*I understand that In the Dog House LLC will give my pet the best care possible while boarding, and also understand that sometimes things beyond In the Dog House staff's control can happen. The dogs are allowed to play outside so cuts and scrapes can happen. I give the staff full permission to seek immediate medical treatment for the above named pet if necessary. If neither party listed above can be reached by the staff of In the Dog House, they have permission to take the necessary steps to get my pet treated as soon as possible and they are not responsible for any charges incurred for the treatment. This also includes any viruses that may come into the facility that are not detectable when the dogs enter. I may also be liable for any charges that may occur if my pet destroys any property while staying at In the Dog House. In the Dog House LLC does reserve the right to refuse to board any dog.*
