## **MEMBERSHIP VETERAN STORIES**

Post membership and/or all military veterans can share stories about the war (*all wartimes*) during their veteran services, community services to help veteran families, etc. and many THANKS to veterans for sharing.

The newsletter story this month is about our honorary veteran comrade Marshal Rosenthal who served in the U.S. Marines during WWII. He successfully completed his training at Camp Pendleton before boarding the ship with his comrades at Pearl Harbor going to Okinawa. They landed on therein northern side airstrip and helped the U.S. Army soldiers for backup, and part of the 2<sup>nd</sup> Marine Division detachment at the battleground zone. He was transferred with his comrades to Guam and became part of the 6<sup>th</sup> Division Pioneer Battalion, and mostly performed guard duty during his assignment. He successfully served his country and was discharge with educational benefits under the GI Bill, and he started work at the San Jose Parks Department.

He is proud of being a U.S. Marine and served his country with pride – would most definitely do it again! He stayed in contact with his friendship comrades and veteran communities, and would help his veterans and their families when necessary

THANKS to Kalidev Choudhury for sharing the veterans lost stories on his website [www.theloststories.org](http://www.theloststories.org)
