Things That Are 50 Years Old:		
<p>Great Barrier Reef Marine Park</p> <p>In 1975, the Government of Australia enacted the Great Barrier Reef Marine Park Act 1975, which created the Great Barrier Reef Marine Park Authority (GBRMPA), and defined what acts were prohibited on the Reef. The Great Barrier Reef Marine Park protects a large part of Australia's Great Barrier Reef from damaging activities. It is a vast multiple-use Marine Park which supports a wide range of uses, including commercial marine tourism, fishing, ports and shipping, recreation, scientific research and Indigenous traditional use.</p>
