

Claudio Brenna

Hello Key Biscayne Beach Club Members! I'm Claudio Brenna, a proud Club member alongside my family for over two years. I cherish our club's unpretentious ambiance, fostering open engagement for all families. I'm committed to collaborating with fellow members and leadership to refresh our facilities while re-discovering and preserving the rich history of the Club for generations to come. It's going to be an honor serving and teaming up with all of you.

Candidate Bio - Amy Evans

I fell in love with the beach club as soon as my toes touched the soft, bleached sand and I experienced the down-to-earth, laid back culture the club embodies. As a relatively new resident and member of the club I would be enthralled to serve the community by contributing to the board. My professional background is in architecture, sustainability, and commercial property design and construction, as well as being partner to a “Finance” spouse and mother of two young, active sons (and enthusiastic sand fort builders), making me wholly suited to supporting any property and infrastructure problems the club may address. Mitigating climate change in the built environment is part of my day job, and I am passionate about helping this island address it too.

Mariana Dominguez-Hardie

I am honored for the opportunity to run for a second term. During my first term I served as the Treasurer and have enjoyed working with a vibrant board in maintaining a fiscally strong club. I would like to continue to improve the facilities while preserving the club's essence. Our club provides a beautiful gateway to the beach in a magical and charming family setting with friendly staff. Is home to many memories shared with people I have met while working for the Village and when coaching girls' softball and volleyball. I have been enjoying the club since 1986. My husband Craig and daughter Emma are lucky to have done so all their lives! Looking forward to creating more happy memories along family, friends, and neighbors of this special community.

Victoria Jackson

My name is Victoria Jackson and I have been a resident of Key Biscayne since 1992.

My late husband, Ron Erbel and I have enjoyed being members of the Beach Club for many years and have shared wonderful times with our family and friends at the club. Ron was a KBBC board member for two terms.

I am happy to see the beach club being maintained and making needed improvements. I also am enjoying the new activities that are being initiated. I would like to be part of the ongoing care and growth of the club and the members. At this time, I am now seeking and would be honored to serve on the board of directors at the Key Biscayne Beach Club.

I have held board positions with different organizations throughout the years. Currently, I am serving my third term as President of Save Our Sisters (SOS), South Florida's all breast cancer survivor dragon boat team. I would appreciate your vote and look forward to the opportunity of serving on the KBBC board as the club continues to flourish.....Thank you.

George Malavenda

- Proud Key Biscayne resident for 33 years, raising four children and seeing three choose Key Biscayne as their home. All 3 are Beach Club members as well.
- Mechanical Engineering degree from Vanderbilt, MBA from Harvard, and extensive experience in various industries.
- Successful business owner for 34 years, proficient in financial management and accounting.
- Offers strategic insights, financial acumen, and a broad perspective to drive growth and prosperity.
- Keep the Beach Club as it is maintain the facilities, controlling membership access, and adding amenities that make sense and are agreed to by the majority of members.

Jamie Tompkins

I grew up on the Key and am now raising my two girls here alongside my husband, Will. The Beach Club is one of the places that makes Key Biscayne so special. I have served on the Board for two years and would like the opportunity to serve longer to complete some of the projects we have envisioned. I love that we continue to improve the Club without changing its footprint. I look forward to continuing to work with the team on the member experience and the Club's aesthetics. I hope that every age finds the Club to be both home and an escape from everyday worries. Thank you for considering me!

My husband, Carlos, and I moved from Caracas, Venezuela to Key Biscayne in 1997 and instantly knew this was a special place. We settled here that year and became members of the Beach Club in 2001.

Over the years we've enjoyed countless hours of sun and fun with our 4 kids and extended family and friends. The Beach Club is an iconic piece of the Key and we are so grateful to prior boards for having preserved the essence of this corner of "island paradise".

Some of you may know me from around the island, either from KBCS and community children's sports, professionally as I've been an agent with one of the Key's real estate offices for over 20 years or as a volunteer with St. Agnes's CCD program for about 10.

I would be honored to serve on the KBBC board and am eager to participate in the ongoing projects and brainstorm ideas so this Key Biscayne "gem" can continue being the amazing place it is for many years to come.
