SOCIALLY DISTANCED

SUMMER DANCE CAMP

Dear Parents,

We love your children and we love running camp. We have labored for many hours about how to try to run a summer session in a way that is safe, rewarding and also fun.

We are adapting the way we plan to run our summer camp in light of Covid-19. Our hope is to run a summer session in a socially distant manner that keeps everyone safe.

SOME OF THE EVOLUTIONS INCLUDE:

CLASS SIZE – LIMITED ENROLLMENT

SPECIAL WEEK FOR 3-4 YEAR OLDS: 9AM-12PM | \$350

**WEEKLY SESSION FOR 5-8 YEAR OLDS: 9AM-12PM
\$350 per week**

STAFF/TEAM EFFORTS TO PROMOTE HEALTH, HYGIENE AND DISTANCING:

- Curb side drop off
- No shared props
- One time use/disposable arts and crafts
- no student-student contact while dancing
- enhanced cleaning of all tabletop, door handles and hard surfaces
- no staff member will work if they have a temperature, cough, sniffles/runny nose or do not feel well

BALLERINA REQUIREMENTS:

- We must have 8 dancers to run each session

Note: if you sign up for the full day session but we do not have enough other students to meet the minimum number of students for the afternoon session the full day session will not run

- Dancers cannot attend class if they have a temperature, cough, sniffles/runny nose or do not feel well (any dancer who arrives for camp exhibiting any of the above signs won't be able to participate at Bronxville Ballet's sole and absolute discretion)
- Should bring all liquids, snacks and (meals for full day session)

GIVEN THE EVOLVED MANNER IN WHICH WE ARE RUNNING OUR CAMP:

- Summer Sessions must be pre-paid in full to secure your dancer's spot
- At the time of payment the registration form (that includes the refund policy and waiver must also be signed at the same time)
- Given the hard cap we have on dancers per week, we will not be able to allow switching of weeks unless space is available at the time a request is received
- There will be no make up classes, and no refunds (neither in whole nor in part) except as below*
- Our decision date is to be determined for whether any sessions run during a particular week
**If by that date we do not meet our minimum number of required dancers we will not run sessions for that week and will issue refunds, less any prepaid or committed expenses*
- If for any reason any municipal, state or federal authority issues a warning or prohibition against operating a dance session, business or gathering such as ours we will cancel with no refunds
- We will have an updated waiver as part of the registration form that must be signed (download link below)

Warmly,

Ana
