American  
Legion Riders  
Chapter 105

Since receiving our charter we've participated in 81 missions, 530 volunteer hours and 4,566 miles driven. These missions consist of providing escorts, flag lines or participating on firing details for our departed veterans, Post functions, District functions, welcome home and send offs for our currently serving veterans, Honor Flight send offs and arrivals out of SFO.

Our fund raisers were the SF Marathon, the SF Giants Half Marathon and the Berkeley Half Marathon generating \$810.00 to assist in providing for our County's Veterans in need.

Chapter 105 donated \$122.00 to the Suicide Prevention Fund for Area 2. The donation will be made on our behalf on February 22, 2020, Suicide Awareness Day. This is a State-wide program for the American Legion Riders, all 6 Areas are participating.
