NEW MANAGEMENT AT BEACHSIDE CAFE!

We are excited to announce that Greice Murillo has joined Pierre Gelin in running the Beachside Cafe here at the Beach Club concession stand. Pierre previously partnered with Alex who has moved on to other projects. We wish Alex the best and thank him for his time at the club. A native of Brazil, Greice brings years of experience in the restaurant and catering business, as well as a deep appreciation for relaxed beach side dining. We are excited to work with Greice to provide members with delicious and friendly food and drink service. Aside from beachside lunches, Greice will be serving dinner on

weekends, including stone crabs when in season. Greice's vision is to offer simple beach food with healthy options as well as some elevated dishes for dinner. Don't forget: Beachside Cafe is available for any catering needs you may have, especially KBBC parties. Greice was born in Porto Alegre and grew up in Fortaleza and is fluent in English, Portuguese and Spanish. Follow them on Instagram @beachsidecafekb and check the club chat where Greice will post updates and daily specials!

LATER BEACH CHAIR PICK UP OPTION NOW AVAILABLE!

In efforts to keep the beach looking neat at the end of the busy beach days and to accommodate our members who enjoy the beach in the early evening, we have a new option for beach chair pick up. KBBC staff will pick up empty beach chairs in the late afternoon, with final pick up remaining one half hour before sunset. However, any members who choose to linger after this time will now be allowed to keep their chairs- but we kindly ask that any late chairs be returned to the stack by the member themselves so that staff can focus on closing duties. This new plan will allow members to enjoy the early evening on the beach while also accommodating our staff's needs. Thank you in advance for your cooperation!

FRIENDLY REMINDER: ID IS REQUIRED TO ENTER THE CLUB (picture on phone works!)
