### About me

Prior to working at MPRPS, I worked at OSHClub at Laburnum and Park Orchards. I love working with children because I love getting to know all about their hobbies and getting to share my hobbies too. Working with kids is really fulfilling as I get to see them grow up and become kind young people.

### My favourite activities

I enjoy playing different sports with children, including basketball, tennis, gaga ball and gymnastics. Cooking is also one of my favourite activities. I like to cook healthy treats and trying different foods from across the world.

### Fun fact

I have bungee jumped in Queensland and swam with whale sharks!

### My goal at OSHC this year

To get to know all the children at Mount Pleasant Rd Primary School and form meaningful relationships with children and families. I would like to build rapport with the Mount Pleasant Rd community!
