

Maintenance Program Agreement

Second Nature
AT
READS CREEK

About Us

Second Nature at Reads Creek is a destination nursery, greenhouse, gift shop and landscape design center. Situated in the heart of the Driftless, we have a vast selection of trees, plants, natural stone, and water features to help create your ideal backyard sanctuary or business space. This small, family-owned business is proud to give back to our community through educational events, local donations and our Third Thursday Market. Come for the plants. Stay for the experience!

About the Program

SNRC provides residential and commercial landscaping maintenance services as listed below. A crew will maintain your property throughout the season as weather, property needs, and customer requests dictate. Typical maintenance service consists of weeding, pruning trees/shrubs/perennials, clean-up of plants and planting beds, installation of mulch or bedding material, assessing and responding to plant health, application of fertilizer and/or herbicide, removal of debris. Standard labor rate in 2023 is \$89 per crew member, per hour.

- Other: _____

Second Nature at Reads Creek, 57301 Hwy 14, Readstown, WI 54652

Agreement

- We consent to the services as listed above at the current listed rate. We understand that the hours may vary depending on the amount of clean-up needed and that there will be a crew of 2-3 people on-site to complete the work at each visit. In addition, if there are extra projects or jobs you would like completed, those will be billed at the standard rate as listed above.
- We understand that we will be billed after each visit after the labor and materials expenses are calculated.
- We understand that Second Nature at Reads Creek accepts payments in cash, check, or credit card, and that an extra 3% processing fee will be added for any credit card payments.
