

NEW FEE STRUCTURE FROM 17th APRIL 2023

As of the 17th of April 2023, Kingston Village Super Clinic will become a private billing Medical Clinic.

We have proudly been able to offer mixed billing since opening our doors in 2020, however as you may be aware, the government issued Medicare rebate has struggled to keep up with the increasing costs of providing healthcare.

To continue to deliver the high-quality medicine you deserve, from the 17th of April we will be charging all our patients a gap fee. Please note, a discounted (concession) rate will apply to those patients holding a health care or pension card, and to children under the age of 16.

If you find yourself under financial hardship, please discuss this with your GP, and we will endeavour to assist you in the best possible way. Thank-you for your understanding.

KVSC staff 😊
