	DISCUSSION:	
	REPORT BY:	Building Committee Report by George Smith and Stan Maupin
		The discussion centered on the 1/3 acre that the city says we can't
		build on because CalTrain might want that property in the future.
		It was proposed by Republic Urban that we provide them \$750,000 for
		the purpose of completing the paperwork and permits for the project.
		It is managed that the city would been us \$750,000 at 00/ interest. We
		It is proposed that the city would loan us \$750,000 at 0% interest. We
		give that \$750,000 to Republic. The loan won't be due until the part of
		the property by the railroad tracks is sold.
		George asked the membership if we should go ahead with the proposal
		if we get the loan from the city as explained above.
	DISCUSSION:	George Smith said when we hear back from the city, he will send out a
	Discussion.	letter to the Post membership. Meetings with the membership will be
		held where questions can be asked.
