

OUR VISION

To provide a safe, dynamic and supportive setting which motivates students to achieve their personal best and make a positive contribution as global citizens.

Student Wellbeing

We commit to:

- using restorative practices to nurture positive relationships
- fostering independence through leadership roles and student voice
- developing resilience, empathy, confidence and self esteem
- providing students with the opportunities to succeed in and be passionate about learning

Innovative Teaching and Learning

We commit to:

- a personalised learning approach for all students
- continual analysis of student learning and feedback to inform teaching
- encouraging students to play an active role in their own learning
- providing challenging, and stimulating learning experiences and opportunities that enable all students to explore and build on their gifts and talents

21st Century Citizens

We commit to:

- preparing students for the future by giving them the opportunity to be creative, innovative and resourceful problem solvers
- students and staff using digital technologies to create, communicate and collaborate
- engaging with diverse cultures
- promoting behavior which supports a sustainable environment

Community Partnerships

We commit to:

- building relationships between students, families and school
- valuing families as partners in their child's learning
- connecting with the wider local community
- collaborating globally
- encouraging parents, carers, families, the broader community and students to hold high expectations for educational outcomes

OUR VALUES

INTEGRITY – LIFE LONG LEARNING - RESPECT - RESPONSIBILITY - TOLERANCE
