Key Biscayne Beach Club, Inc.

Volume 2 Issue 4  
August 2020

Some of the plantings of our recent landscape plan

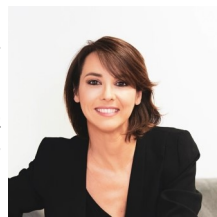

What an inviting sight, blue skies, white sand, turquoise ocean and the well-manicured grounds of the Beach Club. We hope you like the look of the entrance way. There is a little more to do in our landscape plan but what a change from a year ago. I want to thank Board member Craig Hardie for all the time and effort he put into seeing this project through. Well done!

It seems we keep getting delayed by the State regarding the Beach Side Café. This week we have a company coming out to clean and certify our sanitary system, one of the State's requirements. After this we've been told we will quickly (all relative!) have sign off by the State Dept. of Health. Thereafter, as previously reported, we will move on to the Village and do not expect there to be any issues at that point. I don't want to continue putting dates of opening on this item but suffice it to say, everything is being done to open this much needed facility as soon as possible. Stay tuned!

In the last newsletter I mentioned SUP/Kayak storage. The first rack has been built and the other two are being built as of this writing and are expected to come on line before the end of August. There was a lottery in July and 35 members entered. Since then two have dropped out so it looks like all 33 members will get a spot. At this point we will start a waiting list and will post it in the bulletin case in front of the office. If

you wish to be on the list, it will be first come first serve so let the Manager know (email below).

We have a new assistant to the Manager, Virginie Paran. She is a Key Biscayne resident and brings to the BC great organization and social media skills along with tremendous enthusiasm. Welcome Virginie, it's great to have you on the team.

*-Dwight Hewett -*

## From the Manager

Another welcome to our new employee, Virginie Paran!

What a unique time in history to feel so fortunate. My thirty year background coaching state champion high school athletes has helped the Beach Club team. We have a caring mix of young adults, and more mature adults. Our team takes great pride contributing to the ongoing success of the Beach Club.

We greet and welcome our members on a daily basis, and are continuously striving to make the Beach Club more inviting for all new and long time members.

## Treasurer's Report

I'm happy to confirm that our Beach Club family continues to grow with new members. We now have 550 fully paid members and that number continues to increase. We have also been making progress on closing accounts that were no longer active. But, unfortunately, we are still showing 56 members who have not yet paid 2020 dues. While those members are not permitted admittance into the Club, we are still showing them as active. Per our By-Laws, if those remaining accounts are not fully paid by the time 2021 dues are due (Feb. 15, 2021), those members will become Inactive and will be required to pay a new Initiation fee if they wish to rejoin.

Our Beach Club remains a friendly, welcoming venue for families and I hope to see you either on the beach, or playing ping pong, foos ball or shuffle board!

*--Christine Biggers --*

## Con't. From The Manager

Please feel comfortable reaching out to me with ideas and comments about what we are doing well, and what you feel we can do better. Your opinions matter very much.

Our suggestion box is monitored, and my email, listed below, is checked all day, during business hours.

I appreciate the caring and effort most of you are taking while we follow CDC guidelines during this uncommon time of Covid-19.

The club is very strong, and we will enjoy it now, and prepare for even greater happenings in the near future.
