

## Iñigo Momene Cardenal

Born in a coastal city in northern Spain, my family's connection to Key Biscayne began when my uncle moved to the island in the 1990s. It was my cousin Rafa who first took me to one of the Beach Club's Fourth of July celebrations, and since then I have always admired this unpretentious haven where neighbors gather and community comes naturally.

Eleven years ago, my wife and I moved to Miami and feel fortunate to now call Key Biscayne home. Our children have practically grown up at the Beach Club — sharing time with friends and taking their first swims here. We still fondly remember the iconic blue wooden lifeguard chair that once stood on the beach.

I care about the Key Biscayne community and about preserving the unique spirit that makes the Beach Club so special. If elected to the Board, my focus would be to help maintain the Club's beloved old Florida character while supporting smart, cost-efficient improvements that enhance the member's experience. Drawing on my background in finance, I would also bring a disciplined and thoughtful approach to budgeting and decision-making, always mindful of delivering value without adding unnecessary costs for members.

It would be an honor to contribute to preserving and thoughtfully evolving this very special place for current and future families.

## Andy Garcia III

My name is Andy Garcia III, and I have been blessed to call Key Biscayne home for more than 40 years. My father, Andy Garcia Jr., lived here for many years, inspiring our family to make this island our home. Early on, I taught tennis at the two landmark hotels that once defined the Key, and those experiences helped root me even more deeply in this community.

My wife and I raised our children here, and they attended school on the Key. The Beach Club has always been a meaningful part of our family life, a place we visited often with our kids, where families can relax and enjoy the simple charm of island living.

After a lengthy career in the produce industry, I now dedicate my time to community volunteer work, mentoring, and running a concierge-style pet care service for families and their pets on the Key. I previously served on the Beach Club Board, and that experience reinforced my belief that the Club thrives when members stay involved and help preserve what makes it special. Over the past years, I've seen great progress with improvements that honor the Club's history while keeping its spirit rooted in the simple charm of our island paradise.

I'm running again because I believe deeply in community and in keeping the Club relaxed, welcoming, and affordable for all members. My goal is to help ensure it remains a place where families of all ages feel at home. I would be honored to contribute my time, energy, and experience to support its continued upkeep and help keep this island treasure thriving for years to come.

Thank you for your consideration,

Andy

## Victoria Jackson

My name is Victoria Jackson, and I have been a resident of Key Biscayne since 1992. I've had the privilege of serving on the Key Biscayne Beach Club Board for the past two years, currently holding the position as Vice President and I am seeking reelection.

My late husband, Ron Erbel and I have been members of the Beach Club for many years, enjoying countless special moments here with our family and friends. Ron also proudly served two terms on the Beach Club Board, and we shared a love for this club and enjoyed the members.

I have truly enjoy working alongside the current Board and being part of a well-rounded and dedicated team. Together we are focused on maintaining the club while making thoughtful improvements to enhance the experience for all members. We are now in the exciting process of several wonderful projects, including updating the furniture in the clubhouse and making improvements to the barbecue area.

In addition, I've enjoyed being involved in organizing special events to bring our club members together. Some of these gatherings include Valentine's socials, "Friendsgiving" celebrations, and drive-in movie nights for our children-all opportunities to create connection and lasting memories.

I would be honored to continue serving on the Board and contributing to the future of the Key Biscayne Beach Club. I am committed to helping the club flourish while preserving the sweet simplicity that makes the Beach Club so special. I am also committed to continuing to foster a vibrant, welcoming place where members, families and friends can relax, connect, and create wonderful memories for many years to come.

Thank you for your support and consideration,

Victoria Jackson

## **Annie Rabassa Thompson**

Hello, my name is Annie Rabassa Thompson, and I'd be honored to serve you as a board member for the KB Beach Club. Having lived in this community for 55 years I bring a deep appreciation for its history, traditions, and family-centered spirit. My goal in joining the board is to help preserve the club's timeless character while thoughtfully introducing new ideas and events that celebrate our legacy. I'm especially passionate about creating opportunities for members and their families to enjoy leisure time together, strengthen connections, and make lasting memories that honor both our past and our future.
