LESSON INFORMATION

HOUR LESSON INCLUDES: You will learn to halter, lead and crosstie a horse, Brushing technique, tacking horse properly for riding, ride the horse with correct position and balance, untack, and put horse away after lesson.

ONE HALF HOUR LESSON & 45 MINUTE LESSON:

You must already know how to brush and tack on your own. This is riding time only; lesson will include continued balance seat and advance as rider gets better.

HALF HOUR GROUP: You must know how to brush and tack, walk, and steer horse without being lead. Groups are good when students are advancing more and can see another rider at their same ability. Instructors will form groups at student's request.

HOUR GROUP: Same as half hour group, except riding time is longer. More advanced students who are jumping do well in hour groups.
