Discussion/ Next Steps:

Team Updates:

- Teams are getting good responses so far.
 - Black and Red responses are full at 15 each
- Green and (Old) White will likely need more players so far.

Registration:

- Coaches will send registration link to their current players for sign-ups
- Coaches will request individuals to send venmo payment to their coach
- Coaches will send Treasurer (Russ) the payments for their team
- Registration will be open for 2 weeks to return players and then be opened up to new players
 - Will keep league to 6 teams unless a large influx in new players
- Registration should not include a spot for prior team team.
 - This caused issues last year with people filling in a team they wanted to be on.
- Recommended having registration to include sign-off on rules
- Waiver is possibly needed.

Next Step: Kerri following up with Matt on waiver from previous years.

Finances:

- Recommend cost for season is \$40/player
 - Will be used for balls, umps, and support post season all-star game
- Recommend 3 Umps at minimum @ \$40 each, 6 would be ideal
 - 3 Umps is \$120 per game x 9 games average \$1,080.00

Next Steps:

Mike G to send budget doc to Shelby.

Shelby to confirm Russ as treasurer and pass along budget doc.

Schedule:

- Season will run Sunday from 4/30/23-6/25/23 @ 10am
 - Playoffs will be 6/18/23 (with bye week for top 2 teams)
 - Championship games will be 6/25/23
- All-Star Game recommended for week after 4th of July
 - All-Star game could be Sunday or could look to reserve night game at Mattakeesett field
 - Depending on budget, could consider shirts
 - Ump(s) would be needed
- Recommend keeping schedule at fields the same for this season
 - Fields – High School Varsity, High School front field, and Middle School Field
- Recommend if game is cancelled due to weather coaches can work together to determine make up day/time.
 - Otherwise games are cancelled and not made up

Next Steps:

- JR to make schedule for the teams for the season
- Lauren to reach out to Pembroke Rec to reserve fields

Rules:

- Group discussed several rules for discussion at next meeting
- Group recommends team meets to discuss rules in question, and meeting after can include ump(s)

Next Step:

- Joe will send zoom link with agenda to the team
