## *Village of South Holland* *Proclamation*

**WHEREAS**, the South Holland Jets Youth Organization was founded in 1972 to provide a quality and carefully crafted outlet for boys and girls via football and cheerleading; and

**WHEREAS**, the organization's mission is to develop well-rounded young men and women to learn not only the fundamentals of athletic competition but also the importance of education and teamwork; and

**WHEREAS**, the organization creates an enjoyable atmosphere favorable to developing sound minds, body and character; and

**WHEREAS**, the ideals of sportsmanship, scholarship and physical fitness are at the core of the South Holland Jets Youth Organization; and

**WHEREAS**, the program stresses learning valuable lessons far beyond the playing days, such as self-discipline, coordination, setting goals, and overcoming obstacles; and

**WHEREAS**, the organization is honoring its participants, parents, coaches and supporters at its annual banquet.

**THEREFORE, BE IT RESOLVED**, that I, Don A. De Graff, take this means on behalf of the President, the Village Board of Trustees, and the Administration, to express my sincere gratitude for the South Holland Jets Youth Organization for its profound influence on South Holland's youth and our community as a whole.

**IN WITNESS WHEREOF**, I have hereunto set my hand and have caused the Official Seal of the Village of South Holland to be affixed this Fifteenth Day of December 2019.

  
Don A. De Graff, Village President

## From the Desk of the President

Dear Jets Family:

I greet you with great honor as the President of the South Holland Jets. I am humbled to represent a great group of tireless and talented volunteer leaders (Jets Board). In addition, I am privileged to follow in the footsteps of all the former South Holland Jets presidents that have lead this phenomenal organization for more than 46 years.

First, as a leadership team, we want to thank the parents for trusting us with your most valuable resource, your children. We exist and thrive as a successful organization essentially because of your support and involvement. Second, we want to acknowledge and recognize all the football players and cheerleaders who participated to make this a great and memorable season. All of our players are already great student-athletes who we are shaping to become future leaders for the community and the world.

As an organization, we believe football teaches lessons on and off the field. We never want to convey the wrong message: that winning at all costs and being the star is the most important thing. Instead, we want to promote the message: that trying your best and being a loyal team member is what counts. Winning will come as a result of hard work plus proper preparation, persistence and consistency.

To our 8th graders who will be in high school next year, we wish you continued success in all your high school endeavors. We look forward to seeing you play whatever sports you choose on the next level and beyond. You are now a part of a very large group of Jets alums who we always welcome back with open arms. To all of our returners, enjoy your other sports and activities during your brief time away from the Jets, but remember that hard work in between seasons is where you grow the most.

Happy holidays to all and to all "JETS ALL DAY"!

Malik Jones

President of South Holland Jets

## Keynote Speaker: Antonio Crosby

**ANTONIO CROSBY** is a Senior at Eastern Illinois University. He began his career in football at 6 years old with the South Holland Jets and played every level until he entered high school in 2012.

Antonio is currently majoring in Digital Media with emphasis on Project Management. He is currently receiving a scholarship for football, which is helping to fund his education overall.

Antonio aspires to one day coach college football and even has aspirations to one day coach for the NFL. He realizes that he has a ton of knowledge to offer and desires to give back.

Antonio is a member of Omega Psi Phi, Inc. and has participated in thousands of hours of community service, including the American Red Cross, Toys for Tots, and many others.

Antonio is definitely someone you would want to meet. He has made a huge imprint in the football community and is on the verge of becoming a trailblazer in his future career.

“Out of the night that covers me, black as the pit from pole to pole,  
I thank whatever gods may be for my unconquerable soul.  
In the fell clutch of circumstance, I have not winced nor cried aloud.  
Under the bludgeoning of chance, my head is bloody, but unbowed.

Beyond this place of wrath and tears looms but the Horror of the shade  
and yet the menace of the years finds and shall find me unafraid.

It matters not how strait the gate,  
how charged with punishments the scroll,
