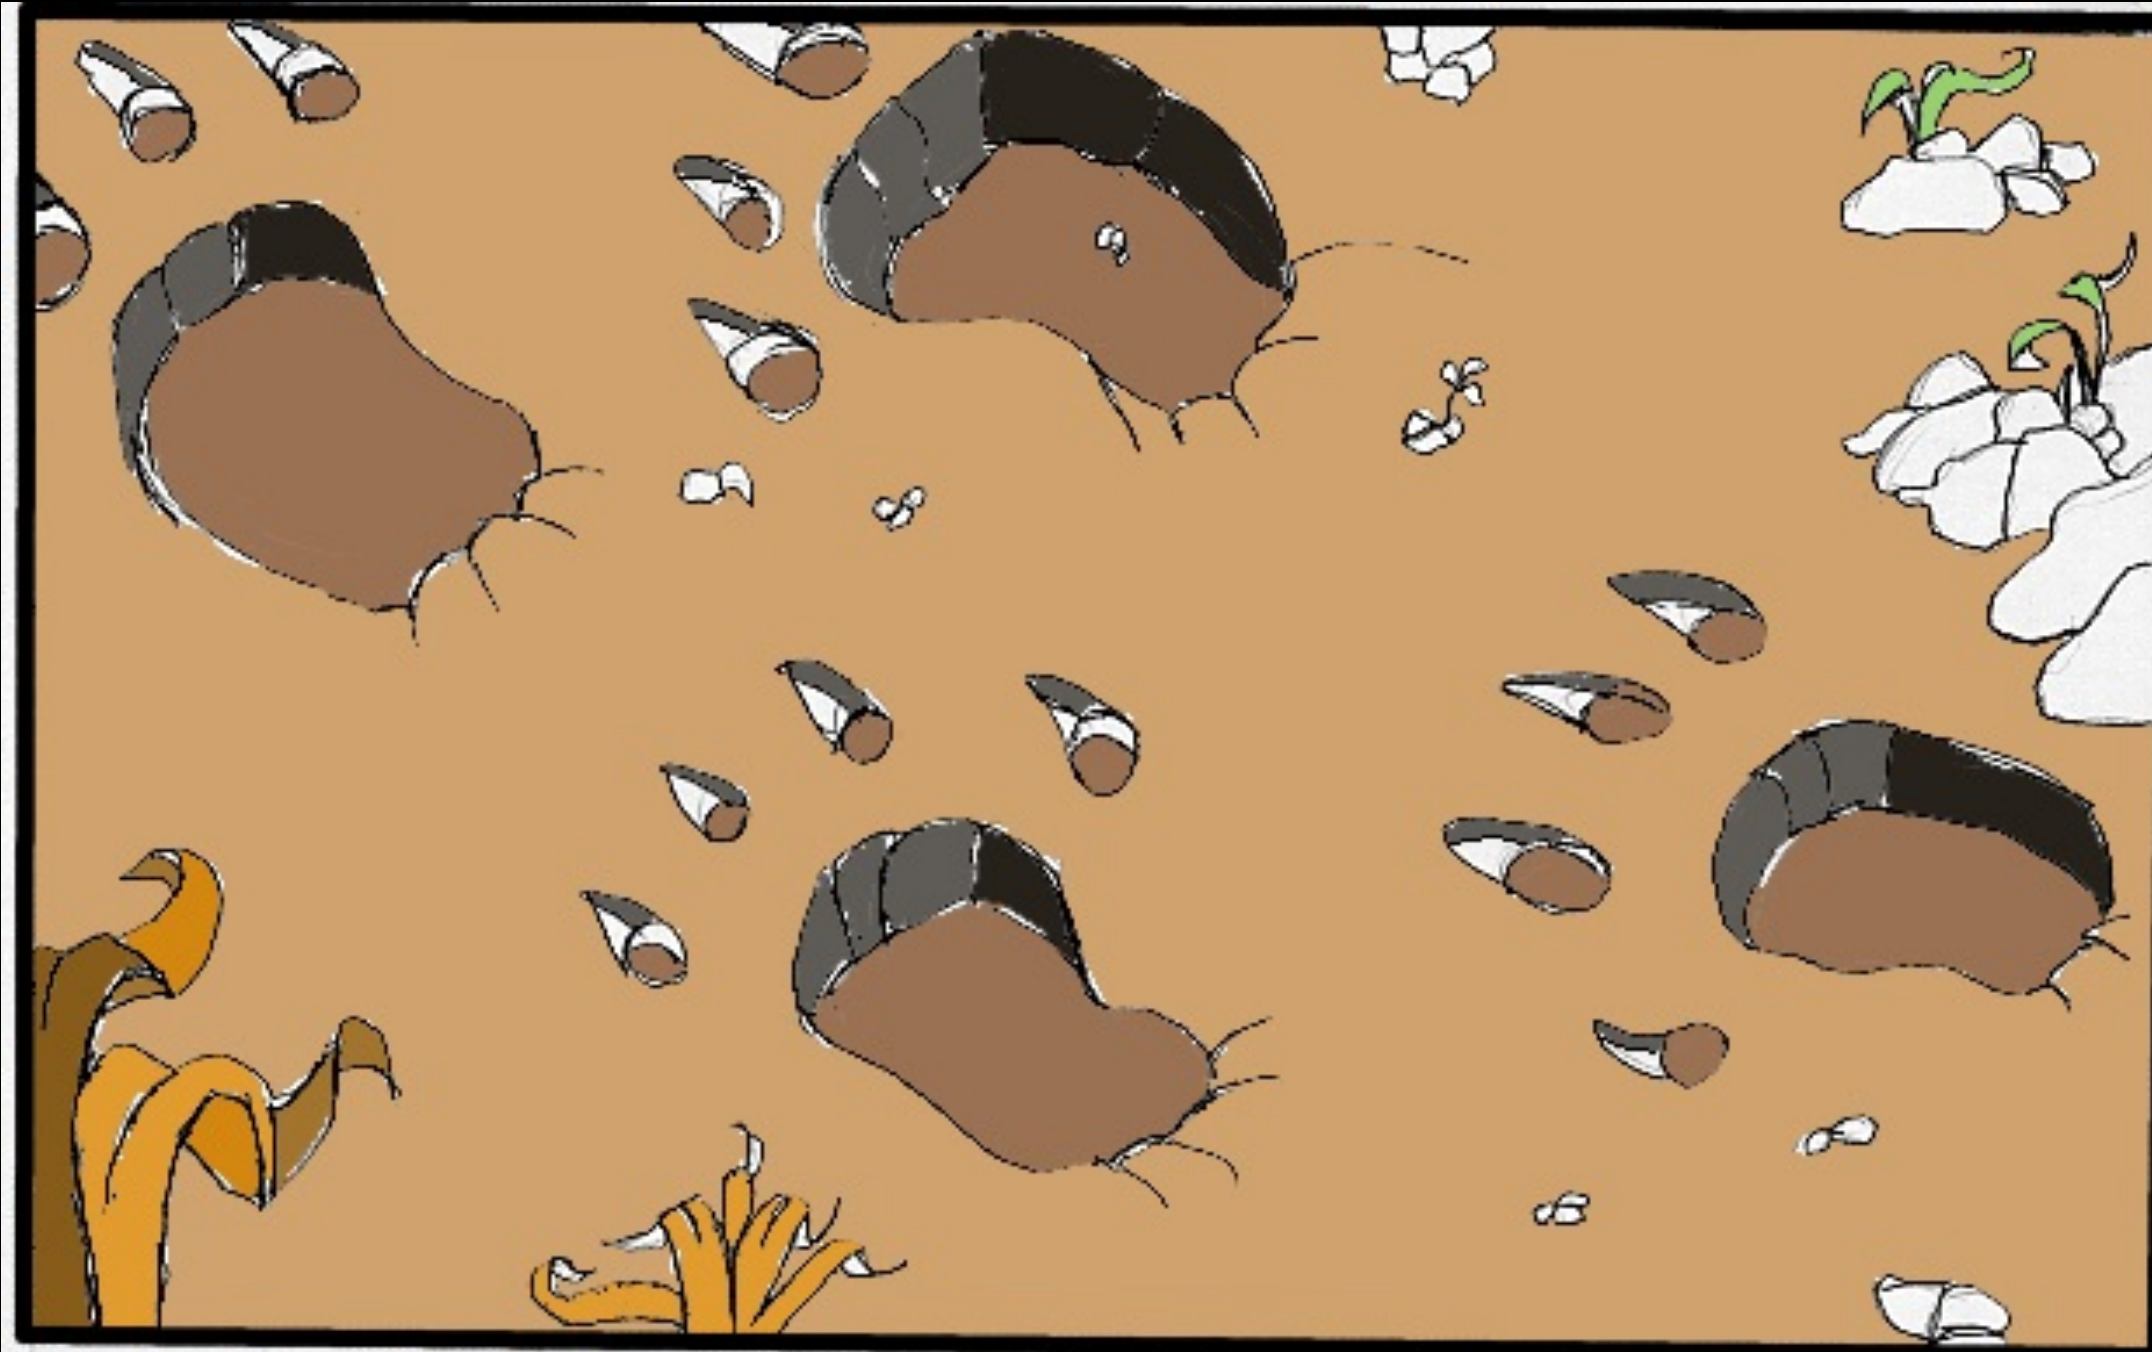

I say we  
pack up  
and...

Well... Well...  
Well... What  
have we  
here?

On the count  
of three...  
**ONE.**

**TWO...**

**THREE !!!**

Any last request  
before we punch  
your lights out.  
Oh... What's that?  
You want a knuckle  
sandwich. O.K...  
open wide.

Yeah... just  
imagine my  
fist is a pink  
marshmallow.

We have  
company.

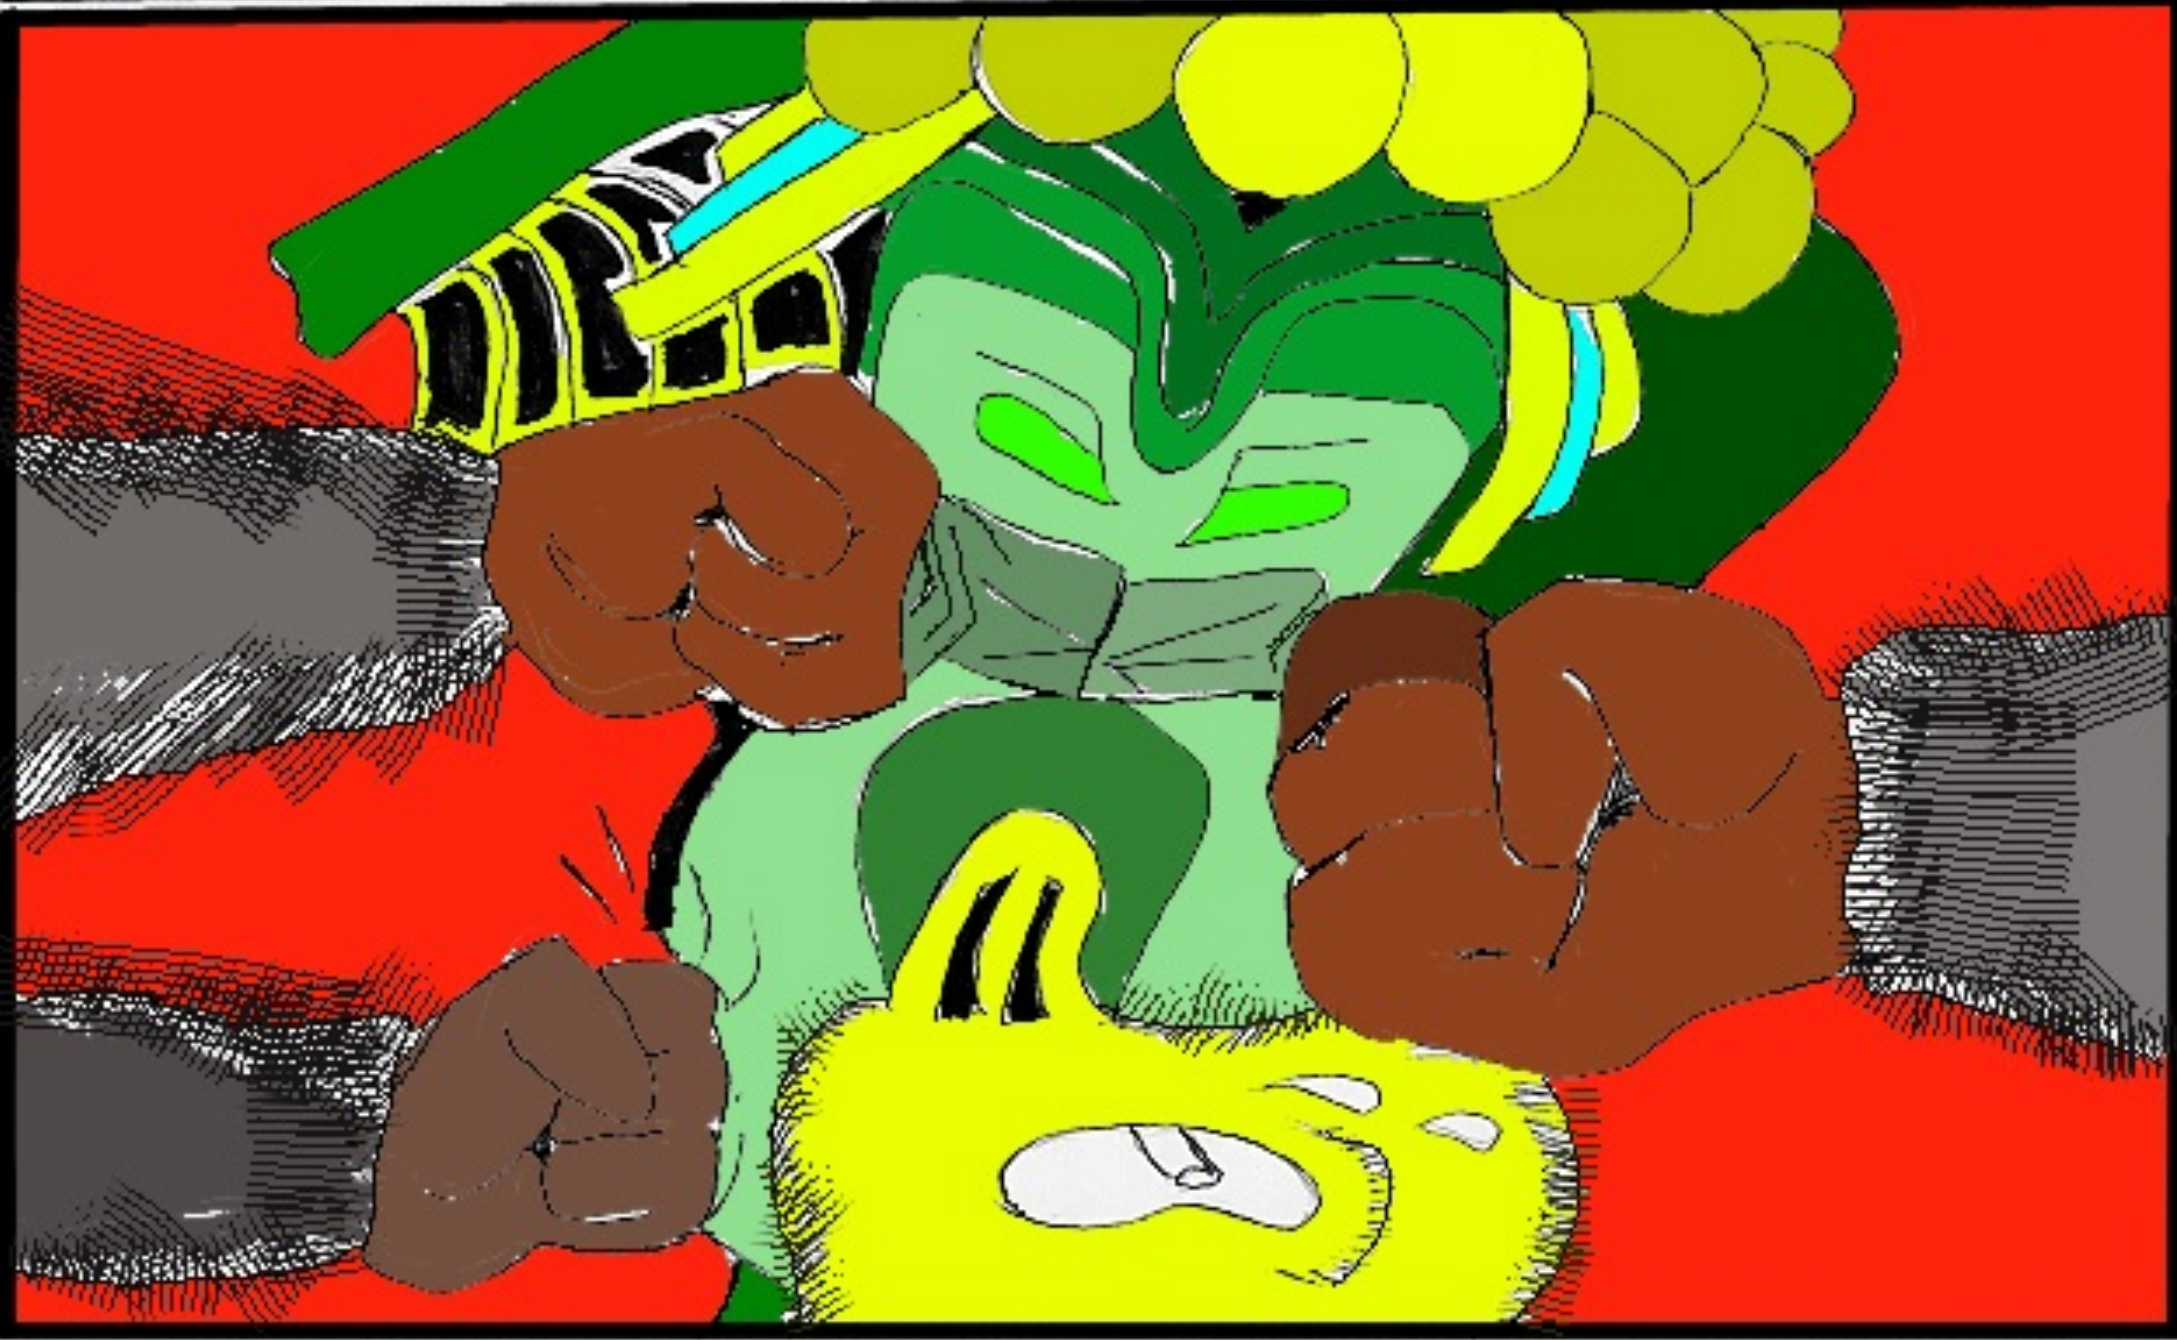

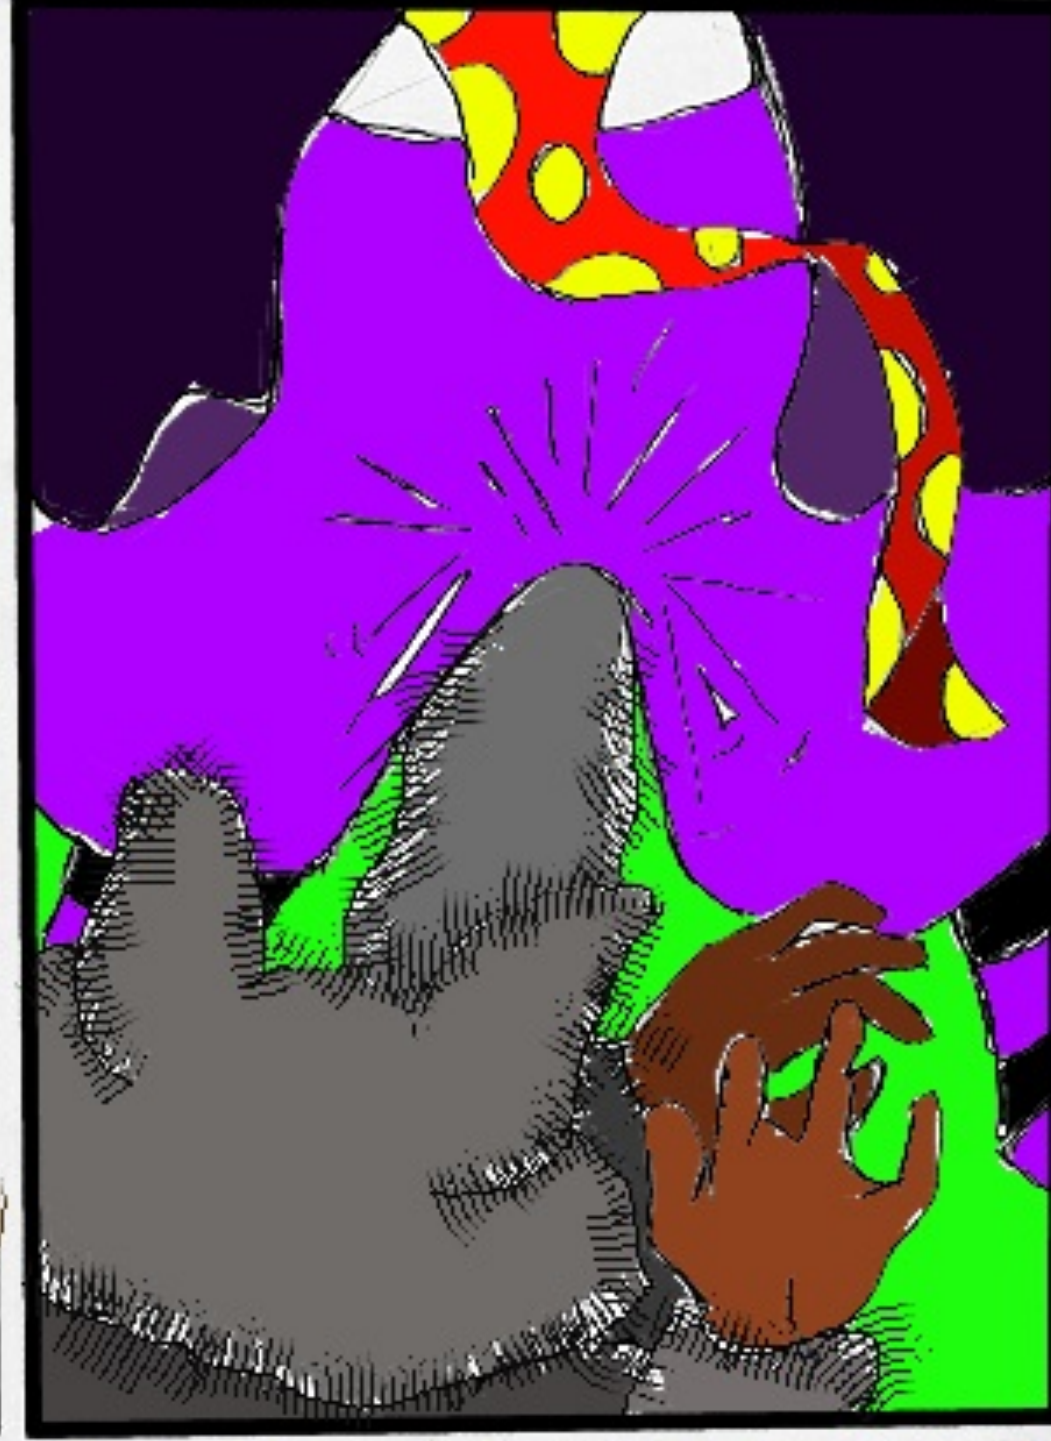

It's a good  
thing we  
watched a lot  
of Karate &  
Kung Fu  
movies.

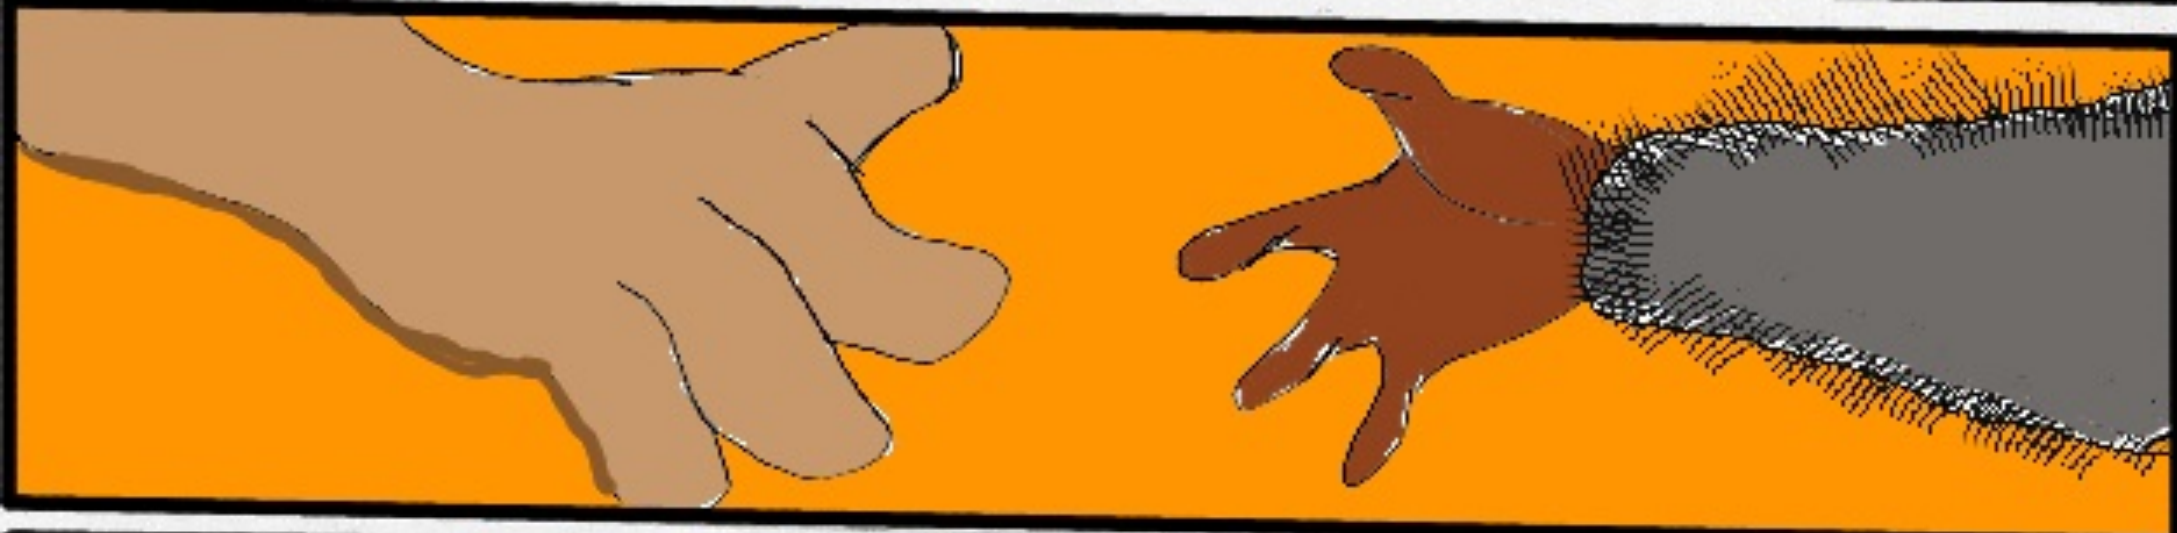

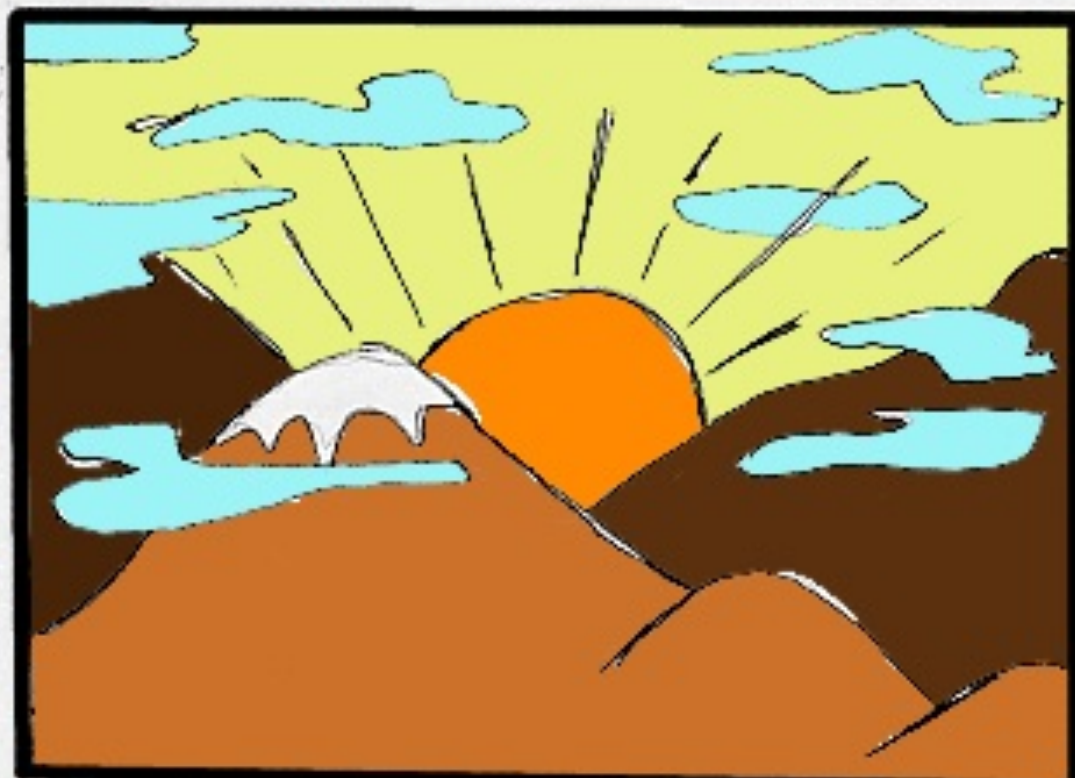

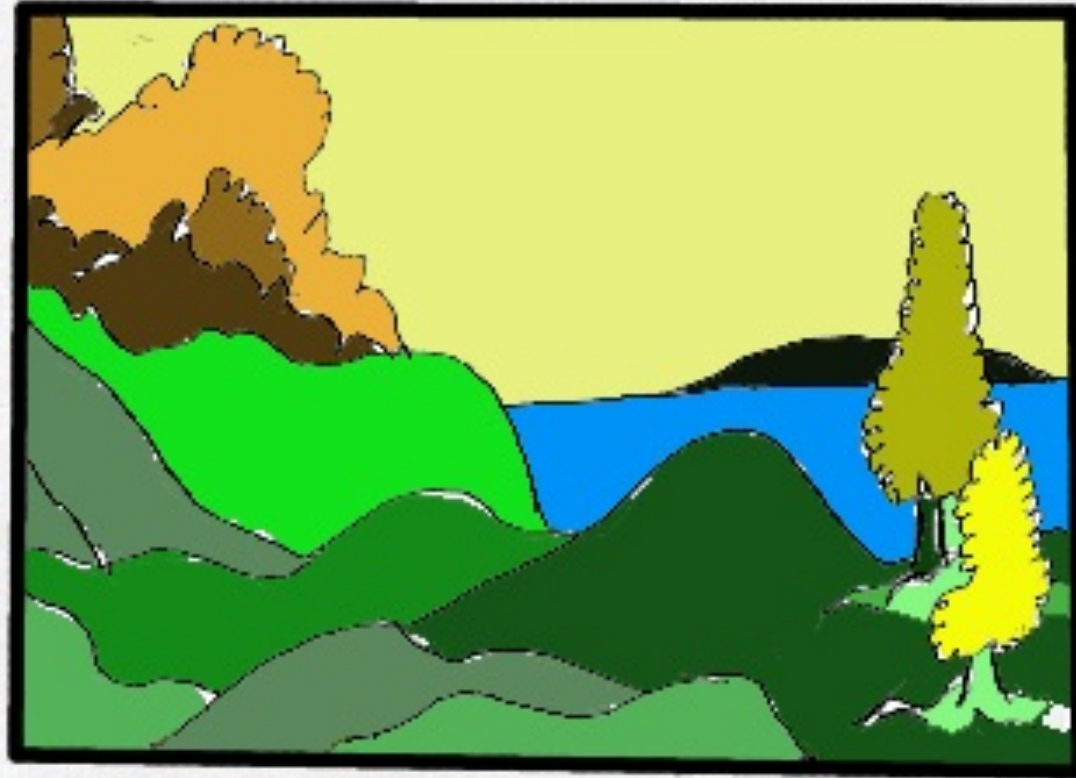

ONE  
HOUR  
LATER...

It's so cute! Too  
bad we can't  
take you home  
with us.

Take care,  
sorry for  
kicking you  
down there.

You see fellas,  
everything  
worked out just  
fine. In the end,  
we made new  
friends and.....

THE END
