

CAPABILITY STATEMENT

Atagi Solutions LLC is a certified Service-Disabled Veteran-Owned Small Business (SDVOSB) through the U.S. SBA Veteran SBCP. We deliver practical, experience-driven solutions to strengthen operations, infrastructure, and execution in complex government and regulated environments. Our integrated capabilities include facilities support, fleet and logistics management, industrial operations leadership, capital program management, supply chain optimization, engineering services (composites and building automation), security systems (CCTV/access control), and audio-visual installation. Grounded in real-world DoD experience, we focus on clarity, accountability, and measurable improvements in readiness, efficiency, and performance.
