## **MEMBERSHIP VETERAN STORIES**

Post membership and/or all military veterans can share stories about the war (*all wartimes*) during their veteran services, community services to help veteran families, etc. and many THANKS to veterans for sharing.

The newsletter veteran story this month is about a Marine soldier named John Henderson visiting Palo Alto VA hospital for recovery and outpatient checkups. He served in U.S. Marine Corps as an infantryman with the Landing Support Unit. He served for 3 years active and 2 years in the reserve adapting to battlefield challenges on the ground and at sea during the Vietnam War era. He worked closely with his comrades to assist gear and personnel at beaches, ports, and landing zones. Their unit was an integral part of personnel linkage for support at sea and on the ground battlegrounds. Including the responsibility of moving personnel and equipment from sea to ground level for support.

He is retired and actively involved with his grandchildren activities along with sporting activities. He babysit for his grandchildren sometimes and his children helps him and takes care of him. He likes to read magazines and watch sporting games on TV especially championship games – part of his meditation. He said, “He is happy to be part of the few and the proud the Marines!”
