

Swish of the Blades®

The Tales of Taimaxxx®

THE
PROPHECY

Ahh... we have been waiting your arrival for many moons. My master has been seeking to deliver a grave message. He had seen in a mystic dream and...

Show me who be this master of yours, who calls upon us.

**Do not waste
our time with
religious
chants or
burnings of
candles. For
you will come
to know the
steel of my
blade !!!**

**Behold, he
stand
before
your
presence.**

**Do thou
cometh here
without your
ruler to whom
this message
is for ?**

Wait no more
Wizard. Our
gathering
should cause I
to wonder what
the meaning of
this.

**My aim to bestow
a enlightenment
of blessings upon
you and your
mighty army of
soldiers. Wait
outside my
servant.**

**Outside, I
will be
awaiting
your request.**

**Make it
quick,
Wizard. I
warn you or
you will not
see
tomorrow's
sunrise.**

**Patience,
patience my
chief of arms.
I sense this
Wizard is
about to
reveal a
unseen
mystery.**

**Behold the image
of your destiny.
The one whom
shall bring your
kingdom to its
knees. At the sign
of a bright full
moonlight sky.**

Since her youth, this woman has been the caretaker of a statue that destroy evil men that comes within its presence. It's a strange legend that wizards have mentioned in their written strolls.

Caretakers,
statues, legends,
all has fallen at our
fists. Ye do not
know to whom ye
stand before,
Wizard !!! Fear
does not dwell nor
run through our
blood line.

I've warned my Master many moons ago that this gathering should not be. These mysteries should be not revealed to those men of war.

Before you depart from my temple. I ask of you a small tribute. I've also foreseen that you are of great wealth from conquering other lands and nation. A small tribute please...

I see...

**I sense
trouble is
about to....**

Give this Wizard the small amount that is due to him, for informing our nation of this prophecy.

My pleasure...

**I must make
haste and warn
this woman to
whom is
innocent of the
prophecy.**

**No !!! No !!!... I
can't believe that
you would do this
to me, after
sharing the dark
secrets with you !!!**

The Dark
Secrets
should
have
warned him
about his
own fate.

NO !!!
NO !!!
NO !!!.....

So you explain that I'm in grave danger. Who would want to harm me. I'm just a caretaker of an Idol. That's all I've known to do since I started to crawl. I've always wanted to wield a sword but was never granted. So to whom would want to shed my blood ?

An army of men from the Northeast found out the fall of their Empire. You're that one that shall bring them to their knees at the sign of the Full Moon.

That's enough. I think you got the wrong person. I'm just a caretaker whom has to attend to my chores now.

**Be careful young
one. May your god
be with you. Be
aware of your
surroundings and
ride swiftly.**

**For there is
darkness
on the
horizon.**

**Return I will.
I shall watch
for any
strange
happenings.**

**I hope and pray
that she will be
protected. I feel
a presence of a
Guardian all
around her.**

**As the Light
opposes the
Darkness,
Darkness has
its hour to be
revealed.**

**SHHH.....
surround this
one. For this
one is mine.**

**I feel that
I'm not
alone.**

**It's too
silent. Too
silent. I'm
being
watched.**

**Huh! In the
tree, a
Northeast
Soldiers.**

Got to flee!!! Keep it moving!!! If they find out that I too know the secret location and whereabouts of the woman caretaker, it could mean our lives.

From the
treetops.....

... to the
forest
floor.

**They stalk their
prey, like a pack
of hungry
wolves!!!**

**Going
somewhere?
Servant of the
decease
Wizard!!!**

**What?
What?
Have you
done.....**

**I will ask the
questions
only? You
will take my
orders!!!**

**Now take me
to that
woman that
fled on
horseback!**

About a days journey away
from her destination...

There are
moving images
in the distant
area amongst
the trees.

The Dark Riders
of the Northeast
men....

**These riders
look more
like...**

Then suddenly...

**Northeast
men
riders !!!!**

Into the ruined castle. It was once one of the wealthiest kingdom in the land, now it's one of the poorest.

**It is a realm, a
place for travelers.
For those to take
cover, in need of
shelter and refuge.**

Stop here!!!

**Her heart
races as
she sits in
silence.**

**She has no
choice but to
keep moving.**

**Someone is
around the
corner.**

**That was
too
close!!!**

**The
horsemen
are closing
in all around
me !!!**

**Huh,
someone
is behind
me.**

**OHHH
NO !!!**

Wait !!!
Wait !!!

A Dark Figure
lurks from the
top of a stone
wall.

**I'm just a
caretaker !**

Huh !!!

**Wha... What
happen ?!!**

**Go! Find
out what
made the
sound.**

Right !!!

For a second time, the Dark Figure emerges from the shadows.

**She is unaware
of the danger
at the bottom
of the stairs.**

**She is like a
fish out of
water.**

Huh !!!

**The Dark
Figure emerges
for a final time
from the
shadows.**

To end and play
a part, in the
collapse of the
northeast men
ruthless
rampage
through out the
vast land.

**Could it be ? I've
heard of a bronze
one that strikes
like lightning and
comes to save
the swordless.**

At the door
of the
sealed
entrance.

This is the place where I care for an ancient statue. Since I was a Child, I've always stayed here. Some say that I've never had a life to explore.

**Come, let me show
you more. It's the
least I can do.
Since you'd saved
my life from those
sword carriers.**

That was always one of my prayers. To be able to use a sword. To become skillful in the gift of the sword. I've never had the chance to do so. Come, we're not to far away.

On the other side....

For the final sayings that comes from my tongue. I won't say this never more !!!

**Open
the
stone
wall,
now !!!**

**Yes!
Yes! At
Once!!!**

**It was written
on a scroll
many ages
ago. That if evil
is in mist, evil
should die in
the mist.**

It is also written in the scrolls that there is a power inside. Once unleashed, evil has to bow before its presence.

**It has been so
long that I've
been here. I
yearn for
adventures
and...**

**Yearn no more!
For you are
needed for a
final time in this
season of
prophecy.**

**For my
power will
be your
power!**

Trust in me.

**Bring the
woman back
here without
scars.**

**Are you
alright, My
Lady!**

MMMMmmmm.....

Are you alright?

**Many
footsteps!!!...
Are upon me!!!**

The Clash of Blades!!!

**Like the
sparks of
suns on
impact!!!**

**As the
fury burns
within.**

**Take him out!!!
Attack him!!!**

**Mercy! Mercy!
I beg of you!**

**In the past,
you gave no
mercy on the
lands
destroyed by
your own
warlord!!!**

**Here is
your
mercy!!!**

**AAAHHH!!!!
TAKE THIS!!!!**

**There was
someone
else that
was with
her and...**

**Enough!
Hunt we
have!
Found we
have!
RIDE !!!**

And
there
was
silence...

**There was
silence as
victory
proclaimed a
new song. As the
wicked fell by
the way side.**

**There was
silence...**

There was silence as death proclaimed a sad song. As the weak hang by the reflection of the moon night.

**Inside the Ivory
Halls of the
northeast men.**

There has been many prisoners that walk through these Ivory Halls, but never to see the light of day again.

I bow to thee o great one! For you are our divine ruler ! You have lead us through many battles and not once have you failed.

**Is this the one
that was
mentioned to
us. The one that
shall bring down
my empire.**

**Yes Sire,
this is the
one.**

Young lady you
have made me
wonder about the
power that is mine.
I have destroyed
many lands with the
command of my
tongue. Tell me,
What do you have
that I should fear.

I will loosen
your ropes, if
that should
please you.

Master, let's
just kill her
at once. For
there are
more lands
to conquer.
She is a
waste of
time.

Your hands are loosened. Now who are you? I want to know what type of plan you have to destroy me.

Not my plan, but her plan.

**Behold ! She
stand
behind you
in your very
own
presence!**

**NO! NO! It
can't be!
You!!!**

**Your end is
come! There
shall be no more
of your wicked
wrath upon this
land! You
belong to me
now! Face your
punishment !!!**

You should have obeyed the prophecy that was revealed to you all !!! Now, Taste the power of my wrath !!!

**NO! NO!...
Mercy!!!...
Mercy!!!... Merc...**

**Then there
was no
more !!!**

Thank you, my servant. For having the belief in what was written. You are granted the power of being a skillful warrior.

For every warrior
needs a sword. This
will be your sword. A
gift I leave unto thee.
Farewell my servant.
Thank you for you're
devoted years.
Farewell !!! Farewell !!!

I've seen bright lights from a far off. This is how I found you.

**If you're wondering
if I'm alright. I'm
more than alright.
I'm granted the
ability, I've always
dreamt of. To be a
skilled fighting
warrior.**

This is my sword. That was granted to me by the statue, I've once took care of. She destroyed the northeast men army with the gleams of lights.

**For its
over for
them.**

**It has
just
begun
for you!**

**Raise your
sword! For
your
adventures
have just
begun!**

**Yes! It has
truly just
begun!**

THE END
