LESSON INFORMATION

PRIVATE LESSON INCLUDES:

You will learn to halter, lead and crosstie a horse, brushing technique, tacking horse properly for riding, ride the horse with correct position and balance, untack, and put horse away after lesson. With an instructor for all

PRIVATE (30 & 45 MINUTE LESSON):

You must already know how to brush and tack on your own. This is riding time only; lesson will include continued balance seat and advance as rider gets better. HOURLY GROUP: 2 or more riders. More advanced students who are jumping do well in hour groups. Must tack without assistance.

RIDING ATTIRE REQUIRED: Long pants, shoe or boot with small heel and approved horseback riding helmet. Helmets for beginners will be available if needed.
