

ECO-DEGREASER HEAVY DUTY

Eco-Degreaser is a GREEN Super Cleaner and Degreaser. It is non-toxic, non-flammable, and biodegradable. Eco-Degreaser works where other products fail while maintaining a safe environment.

MADE IN THE USA

USES: Eco-Degreaser is a heavy duty cleaner and degreaser formulated for Industrial and janitorial cleaning. Eco-Degreaser is safe and effective on most surfaces. Cleaning applications include hard surface, bathroom, tile, floors, cement, pavement, etc. Eco-Degreaser can be used as a full strength grease and grime remover, or diluted for general purpose cleaning. Safe on plastic, metal, glass, wood, cement, and pavement.

This product is also acceptable to use with steam or mechanical cleaning devices in all departments of official establishments operating under the Federal Meat, Poultry, Shell Egg Grading and Egg Products inspection programs of the USDA Technical Services Division. VOC Compliant. Contains no phosphates.

APPLICATION INSTRUCTIONS: For general cleaning, Eco-Degreaser may be diluted 1:6 with water. Spray the surface and wipe with a towel or sponge. For heavier grease and grime, Eco-Degreaser may be diluted with half water or used as is. Be sure to pretest for color fast, and do not let Eco-Degreaser dry on any surface before rinsing. For laundry applications: Add 2 oz. to a load to remove deep stains and heavy odors such as smoke and mildew. Use as is for a pre-spotter for stains.

WARNING May be harmful if swallowed. Causes mild skin irritation. Causes eye irritation

Wash hands, face and any exposed skin thoroughly after handling.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing. IF eye irritation persists: Get medical attention. IF SKIN irritation occurs: Get medical attention. Call a POISON CENTER or doctor if you feel unwell.

Dispose of container in accordance with local, state, and federal regulations.
