EGG  
YOE  
OF THE  
DRAGON

CREATED SINCE 2001 ©

It's morning time. Our two heroes are in need. In need of a breakfast treat. There is no cereal on the shelf. Breakfast is the most important meal of the day, so they say. What is a person to do when there is no food around? We shall see. Our story begins...

Keep your shirt on  
homie. There's got  
to be some grub  
around here  
somewhere. I think  
there's some  
uncooked oatmeal,  
in this jar.

Ahhh... man,  
not even a  
crumb. I  
should have  
gone food  
shopping.

My stomach  
is angry at  
me, its  
growling!!!  
I'm hungry  
dude!!!

Wait a micro minute!  
My cousin has skills  
in searching for a  
meal. She can find a  
raisin in a bag of  
roaches. At this very  
moment, she  
searching for some  
food !

About 30  
micro  
minutes later,  
our heroes  
detect  
movement in  
the temple  
hills.

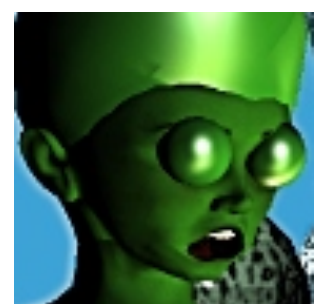

YO! YO! Can  
you see her  
from the  
treetops! Give  
a shout, so she  
can notice us !

Think I see  
her...YAY!!! I  
can see her  
near the  
Temple Hills.

She's standing not too far from us. About a 100 yards northwest of the stone steps. Hey, I heard that place has a abundance

of food.

**Good! Come  
down from the  
tree before you  
break your  
neck.**

Do you think she'll hook us up with a meal at this moment in time. You owe her some favors from the past. She has a good memory you know.

You owe her some favors too! See, I have a good memory also! Ahh... don't worry. Let me do all the talking.

About 5  
micro  
minutes  
later at the  
stone  
temple  
stairway...

Let me figure this out. You expect for me to help you two starving Marvins in getting a happy meal or something. You be illing, are you Crazy? Both of you owe me many favors. Besides, where I'm headed, You will be having nightmares at bedtime. You might even need a diaper, cause you will be wetting the bed.

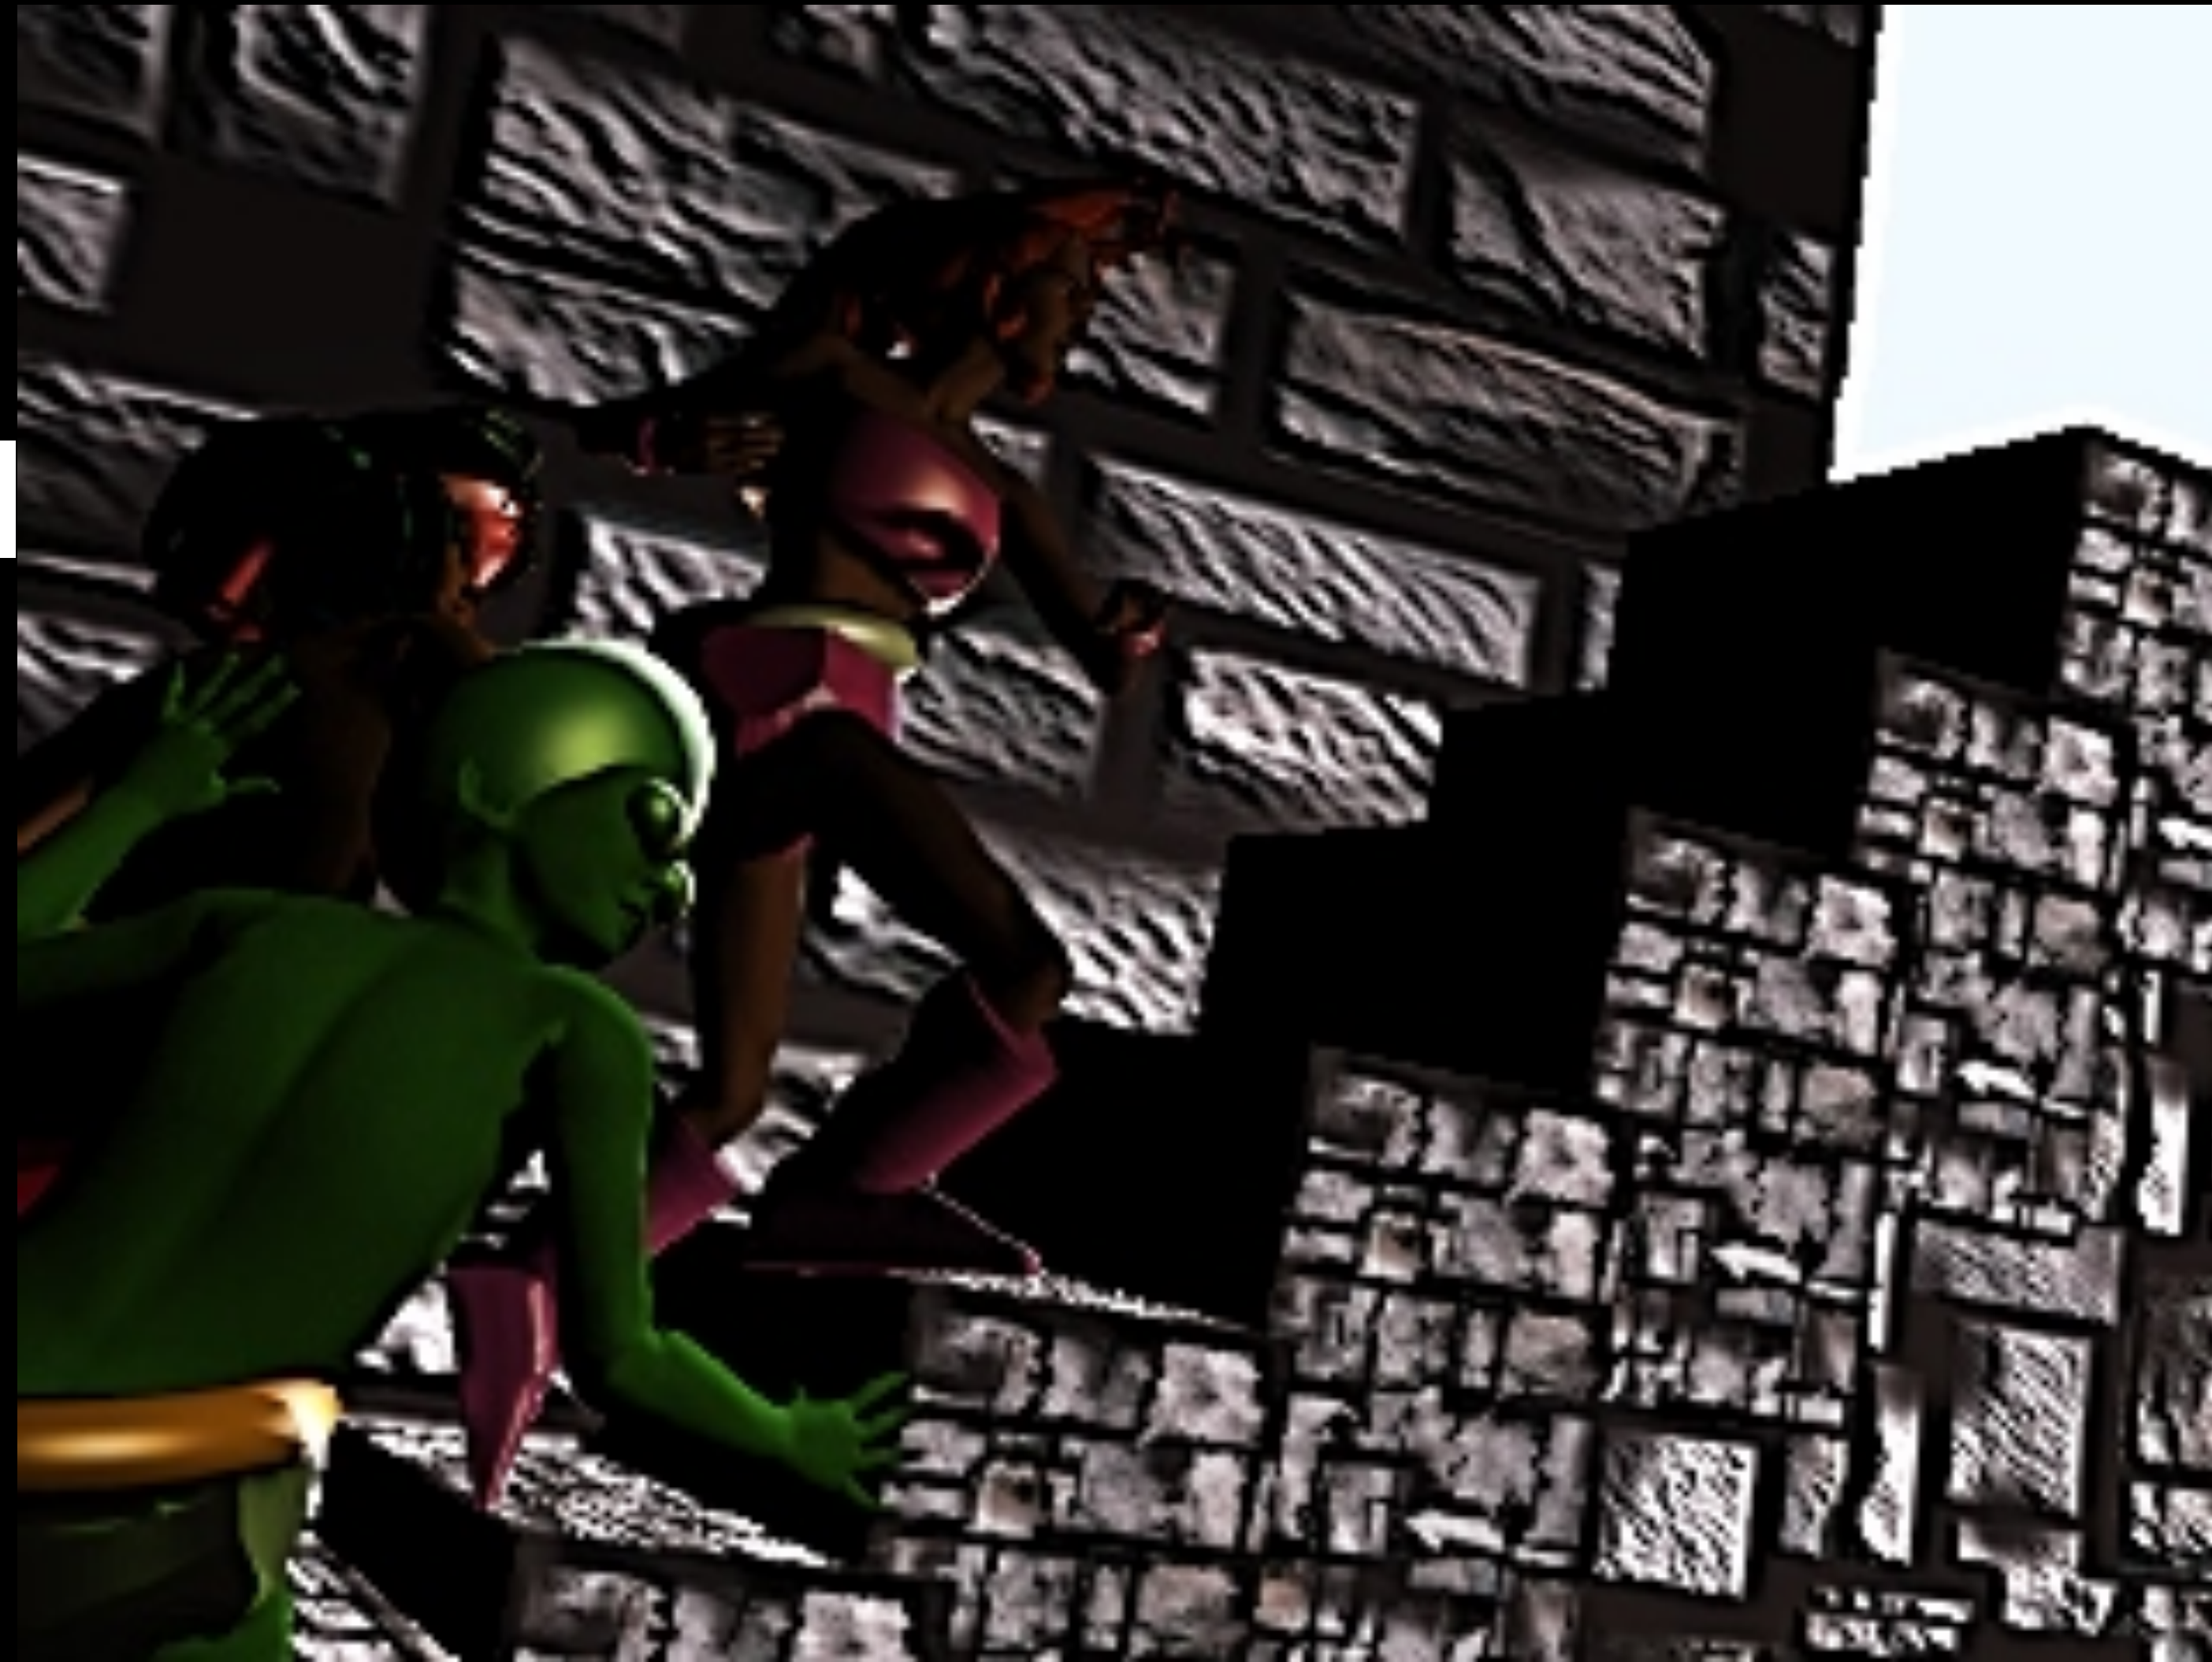

Or... are  
you afraid  
of the  
boogeyman  
... like a  
dragon.

Did you  
say.....  
dragon?

Don't let her  
scare you  
like that.  
She's just  
want to keep  
all the food  
from us.

O.K., It's  
your  
funeral  
boys.  
Don't say  
I didn't tell  
you. So.

Did she  
say a.....  
Dragon?

Don't  
worry pal,  
I've got  
your  
back.

**By the  
way,  
What are  
we  
looking  
for?**

**We are in search  
for a dragon's  
egg. It's one of  
the best meals to  
ever taste in you  
whole lifetime.  
The warriors of  
the past ate  
dragon's eggs as  
a source of  
courage. You  
would want the  
nutrients to flow  
through your  
body.**

**Shhh. Be quiet!  
We are about to  
enter its  
dominion. We  
have to walk  
quietly in this  
area.**

Stinks down  
here. Maybe  
this the  
bathroom  
area for the  
dragon to  
drop a load.

You have to put up with the odor. It's going to get worser than this as we get closer to the den.

Besides, just  
think about  
sinking your  
teeth into that  
delicious meal  
once we get an  
egg.

What... what  
is that? Are  
we about to  
go into  
there?

I'm not  
going in  
there.  
You're  
**CRAZY!!!**

You guys are a bunch of cry babies. Did you leave your baby bottles at home. Did you bring any clean diapers. I guess it's time to change into a dry one.

Hurry up,  
she's  
walking  
too fast !!!

Don't  
push me  
man.

**It's hot in  
this place.  
Feels like a  
oven!**

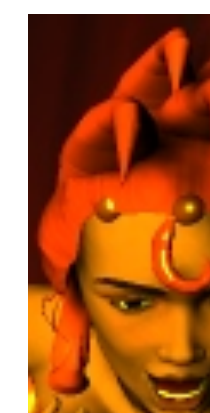

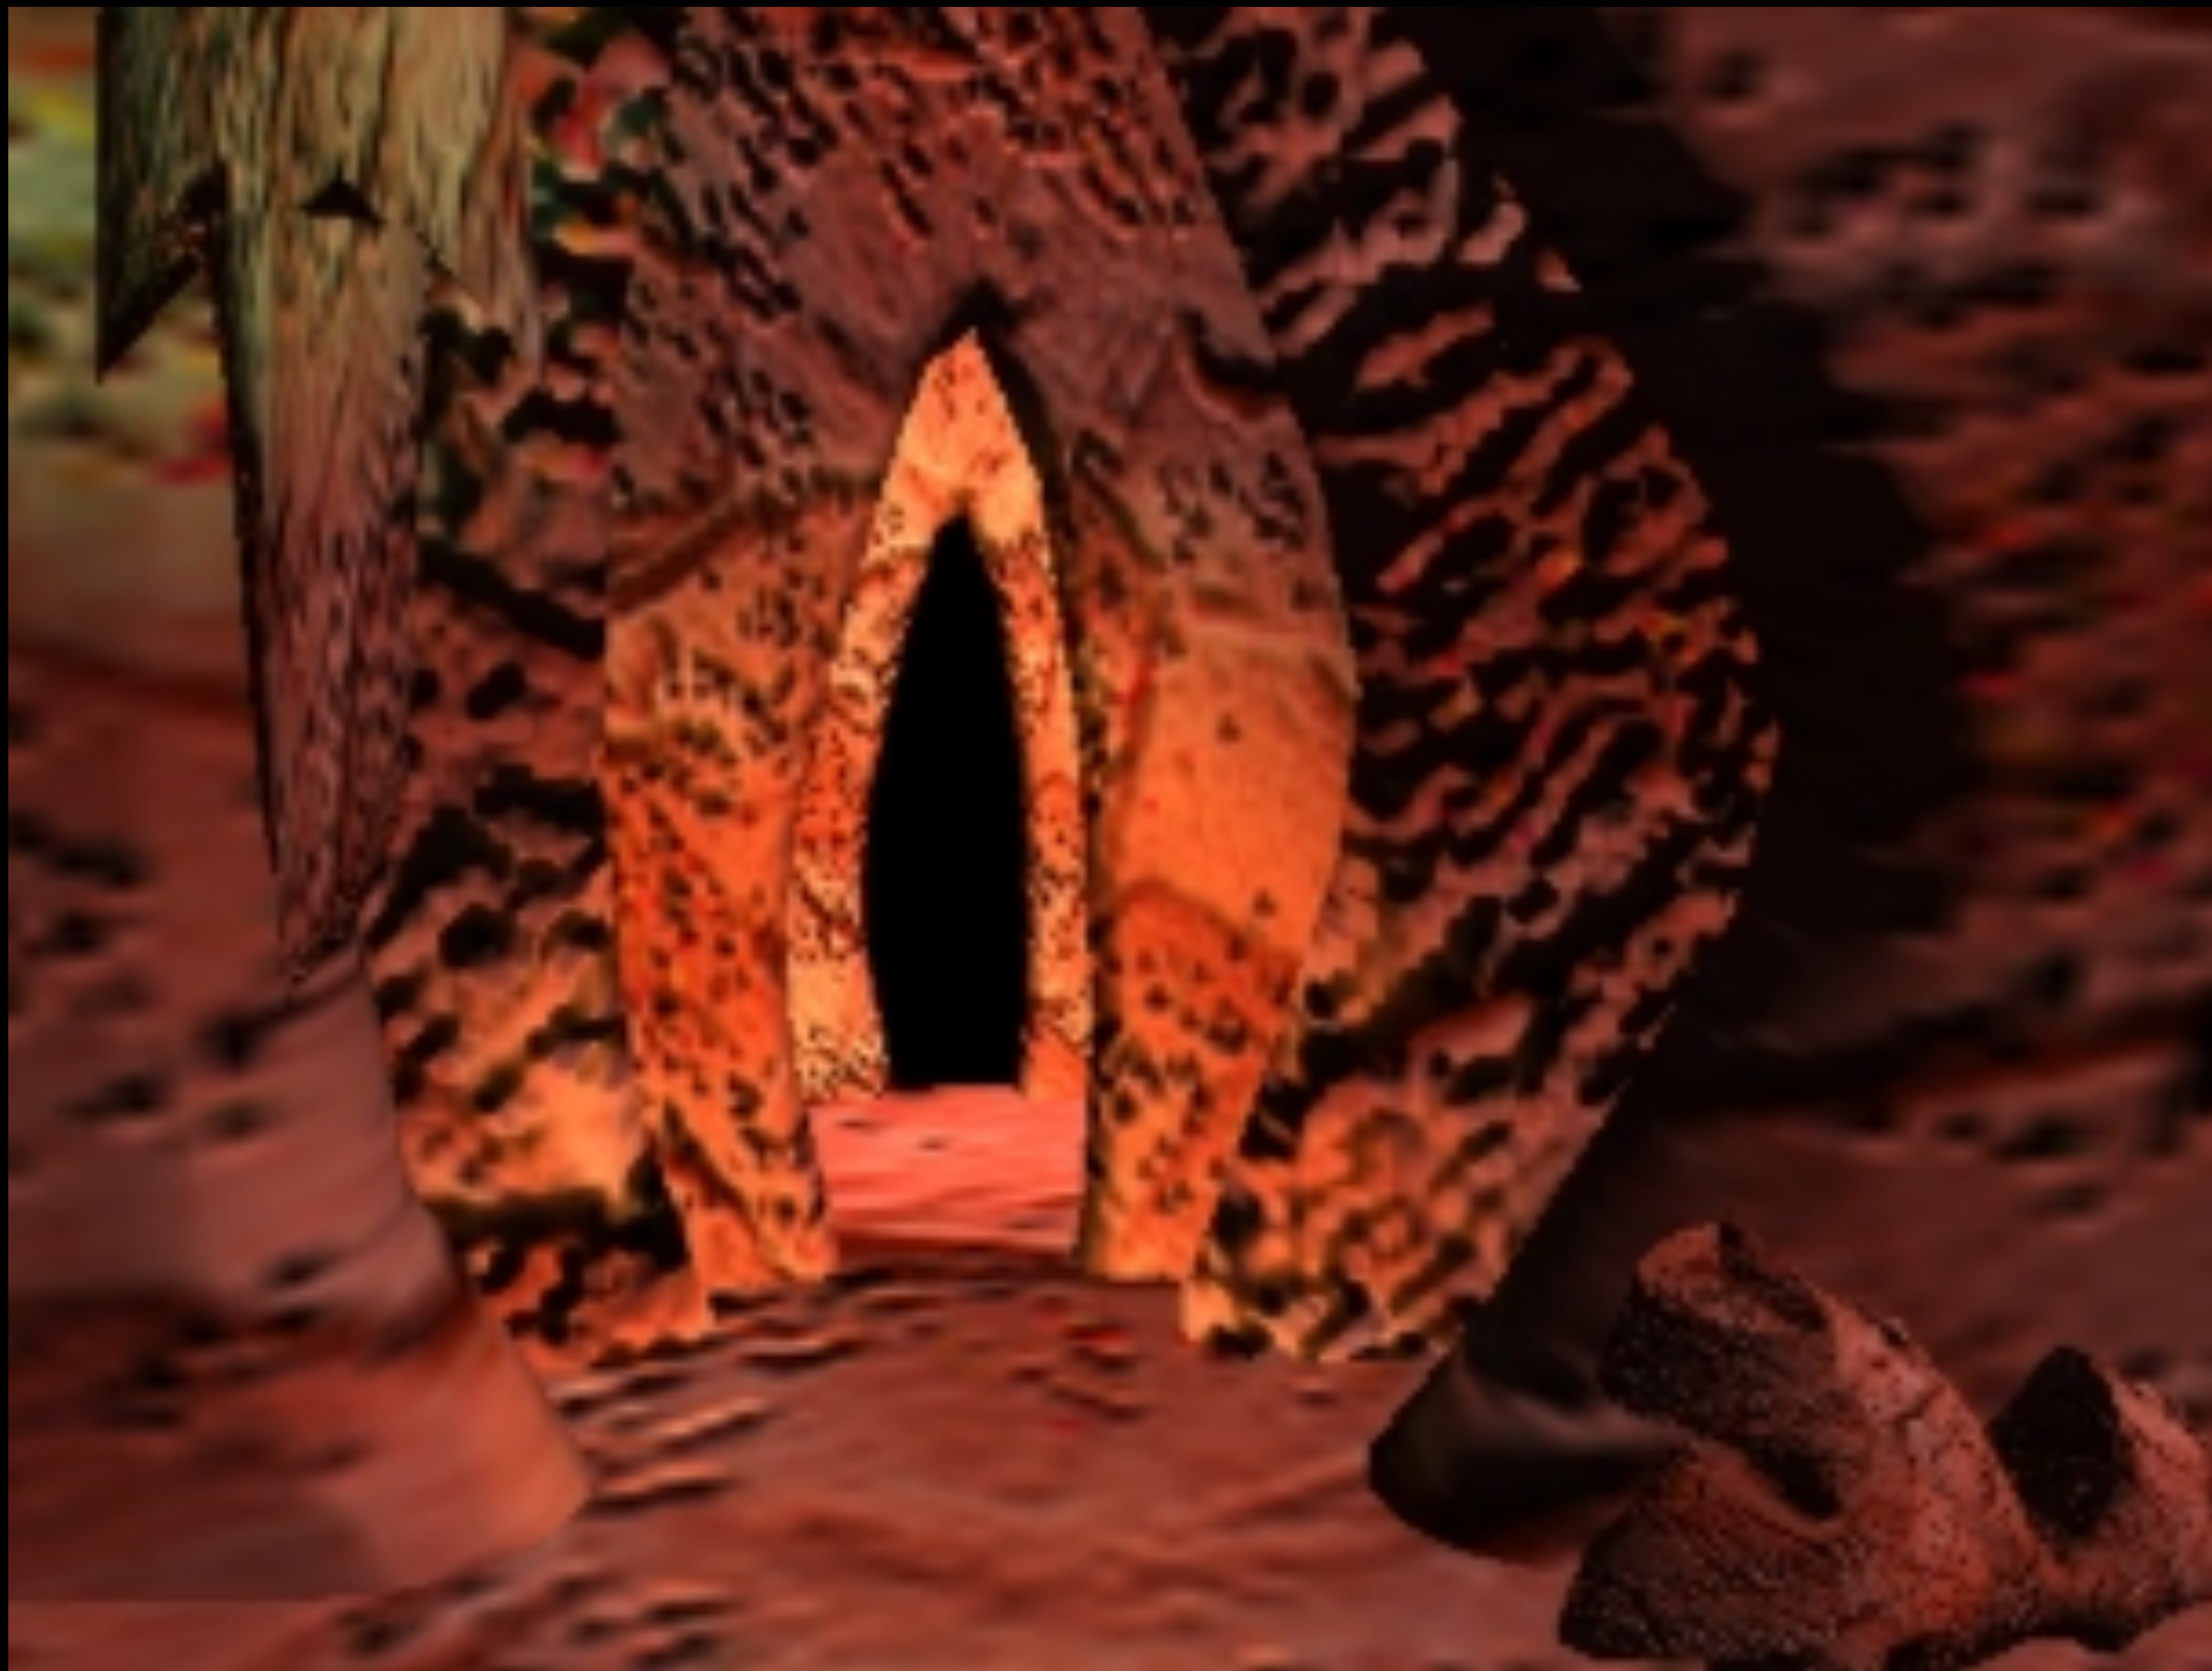

The eggs have  
to stay warm  
so they can be  
incubated. So  
the dragons  
don't have to  
be here all the  
time.

**These  
rocks are  
sharp like  
swords.**

**To keep  
people and  
scavengers  
out of the  
caves. Don't  
get a scratch  
on your finger.  
Dragons can  
smell blood a  
mile away.**

**Patience,  
patience,  
gentlemen. You  
need patience  
when hunting for  
these types of  
eggs.**

**Micro  
seconds  
later... at  
the end of  
the  
tunnel....**

**Enough of this!  
I've ran out of  
patience. Our  
stomachs are  
growling. Wait  
right here. If you  
see or hear  
something,  
Yell!!! Give a  
shout out!**

O.K. You think  
you're all that,  
but you're not. I  
hope the  
monster bites  
you on the butt.

Stop trying to  
scare us like  
that! Just keep a  
look out.  
Consider this  
one favor  
granted.

**15 Micro  
minutes later,  
there is a great  
concern on her  
part. She is  
worried for  
their safety.**

**Yo guys,  
where art  
thou?**

Man your  
cousin is  
getting on  
my last  
nerve.

Yeah I  
know, but  
she's a  
good  
person once  
you get to  
know her.

**HELP! HELP! THE  
MONSTER IS  
COMING! HELP!  
RUN, RUN FOR  
YOUR LIFE!!!**

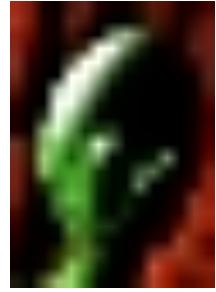

**BYE!**

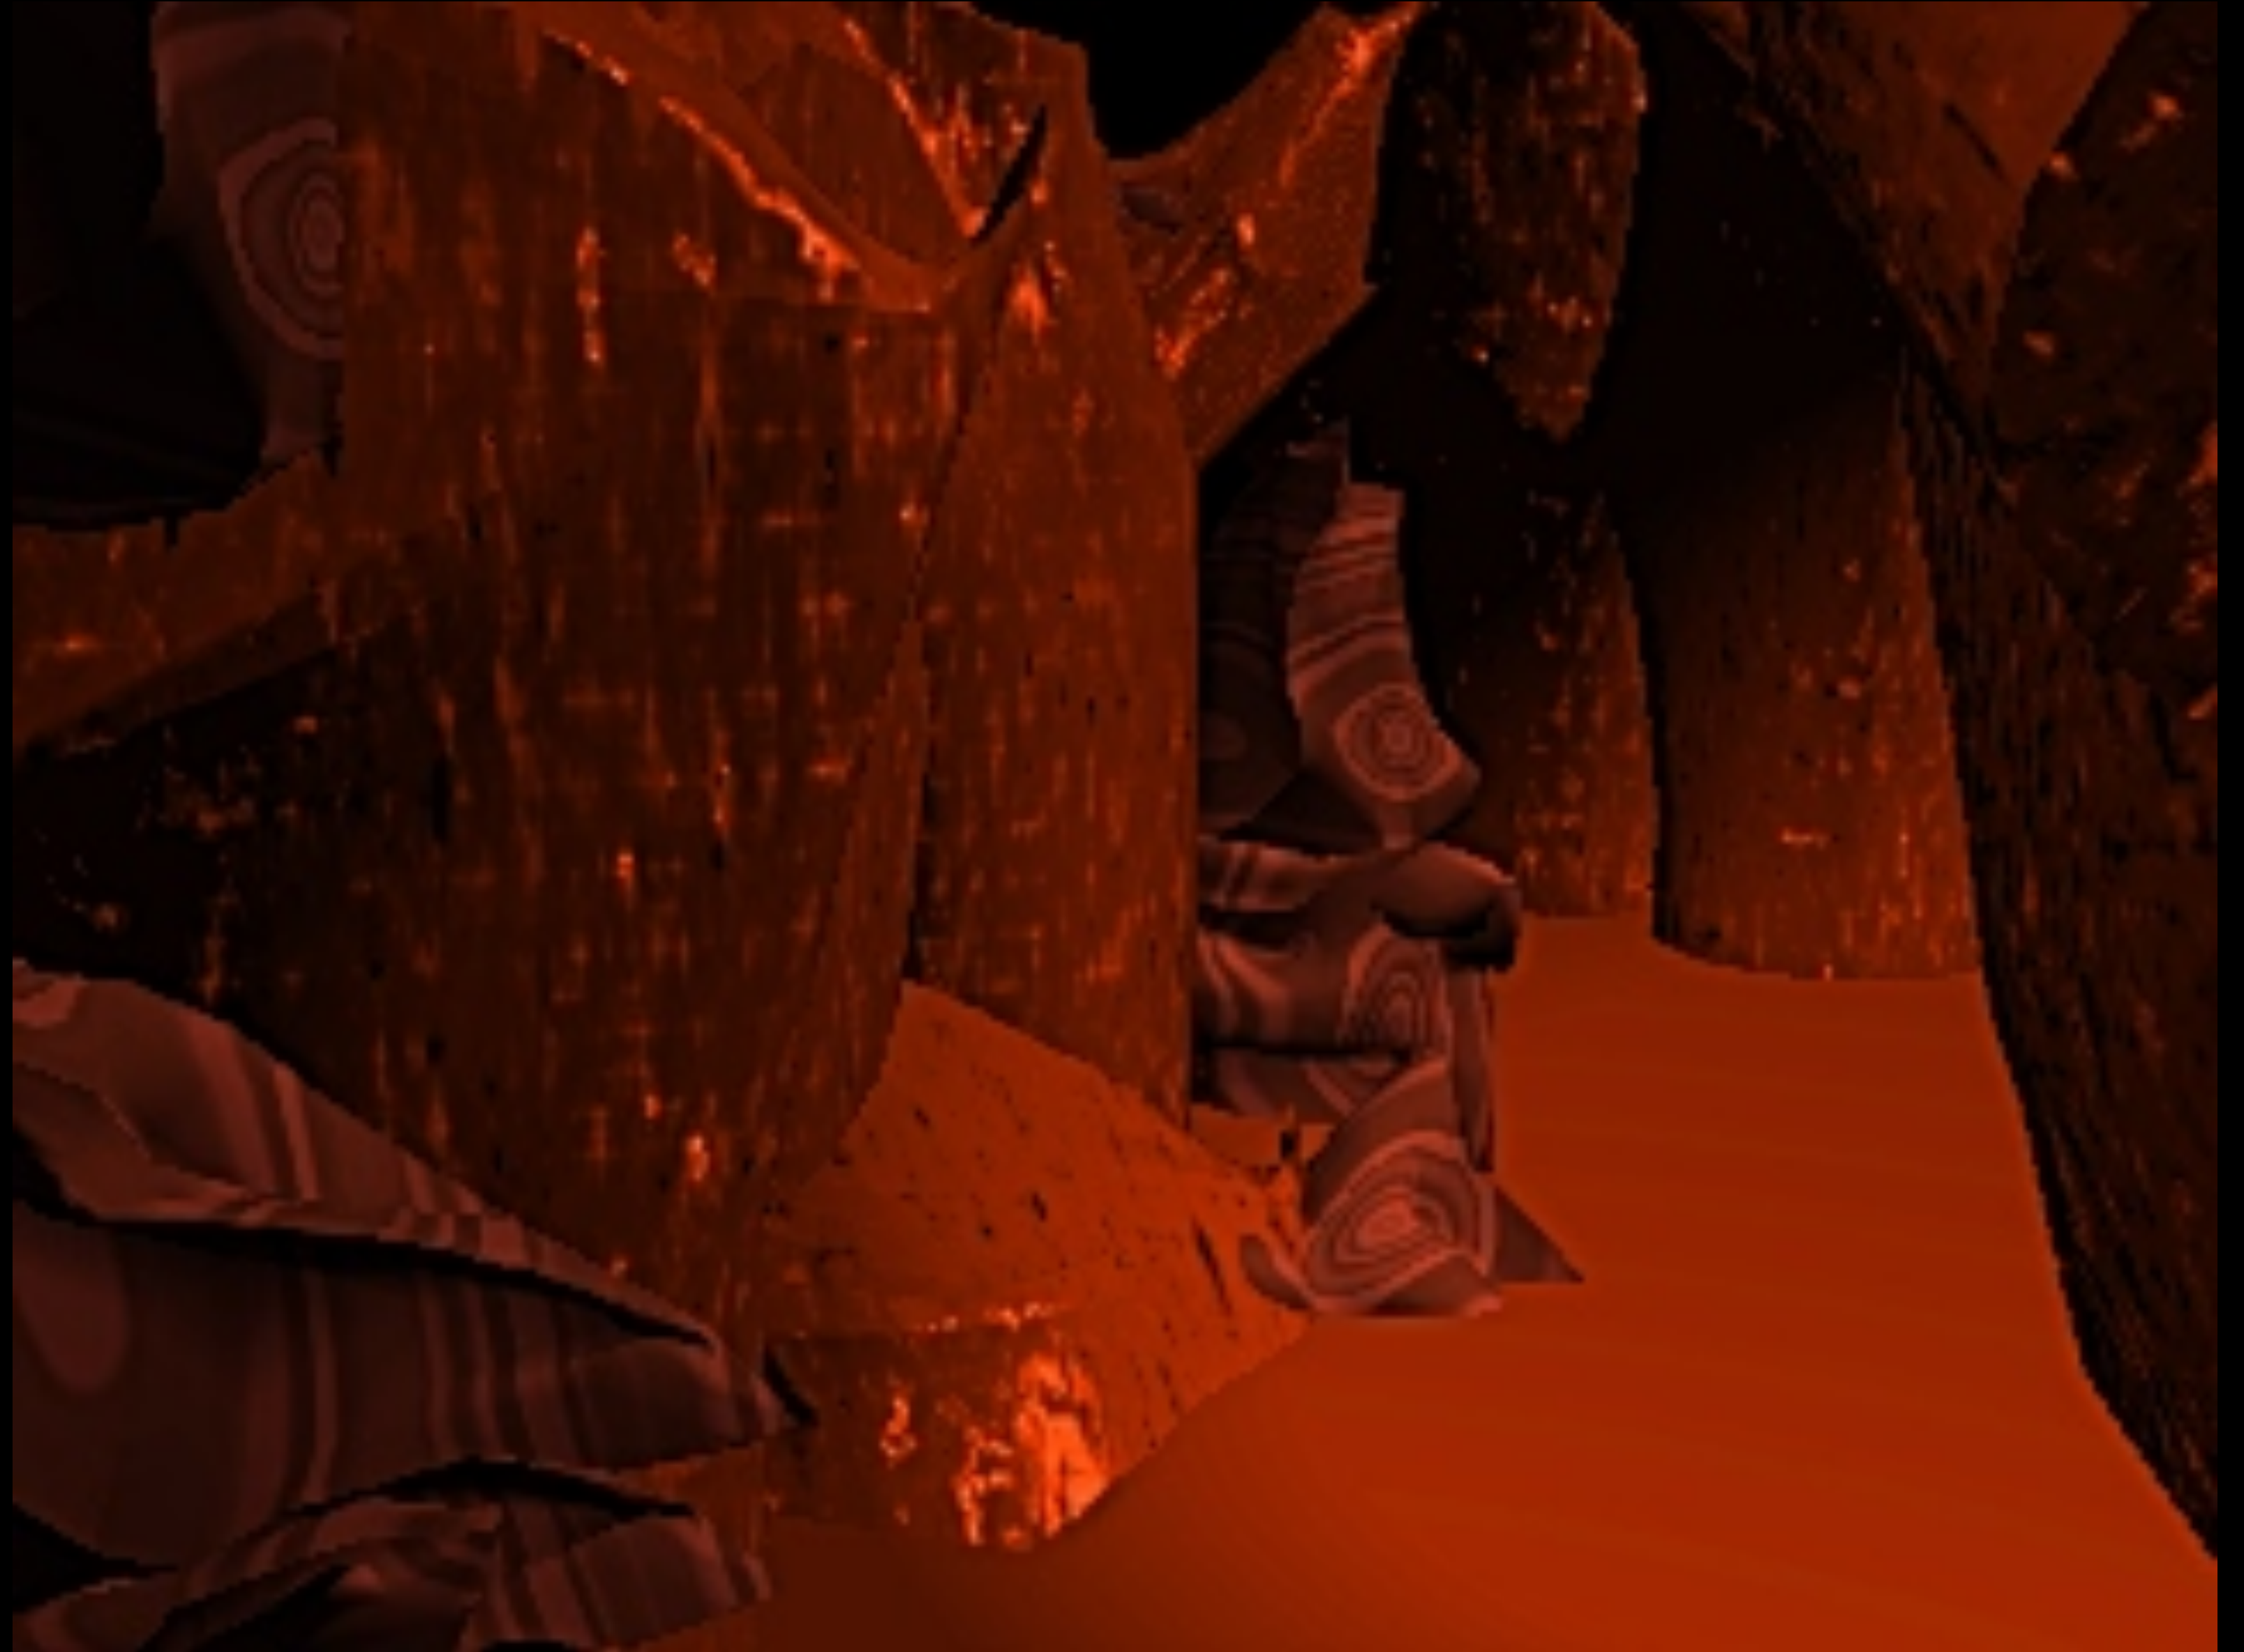

**Wait for  
me!!!**

**Move it!**

**Move it!**

**Move it!**

**This way!!! If you  
fall down, I'm not  
picking you up!  
I'll let the  
monster do that!**

Don't worry  
about me !!!

**I'm right  
behind  
you!!!**

Wha...  
what's  
going  
on...???

Where's  
the  
monster?

I was just  
kidding  
around with  
you. I was  
bored. I  
wanted to see  
how fast you  
could run  
under  
pressure.

**I don't believe this! I  
don't believe this! I  
bet she made the  
whole thing up!  
There is no monster  
or dragons!**

I got to tell  
her a thing  
or two about  
herself, May  
I ?

**Be my  
guest.**

**Thank  
You.**

Talk to the  
hand! Cause  
the ears ain't  
listening! You  
almost gave  
my seven  
hearts, a heart  
attack!!!

What's  
your  
problem  
boy ?!

**TALK TO  
THE  
HAND!  
TALK TO  
THE  
HAND!**

**Oh no you  
didn't! Oh no  
you didn't!  
You'd better  
get your hand  
out of my  
face kid,  
before I....**

**AAHHHHHH**

**.....!!!!**

**BREAK IT  
UP!  
BREAK IT  
UP!**

**LOOK!  
LOW AND  
BEHOLD!!!**

Can you  
hear  
anything?  
Is there  
anything in  
it?

No, I  
can't hear  
anything.

Hurry up you  
guys. I can  
hear  
something  
coming.

**Pick it up  
and let's  
get out of  
here!**

# ENTER THE DRAGON

It notice  
that a egg  
is gone.

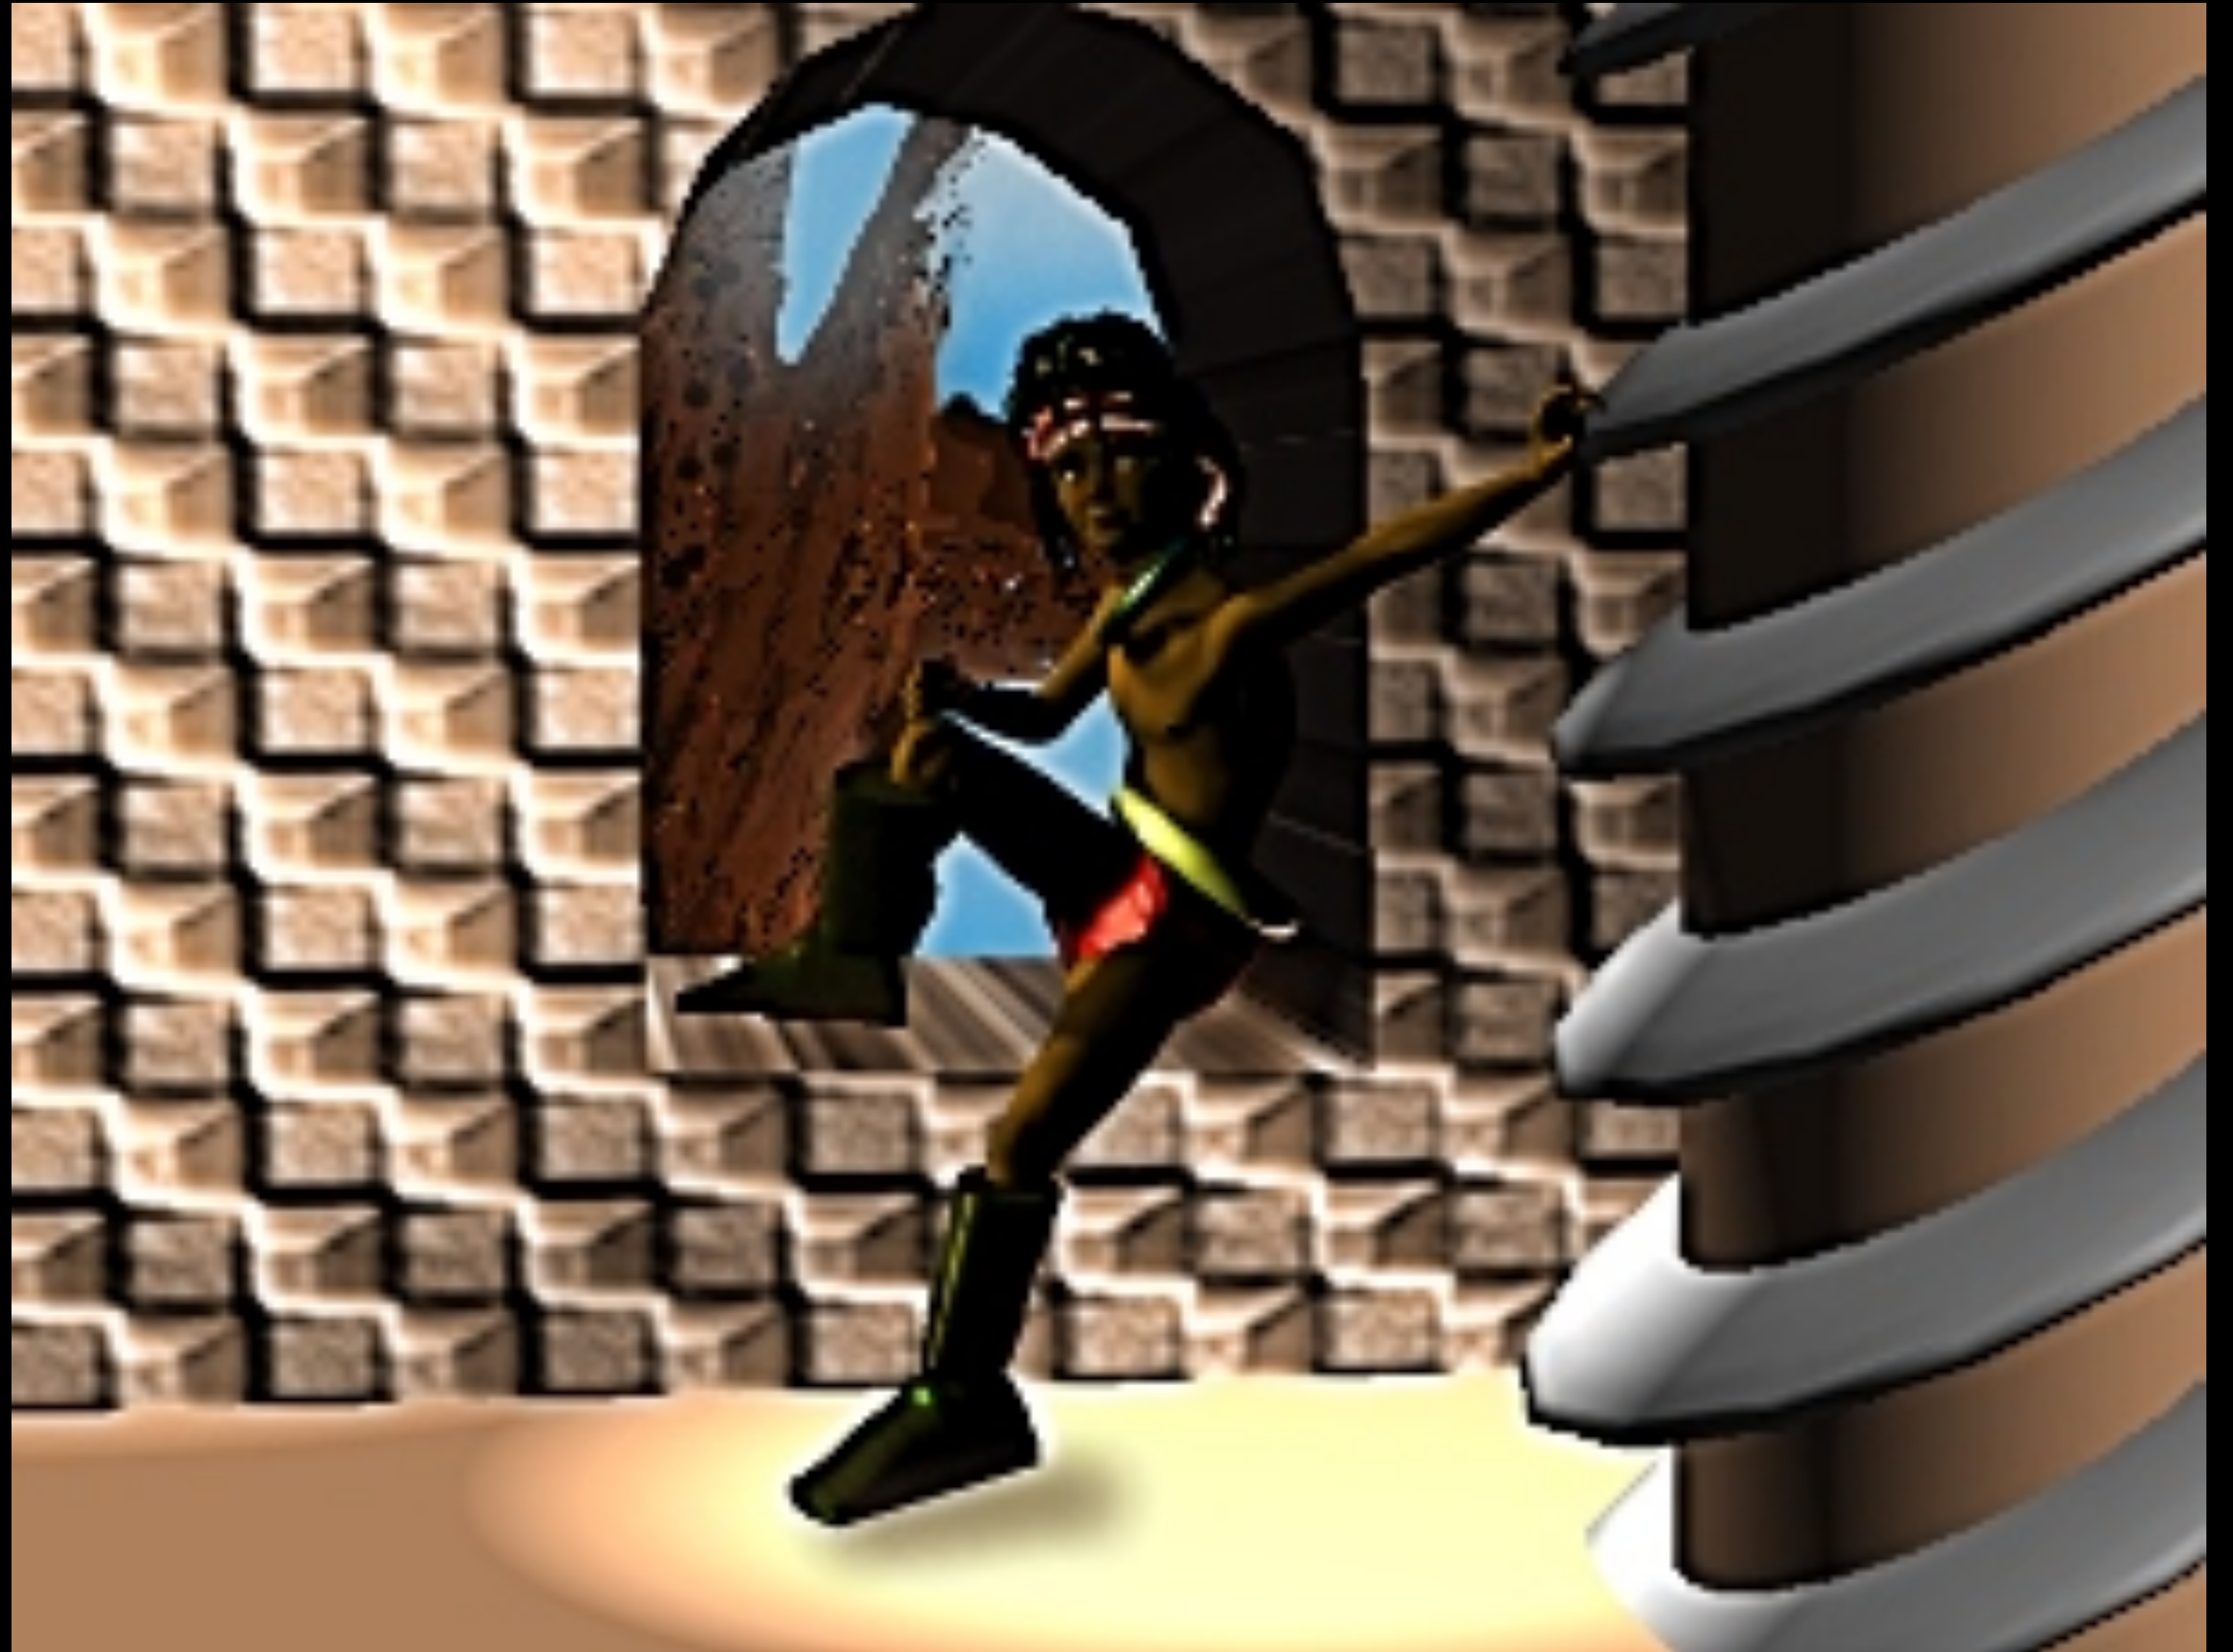

**Later....  
At the  
crib....**

I'm glad we're out of that cave. It gave me the creeps. I wish he'll hurry it up preparing the breakfast meal in the kitchen area.

**COME  
QUICK!  
YOU HAVE  
TO SEE  
THIS!!!**

**What's  
the  
problem?**

**Come  
downstairs  
now. In the  
Radar  
Room !!!**

**I hope it's not  
another  
invasion. I  
can't fight on  
an empty  
stomach.**

**You see ! The  
flashing light is  
our location and  
the red light is a  
incoming  
intruder ! It's  
approaching very  
fast.**

In the kitchen area, a breakfast meal is being prepared.

Oh Yeah!  
This is  
going to  
be finger  
licking  
good !

Wo...Woe...  
What in the  
world...???

What's going  
on here? I  
didn't crack it  
open yet?

Hey there  
little one...

**OOHH MY  
LORD !!!  
HELP  
ME !!!**

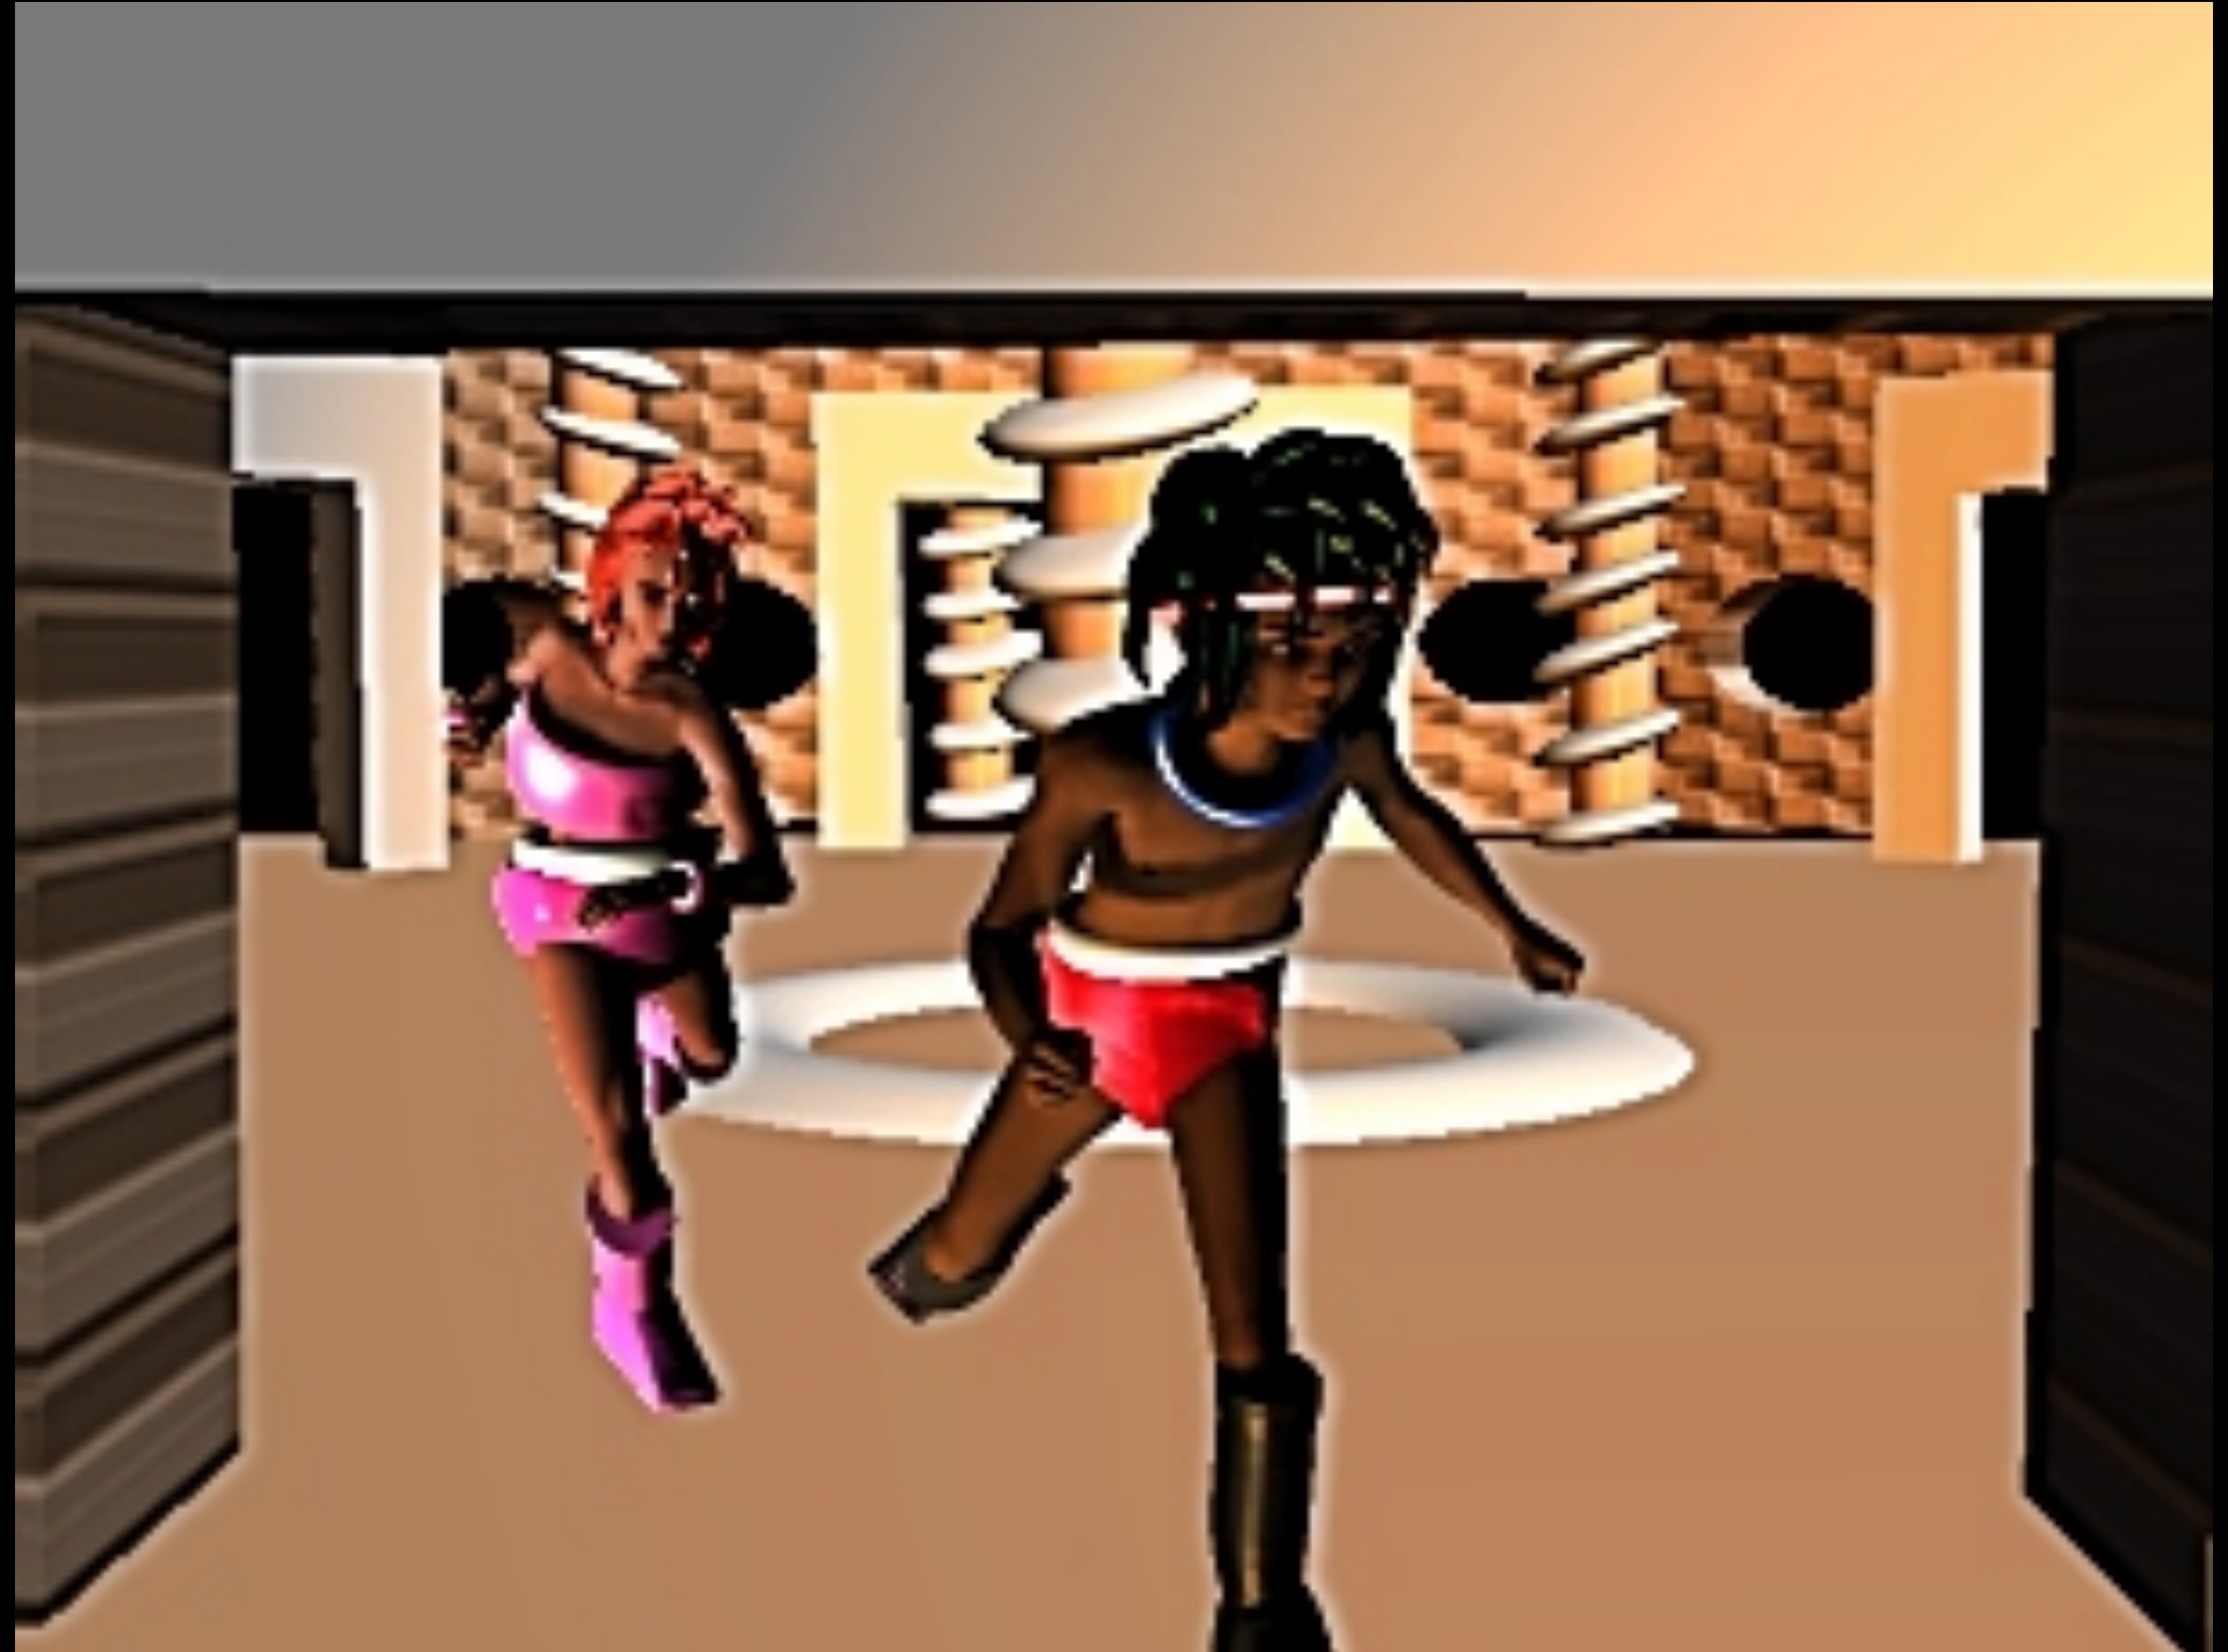

**It sounded  
like it came  
from the  
kitchen !**

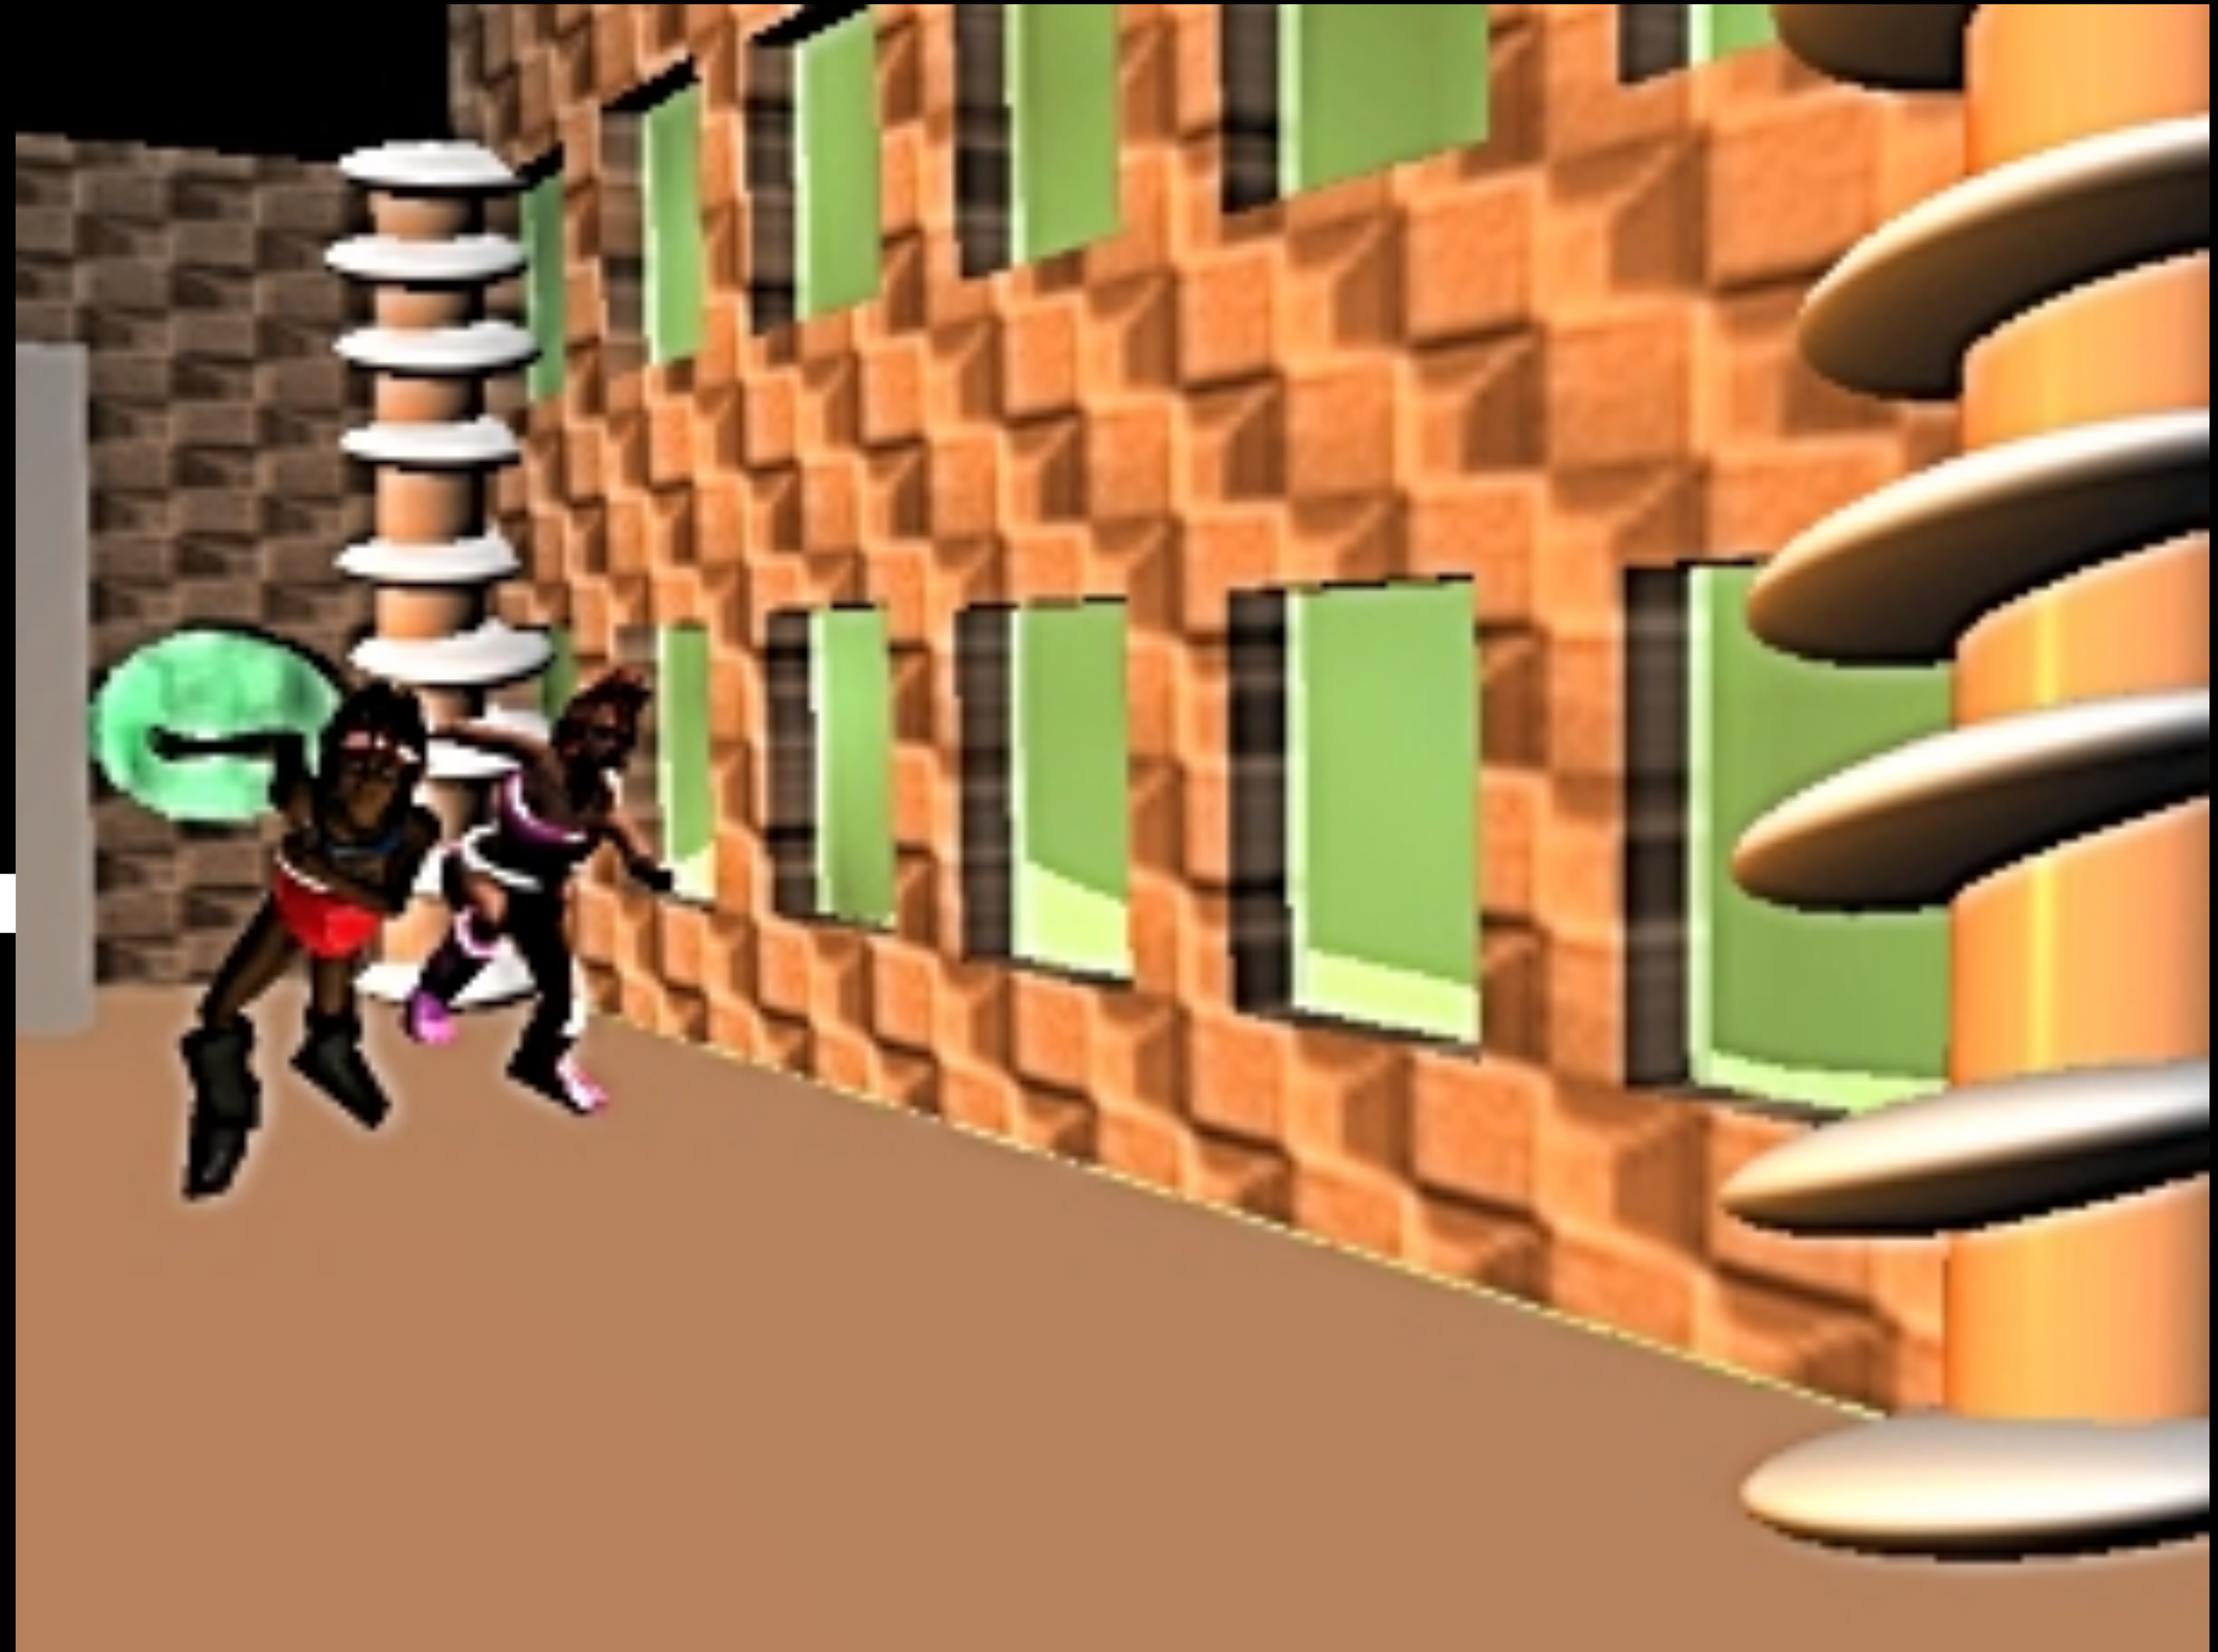

**This way!**  
**This way!**

**This way  
is a  
short  
cut!**

**Just  
around  
the  
corner....**

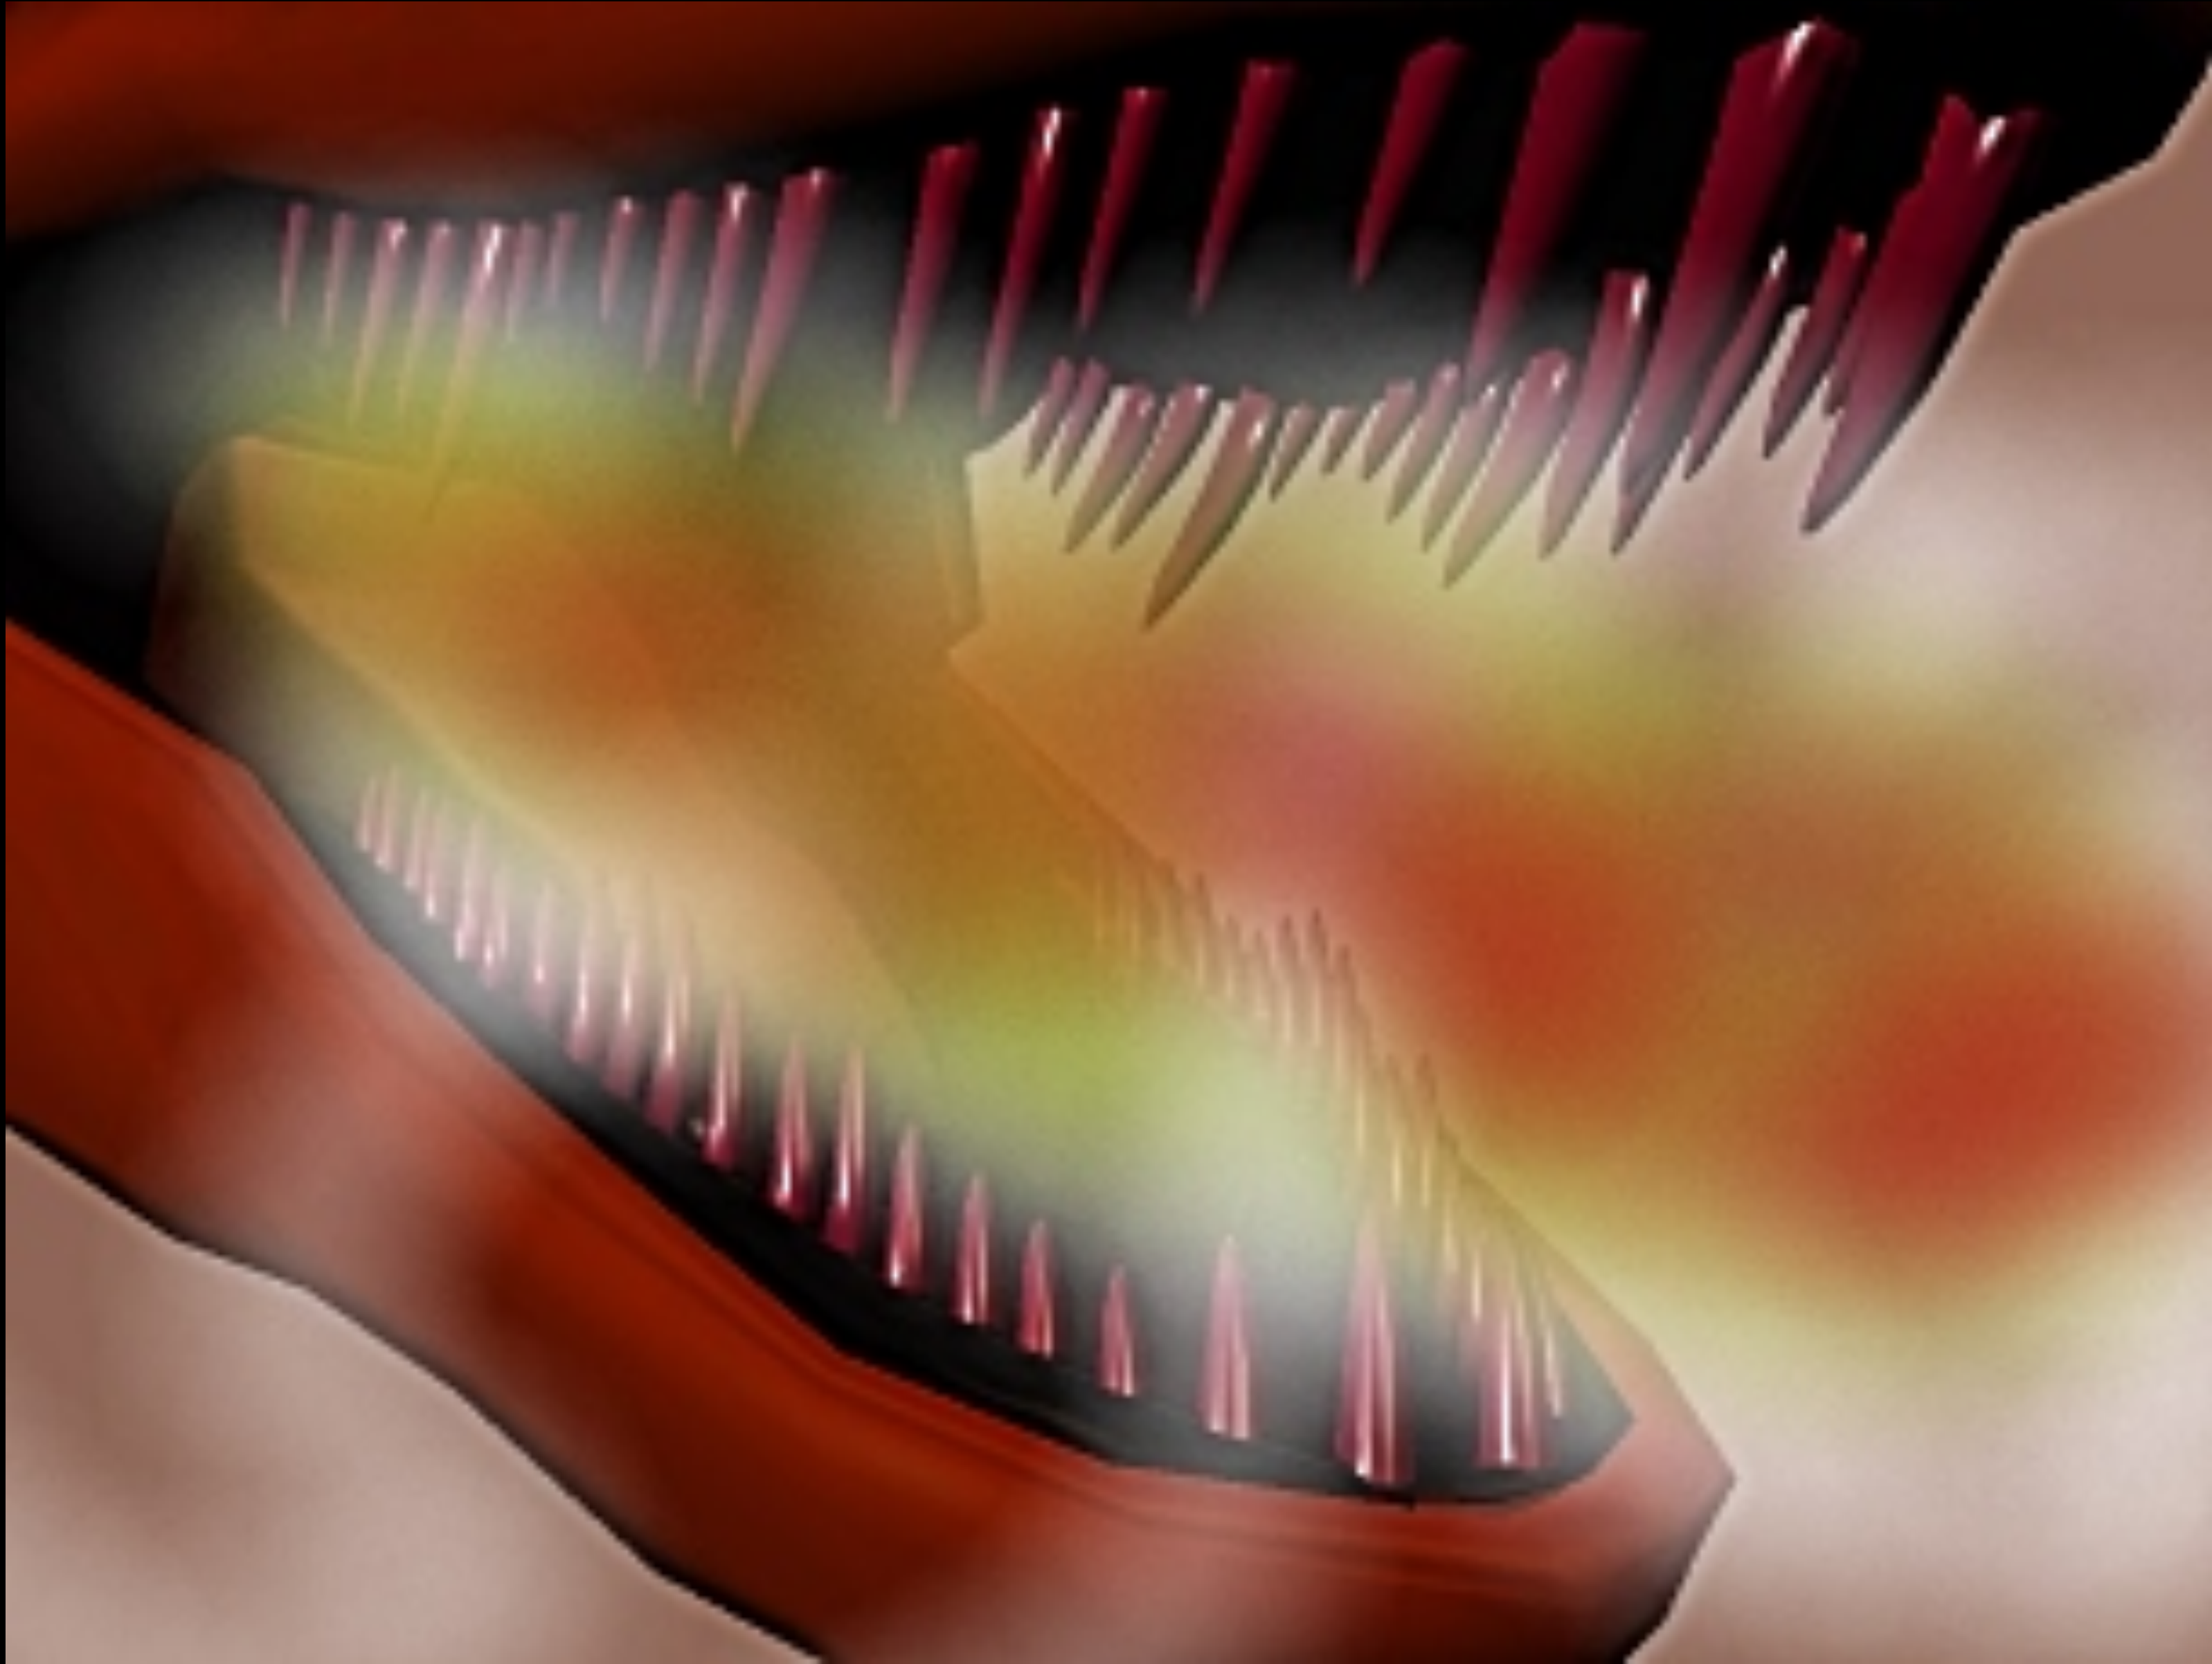

# Return of the Dragon

**Run!!!**

**OH WOW!  
LOOK AT THE  
SIZE OF THAT  
DRAGON! I  
THINK IT'S  
FOR YOU!!!**

You see  
what you  
get! Try to  
bite me!  
Instead you  
bit the bowl.

**GO! GO! To your  
monster... I  
mean to your  
mother! GO! GO!  
To your mother,  
she's waiting for  
you!**

AAHHH

...!!!

Ni...Nice...  
Nice  
Dragon...  
Nice...  
Dragon.....

Ah man,  
Look at the  
size of that  
hole in my  
roof top.

I'll be sending the bill for busting up my roof top. I'll be mailing it to "Godzilla and Son".

Forget this hunting for breakfast stuff. I'm headed toward planet earth to get some greasy hamburgers and french fries, Anybody else want to tag along?

I'm down!  
As long  
they  
don't  
serve eggs.

**THE END**
