The Little Things

- Find ways to improve
- Set Deliberate Practice
- Get a Mentor
- Be a Mentor
- ERG Bus- Drive with a purpose
- Committment
- Have fun and enjoy the ride

Find Ways to Improve

- ① **Set Goals for yourself.**
- ② **Set Goals for the crew.**
- ③ **Improve Rules Knowledge.**
- ④ **Improve Mechanics Knowledge.**
- ⑤ **Improve Fitness.**
- ⑥ **Be a better crew member.**

Deliberate Practice

Nothing happens by accident.

Approach each task with the goal of getting better.

As you execute each task, focus on why you're doing it.

After each task, get feedback. You have to be able to accept honest criticism.

Continue to build as a crew.

Complete the process regularly. Occasional practice does not work successfully.

Get a Mentor

There is still so much to learn.

Find a current or former official.

Mentors don't have to come from a level above you.

Success leaves footprints.

Become a Mentor

• The best way to improve yourself is to teach someone else.

• Open communication and honesty.

Drive with a purpose

Committment

- How much time do you spend on....
