Notices to Members

- ◆ Please feel free to check www.kbbeachclub.com for the latest useful information.
- ◆ When on the beach please be aware of turtle nesting areas. These are marked by stakes and yellow caution tape.
- ◆ The staff is trained and ready to assist you in setting up your umbrella.
- ◆ **No Glass & No Balloons.**
- ◆ Ask our BC staff about our line of merchandise for sale. We have high quality tee shirts, long sleeve swim shirts and ball caps. More items, and colors are on the way!
- ◆ Don't forget our clubhouse is available to rent for your next event!

Some of the Social Committee's activities will be volleyball clinics starting in June. We will also have corn hole tournaments, Ping-Pong matches and shuffle board. Please stand by for the exact dates!

A special thank you to all our members for appreciating our staff, who will continue to check membership for entry, so please bring ID's! We strive to keep our membership database accurate. Please let us know of any changes we need to make, and thank you for allowing us to have 100% of the budgeted club dues collected by April!

One of our projects we will be pursuing, will be working with engineering firms, and the Village to reduce our parking lot flooding. This project is a long time coming, and we will get professional engineering advice to move forward. After replacing the electric panel in the office building we are also scheduled to replace the panels in our café. This should happen in late June or early July.

Thank you once again for working with us as we are facing a shortage of staff. We expect to be fully staffed come the 2nd week of June, when school is out. We have hired some excellent workers including two active seniors, who have been a nice addition. Please keep the Beach Club in mind for after summer employment as we will need reinforcements for when our student employees return to their respective schools.

Finally, we have reached our cap of 625 members. We are working on collecting about 20 unpaid dues, and we expect some memberships to become available October 1st. We are taking names for our waiting list. A completed membership application, background check (available on our website), plus a \$500 deposit is required to be added to the list.

A final positive note: 60 new beach chairs are on order!

ings. Thanks to Manny Rionda for our PopUp Paddle Board Saturday. Members expect to see more of these pop ups on calm days! Also, we'll be having a Father's Day Sand Castle competition. Paul will speak more of other upcoming social activities, but I want our members to know now that we are planning our 70th Anniversary Celebration. Nancy Stoner will be chairing this planning committee, but mark your calendars for October 1, 2022. This promises to be a party like none other at the Beach Club! Two days of celebrations!

Finally, we continue to look for ways to improve our members Beach Club experience. The Board will now be focusing on the entire patio area including showers, BBQ area, shaded seating and tiki hut. We will keep you posted as ideas move into projects. Hope to see you around the Club!

From the Manager

With Summer around the corner the Beach Club will be more active than ever.

June 15th, we are kicking off Waterslide Wednesday! From 3-8pm come with your kids to cool off and enjoy a nice summer afternoon.

From the President

First, I'd like to thank our amazing outgoing Board, Sixto Campaño, Craig Hardie, Jack Macia and Nancy Stoner. We were able to accomplish so much with their continued dedication and hard work. Next I'd like to welcome our new Board members,

Jamie Tompkins (Secretary), Mariana Dominguez-Hardie (Treasurer), Manny Rionda and Frank Andrews. And of course I look forward to continuing to work with Mike Bracken (VP) and Dwight Hewett.

I am happy to announce that we have signed a contract with our concessionaires Alex Maufroy and Pierre Gelin, who will operate Beachside Cafe. They will be open regularly Friday, Saturday and Sundays from 11am to 6pm and on holidays. If you have not already tried the cuisine I can promise you an incredibly delicious lunch. They are also looking forward to providing catering services for Beach Club parties and other member special event.

Speaking of activities, we have officially formed a Social Committee. This group is comprised of member volunteers focusing on three key areas: kids athletics and parties. We have already kicked off with some family fun happen-
