2020 ORIENTATION PROGRAM FOR FOUNDATION 2021

We pride ourselves on a welcoming and comprehensive Transition Program that allows students and families to become familiar with the school and build their knowledge, over a range of events, so that the only new thing that happens in February 2021 is your child dressing in their school uniform for the first time. We encourage you to visit our website and sign up for the newsletter, this is a great way to get to know the school.
