How Will This Brochure Help You?

This brochure gives you details of how the policy works throughout its lifetime. It's an important document to refer to.

To Help Your Understanding

We've done our best to explain everything as simply as possible; however, you may come

across some terms you're unfamiliar with, which wherever possible, we've tried to explain.

We have used plain language that's easy to understand and believe this brochure is a good place to start when planning your future under this insurance contract.

Introduction

You work hard to earn and accomplish your dreams at every stage of life. However, in today's uncertain world, it is prudent to have a life insurance plan which can provide financial cushion for your loved ones in case of an unfortunate event. To help you fulfill your goals, we present to you a life insurance solution which allows you to achieve your aspirations, whilst securing the future of your family with a life cover.

IndiaFirst Life Fortune Plus Plan, a Non- Linked, Participating, Individual, Savings, Life Insurance Plan which is designed to ensure a long-term financial safety net for your loved ones with a life cover throughout the tenure of the policy along with savings in the form of regular income payouts or a lumpsum payout depending on the selected option.

Key Features

- Create long-term financial protection for your loved ones through life insurance cover of up to 15 or 20 years
- Pay for a limited period while having the financial security through life insurance cover for the entire policy term
- Provide your loved ones the benefit of lumpsum amount or income over a period of 5 years in case of death of life assured

- Receive regular guaranteed survival benefit along with cash bonuses if declared, from the end of premium paying term to fulfil your ongoing financial requirements
- Get a lumpsum benefit on maturity to take care of your long-term goals
- Option to defer guaranteed survival benefit along with cash bonuses if declared and earn additional interest on the same
- Receive a discount when you pay your renewal premiums early
- Option to add Waiver of Premium Rider to secure your loved ones from the burden of paying future premiums
- This policy can be purchased through online mode, at your convenience

1. What is the IndiaFirst Life Fortune Plus Plan?

This a Non-Linked, Participating, Individual, Savings, Life Insurance Plan that provides life insurance cover during the entire policy term of 15 or 20 years. The plan requires a shorter pay commitment (of 6,7,8,9 or 10 years) and gives the benefit of financial protection alongwith savings in a single policy. This policy will financially protect your loved ones through a life insurance cover in case of an unfortunate event, will provide a regular stream of income or a lumpsum benefit basis the selected option.

2. What are the basic eligibility criteria in this policy (product at a glance)?

Criteria	Details

	51 years	Death Benefit multiple of 7x			
Maximum Age at Entry	50 years	Death Benefit multiple of 10x			
	60 years	Death Benefit multiple of 7x			
Minimum Age at Maturity	20 years	For Policy Term 20 years			
	18 years	For Policy Term 15 years			
Maximum Age at Maturity	70 years	Death Benefit multiple of 10x			
	80 years	Death Benefit multiple of 7x			
Premium Payment Term	6 years, 7 years, 8 years, 9	9 years and 10 years			
Policy Term	15 years, 20 years				
Sum Assured on Death	Minimum	Maximum			
(SAD)	INR 168,000	No limit subject to Board approved underwriting policy			

Annual Premium	Minimum	Maximum
	INR 24,000	No limit subject to Board approved underwriting policy
Premium Paying Modes and Modal Factors	Premium Frequency	Factor to be applied to Annual Premium
	Yearly/ Annual	1
	Half - yearly	0.5119
	Quarterly	0.2590
	Monthly	0.0870

Note

- For minor life age at entry less than 3 years, risk cover will commence one day prior to completion of 2 years
 from date of commencement of policy or attainment of age 3 years whichever is earlier. For minor life with age
 at entry greater than or equal to 3 years, the risk cover will commence immediately. The policy will vest on life
 assured on attainment of majority i.e. 18 years.
- Ages specified are as on last birthday.
- Annualized Premium shall be the premium payable in a year chosen by the policyholder, excluding the
 applicable taxes, rider premiums, underwriting extra premiums and loadings for modal premiums, if any
- Sum Assured at Death (SAD) is defined as the absolute amount of benefit which is guaranteed to become payable on death of the life assured.

3. What are the Income Benefits paid to the policyholder during the term of the policy?

Guaranteed Survival Benefit PLUS Cash Bonus if declared, shall be payable from the end of the Premium Payment Term till Maturity, on survival of the life assured provided the policy is in-force and fully paid-up.

Guaranteed Survival Benefit factors as % of Annualized Premium are provided in the 'Annexure A'.

The survival benefit will be paid from the end of premium paying term in arrears. Policyholder can avail this benefit in different frequencies wherein following factors will be applied.

Guaranteed Survival Benefit & Cash Bonus if declared, payout frequency	Modal Factor
Monthly	0.0808
Once in every two months	0.1622
Quarterly	0.2440
Once in every 4 months	0.3263
Half Yearly	0.4920
Annual	1.0000

At inception of the policy, the policyholder shall have an option to defer the Guaranteed Survival Benefit and Cash Bonus if declared, which shall get accumulated annually at Reverse Repo rate published by RBI on its website as at the beginning of financial year less 25 bps. The applicable compound interest rate for FY 2021-22 is 3.10% p.a. (compounded annually) which is calculated as 3.35% (Reverse Repo Rate as at 1st April 2021) less 0.25%.

This rate will be reviewed at the beginning of every financial year.

The policyholder can withdraw the full accumulated Guaranteed Survival Benefit & Cash Bonus if declared, alongwith earned interest at any point during the policy term. If the accumulated benefits are not taken by the policyholder during the policy tenure, the same shall be payable along with other benefits payable at the time of termination of the policy in the form of death, maturity or surrender.

4. What do you get at the end of the policy term (maturity benefit)?

On survival up to the end of policy term provided the policy is in force and fully paid-up, you shall receive the Sum Assured on Maturity PLUS Terminal Bonus if declared.

Where, Sum Assured on Maturity (SAM) = Maturity Benefit Factor x Annualized Premium (AP) x Premium Paying Term.

Sum Assured on Maturity (SAM) is defined as guaranteed amount to become payable on maturity of the policy

Maturity Benefit Factors have been provided in 'Annexure B'.

The maturity benefit defined above will be paid either as lump sum amount or in monthly instalments over the period of 5 years as opted by the policyholder/ nominee at any time during policy period / on death of Life Assured. In case of instalment payment of maturity benefit, the instalment benefit amount will be calculated as dividing lump sum amount (say, S) by annuity factor (i.e. $a(n)^{(12)}$) i.e. $S/a(n)^{(12)}$ where n is the instalment period of 5 years. The SBI savings bank interest rate as on the beginning of financial year will be used to calculate the annuity factor. The current prevailing SBI savings bank interest rate for FY 21-22 is 2.70% p.a. Once the instalment payment starts, this payment remains level throughout the instalment period. The interest rate used to calculate annuity factor is subject to review on every financial year and will be changed in case of change in SBI savings bank interest rate.

On payment of the maturity benefit, the policy will terminate, and no more benefits will be payable.

5. What happens in case of life assured's demise in this policy (death benefit)?

In case of death of the Life Assured during the policy term, the following death benefit will be paid to the nominee(s) given the policy is in force or fully paid-up. The defined death benefit is paid out and the policy terminates.

The nominee(s) will receive higher of:

a. Sum Assured on Death

b. 105% of total premiums paid till date of death. PLUS Terminal Bonus if declared

Where **Sum Assured on death is defined as:** Higher of **X times** of Annualized Premium (AP) or an absolute amount (Basic Sum Assured) assured to be paid on death:

X is defined as:

For age at entry 0 years to 50 years (last birthday) = **10**For age at entry 51 years and above (last birthday) = **7**Total Premiums Paid means total of all premiums received, excluding any extra premium, rider premium and applicable taxes.

The death benefit defined above will be paid either as lump sum amount or in monthly instalments over the period of 5 years as opted by the policyholder/ nominee at any time during policy period / on death of Life Assured. In case of instalment payment of death benefit, the instalment benefit amount will be calculated as dividing lump sum amount (say, S) by annuity factor (i.e. a(n)(12) i.e. S/a(n)(12) where 'n' is the instalment period of 5 years. The SBI savings bank interest rate as on the beginning of financial year will be used to calculate the annuity factor. The current prevailing SBI savings bank interest rate for FY 21-22 is 2.70% p.a. Once the instalment payment starts, this payment remains level throughout the instalment period. The interest rate used to calculate annuity factor is subject to review on every financial year and will be changed in case of change in SBI savings bank interest rate.

6. What are the bonuses if declared in this policy?

Your policy shall be eligible for Cash Bonus if declared, and Terminal Bonus if declared, as applicable as per Board Approved Bonus Policy.

- Cash Bonus (CB) if declared: Cash Bonus if declared, by us will be calculated on the Sum Assured at Maturity and payable alongwith Guaranteed Survival Benefit, starting from the end of Premium Paying Term till maturity, as per the payout mode selected. The Cash Bonus rates if declared, are not fixed or guaranteed and may change from time to time. However, once declared, they are then guaranteed.
- Terminal Bonus (TB) if declared: Terminal Bonus
 if declared, will be based on our investment
 experience and is as per Board approved bonus
 policy of the company. Terminal Bonus if declared,
 will be paid either on death or on maturity or on
 surrender as per terms and conditions of the
 policy. Terminal Bonus if declared, will be paid
 based on Policy Term * Sum Assured on Maturity.

7. Are there any Riders available in this policy?

Yes, you can opt for the IndiaFirst Life Waiver of Premium (WOP) Rider (UIN: 143B017V01).

This rider when opted, supports you, by waiving off the future premiums of your base policy in case the policyholder/ life assured suffers from death (only applicable for the Policyholder – for policies wherein Life Assured & Policyholder are different individuals), accidental total permanent disability or critical illnesses as defined under the rider basis the rider option as chosen. The options for policyholder/lifeassuredareasmentioned below.

OPTION	BENEFIT
Waiver of Premium on Death	This option provides benefit of waving all future premiums due and payable under the base policy on Death of the Policyholder (only when life assured and Policy Holder are different individuals under base policy), subject to rider and base policy being in force.
Waiver of Premium on Accidental Total Permanent Disability or (diagnosis of) Critical Illness	This option provides the benefit of waving all future premiums due and payable under the base policy on either or simultaneous happening of the following events; Accidental Total Permanent Disability of the rider life assured or on the confirmed diagnosis of the rider life assured suffering from any one of the critical illnesses covered under the rider, subject to rider and base policy being in force.
Waiver of Premium on Death or Accidental Total Permanent Disability or Critical Illness	This option provides the benefit of waving all future premiums due and payable under the base policy on earlier happening of either of the following events - Death of the rider life assured or Accidental Total Permanent Disability of rider life assured or on the confirmed diagnosis of the rider life assured suffering from any one of the Critical Illnesses covered under the rider, subject to rider and base policy being in force. To opt for this option, life assured and Policy Holder should be different individuals under base policy.

8. How does this policy work?

We have explained the working of the policy with a sample illustration below.

 $Mr. Kumar, 35 \, years \, bought \, the \, India First \, Life \, Fortune \, Plus \, Plan \, for \, a \, policy \, term \, of \, 15 \, years. \, He \, decides \, to \, pay \, an \, annual \, premium \, of \, INR \, 1Lakh \, (excluding \, taxes) \, for \, 6 \, years \, and \, chooses \, to \, receive \, his \, survival \, benefits \, annually.$

He will start receiving an annual income payout of INR 37,500 (Guaranteed Income = INR 20,000 and Cash Bonus if declared = INR 17,500 @8%) or INR 20,000 (Guaranteed Income = INR 20,000 and Cash Bonus if declared = NIL @4%), from the end of 6th policy year onwards till maturity.

At the end of the policy term, he will receive INR 7,10,250 @8% or INR 5,37,500 @4% inclusive of the final Guaranteed Survival payout, final payout of Cash Bonus if declared & Terminal Bonus if declared.

This illustration is intended to show benefits under the policy, at two assumed rates of interest i.e., 8% p.a. and 4% p.a. Some benefits are guaranteed and some benefits are variable with returns based on the future performance of the insurer carrying on life insurance business. These assumed rates of return are not guaranteed and they are not the upper or lower limits of what you might get back, as the value of your policy is dependent on a number of factors including future investment performance.

Even in case he dies during the policy term, his loved ones will be safeguarded with the Death Benefit of INR10,00,000. His nominee(s) can choose to receive the death benefit as lump sum or as income over a period of 5 years.

9. Is there any enhancement at maturity for paying high premiums in the policy?

Yes, there is an enhancement of maturity benefit factor when paying high premium as per below table -

High Premium Enhancement Factor (% of Maturity Benefit Factor Enhanced)								
Annualized Premium Band (INR)/ Premium Paying Term	PPT = 6 years	PPT = 7 years	PPT = 8 years and above					
Less than 3 Lakhs	4.00%	4.00%	4.00%					
3 Lakhs to less than 5Lakhs	4.80%	4.65%	4.55%					
5 Lakhs and above	5.00%	4.85%	4.70%					

10. What are the tax benefits in this policy?

Tax benefits may be available on premiums paid and benefits receivable as per prevailing Income Tax Laws. These are subject to change from time to time as per the Government Tax laws. Please consult your tax consultant before buying this policy.

11. Can I get a loan in this policy?

Yes, you may avail loan facility under this policy.

The amount of the loan that you may avail at any point of time will depend on the surrender value. You can avail a loan upto 70% of the acquired Surrender Value, if any. The minimum loan amount which can be availed is Rs. 10000.The current rate of interest on loan for FY 2021-22 is 9% p.a. (simple interest) which may vary from time to time. The basis used for the calculation of interest rate on loan is 10-year G-Sec rate as at the end of last financial year plus the absolute margin of 250 basis points rounded up to the nearest 50 basis points. The derived interest rate will be applicable during the next financial year. Any change in basis of calculation of loan interest rate is subject to prior approval from IRDAI.

On availing loan, this Policy will be assigned to us. We will reassign this Policy to you provided you have repaid the entire loan amount along with interests. We will recover any unpaid loan amount along with interest before paying the death benefit to the Nominee(s) / Appointee/ legal heir(s) or the maturity benefit to the Life Assured. As and when the loan principal along with interest exceeds the surrender value for Reduced paid-up policies, the policy will be compulsorily surrendered by us and the outstanding loan amount along with the interest will be recovered from the Surrender Value or Reduced paid-up benefit. Compulsory surrender will not apply to inforce policies. For in-force policies, if the outstanding loan along with interest exceeds 90% of the surrender value, company will send a notice to the policy holder to repay the loan partially or completely. If loan is not repaid subsequent to receipt of the notice then we will adjust the outstanding loan along with interest before any payment of benefits. After recovering the outstanding loan along with interest, remaining benefit, if any, will be payable.

12. Is there a grace period for missed premiums?

We provide you with a grace period which is the time provided for payment of premium from the premium due date during which the policy is considered to be in-force with the risk cover.

You are provided a Grace Period of 15 days under

monthly mode and one month but not less than 30 days for other premium payment modes, in case you miss your due premium on the due dates. In case of the Life Assured's death or occurrence of any covered event as per the benefit option chosen during the Grace Period, we will pay the benefit after deducting the unpaid due premiums till date of death. During this period the policy will be considered to be in-force.

This policy has a grace period of 30 days for yearly, half-yearly and quarterly frequencies and 15 days for monthly frequency from the premium due date. In case of death of the life assured during this period, death benefit after deducting due premiums before date of occurrence of death, will be paid to the nominee(s)/appointee/legal heir.

13. Do I get a discount on renewal premiums, if paid in advance?

We will offer discount on renewal premium amount if you pay the premium at least one month prior to premium due date till 11 months prior to premium due date, provided this period falls within the same financial year as the premium due date. No discount will be offered if premium is paid within one month prior to premium due date.

The discount rate applicable for the quarter will be calculated as maximum of 5-year G-Sec bond yield (rounded to nearest 5 basis points) as at beginning of the quarter or interest rates on savings bank account of State Bank of India as at beginning of each financial year (i.e. as on 1st April) plus 100 basis points. The same discount rate will be applicable to all the advance premiums being paid by the policyholder during that quarter. Any change of the above basis is subject to IRDAI approval. The discount rate will be calculated from advance premium paid date to premium payment due date (in complete months).

14. What happens in case you miss paying the premiums?

In the event of non-payment of due premiums under the policy within the grace period, the policy will lapse if the policy has not acquired a guaranteed surrender value. The risk cover will cease, and no further benefits will be payable in case of a lapsed policy.

The policy will lapse if less than two full years' premiums have been paid. However, you can revive your lapsed policy within the revival period. If policy is lapsed and is not revived during the revival period, it will be foreclosed without paying any benefit after expiry of the revival period. You can see the Section below on Revival for more information.

The policy will acquire paid-up value after expiry of grace period from the date of first unpaid premium if

at least two (2) full years premium have been paid and any subsequent due premiums are not paid.

Note:

- A Reduced Paid-Up policy can be revived (to the original benefits) within five years from the date of first unpaid Premium subject to the conditions.
- If policy in Reduced Paid Up mode is not revived during the revival period, it will continue in the reduced paid up mode until maturity or death or surrender of the policy.
- A Policy becomes Fully Paid-Up provided all due premiums are paid during the term of the policy and the benefits payable will be as per the terms and conditions of the policy.

Once a policy becomes Reduced Paid-Up:

• **Death Benefit under Reduced Paid-Up policy:** On Death during the policy term, the death benefit is paid and the policy terminates.

The death benefit would be the Paid-up Sum Assured on Death, where Paid-up Sum Assured on Death is defined as Sum Assured on Death * (Total numbers of premiums paid)/(Total Number of premiums payable over the policy term)

Plus Terminal Bonus if declared

 Survival Benefit under the Reduced Paid-Up policy: On survival of the Life Assured whilst the policy is in reduced paid-up status, following benefit will be payable from the end of the Premium Paying Tern till maturity:

Paid-up Guaranteed Survival Benefit which is defined as Guaranteed Survival Benefit * (Total numbers of premiums paid) / (Total Number of premiums payable over the policy term)

Plus Cash Bonus if declared.

In case the policyholder has opted to defer the survival benefit(s) at inception and subsequently the policy becomes Reduced Paid-Up, then the policyholder will enjoy the Paid-Up guaranteed survival benefits plus the cash bonus if declared. The accumulation of the said benefits along with interest, if any will be payable at the termination of the policy in the form of Death, Surrender or Maturity, whichever is earlier.

 Maturity Benefit under the Reduced Paid-up policy: On survival till the end of policy term, following benefit will be payable:

The maturity benefit would be the Paid-up Sum Assured on Maturity, where Paid-up Sum Assured on Maturity is defined as Guaranteed Sum Assured on Maturity * (Total numbers of premiums paid)/ (Total Number of premiums payable over the policy term))

Plus Terminal Bonus, if declared

In any case the total benefits paid in case of death or maturity as mentioned above shall not be less than the Total Premiums Paid under this policy.

15. What are your options to revive the policy?

You may revive your policy within 5 years from the due date of first unpaid premium but before the expiry of the policy term by –

- i. paying all unpaid due Premiums along with interest; and
- providing satisfactory evidence of health, if required, as per the Board approved underwriting policy. The cost of medicals, if any, will be borne by the policyholder.

A lapsed or Reduced Paid-Up Policy will only be revived along with all its benefits in accordance with our board approved underwriting policy. If the policy is revived, then all benefits as per policy terms and conditions for an in-force policy will be restored.

Note: The current interest rate charged for financial year 2021-22, for delay in premium payment, is simple interest of 9.50% per annum. The basis used for the calculation of interest rate on revival is 10-year G-Sec rate as at the end of last financial year plus the absolute margin of 300 basis points rounded up to the nearest 50 basis points. The derived interest rate will be applicable during the next financial year. Any change in basis of calculation of revival interest rate is subject to prior approval from IRDAI.

16. Can you surrender your policy?

It is advisable to continue your policy to enjoy full benefits of your policy. However, we understand that in certain circumstances you may want to surrender your policy. The policy will acquire surrender value after first two full years' premiums have been paid.

At the time of surrender higher of Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV) will be payable. The surrender value payable will vary by policy term and policy year of surrender. Surrender value will be higher of SSV and GSV.

The GSV factors are dependent upon policy year of surrender and policy term and will be calculated as follows:

If not opted for deferment of survival benefit:

 GSV factor for premium * Total Premiums Paid less the survival benefits already paid

If opted for deferment of survival benefit:

 GSV factor for premium * Total Premiums Paid, PLUS

Interest accumulated on survival benefits GSV factors are mentioned in Annexure C.

The Special Surrender Value will be calculated as follows:

For Fully Paid-Up policy i.e on or after paying all due premiums:

If not opted for deferment of survival benefit:

SSV will be calculated as:

(Guaranteed Sum Assured on Maturity plus all future Guaranteed Survival Benefit) multiplied by the SSV factor prevailing at the time of surrender Plus

Terminal Bonus, if declared.

If opted for deferment of survival benefit:

SSV will be calculated as:

(Guaranteed Sum Assured on Maturity plus all future Guaranteed Survival Benefit) multiplied by the SSV factor prevailing at the time of surrender Plus

Accumulated Survival Benefit

Plus

Terminal Bonus, if declared.

For Reduced Paid-up Policy

SSV will be calculated as:

If not opted for deferment of survival benefit

(Paid-up Sum Assured on Maturity plus all future Paid-up Guaranteed Survival Benefit) multiplied by the SSV factor prevailing at the time of surrender Plus

Terminal Bonus if declared.

If opted for deferment of survival benefit

SSV will be calculated as:

(Paid-up Sum Assured on Maturity plus all future Paid-up Guaranteed Survival Benefit) multiplied by the SSV factor prevailing at the time of surrender Plus

Accumulated Survival Benefit

Plus

Terminal Bonus if declared.

17. What is the Free Look Period available in your policy?

You can return your policy within the Free Look period; In case you do not agree to the any policy terms and conditions, you have the option to review the terms and conditions of the policy and where you disagree to any of those terms or conditions, you have the option of returning the policy to the insurer for cancellation, stating the reasons for your objection within 15 days from the date of receipt of the policy. The free-look period for policies purchased through distance marketing or electronic mode will be 30 days.

Do you get any refund when you cancel your policy

within Free Look Period?

Yes. We will refund an amount equal to the -Premium paid

Less: i. Pro-rata risk premium and rider premium, if any, for the time the policy was in force

Less ii. Any stamp duty paid

Less iii. Expenses incurred on medical examination, if any

Where pro-rata risk premium is the proportionate risk premium for the period of cover

Distance Marketing includes every activity of solicitation (including lead generation) and sale of insurance products through the following modes: (i) Voice mode, which includes telephone calling; (ii) Short Messaging service (SMS); (iii) Electronic mode which includes e-mail, internet and interactive television (DTH); (iv) Physical mode which includes direct postal mail and newspaper & magazine inserts; and, (v) Solicitation through any means of communication other than in person.

18. What happens in case the life assured commits suicide (Suicide Exclusion)?

In case of life assured's death due to suicide within 12 months from the date of commencement of risk under the policy or from the date of revival of the policy, as applicable, the nominee or beneficiary of the policyholder shall be entitled to 80% of the total premiums paid till the date of death or the surrender value available as on the date of death whichever is higher, provided the policy is in force.

19. Nomination:

The member can appoint a nominee as per Section 39 of the Insurance Act, 1938 as amended from time to time. For more details please refer to our website www.indiafirstlife.com

20. Assignment:

As per the provisions of Section 38 of the Insurance Act, 1938 as amended from time to time. For more details please refer to our website www.indiafirstlife.com

21. You are prohibited from accepting rebate in any form

Prohibition of Rebate: Section 41 of the Insurance Act, 1938, as amended from time to time, states

 No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person, to take or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the Policy, nor shall any person taking out or renewing or continuing a

- Policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.
- Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.

22. What happens in case of submission of information which is false or incorrect?

Fraud/ Misstatement would be dealt with in accordance with provisions of Section 45 of the Insurance Act 1938, as amended from time to time.

Section 45 of the Insurance Act 1938, as amended from time to time states

- No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e., from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.
- 2) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based.
- 3) Notwithstanding anything contained in subsection (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer: Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.
- 4) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of

- commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based: Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud, the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.
- 5) Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the Life Insured was incorrectly stated in the proposal.

23. About India First Life Insurance

We've had Bank of Baroda, Andhra Bank (now, Union Bank of India) and Legal & General as our founding partners. After journeying with us through our years of growth, Legal & General sold its stake in Feb 2019 to Carmel Point Investments India Private Limited, a body corporate incorporated under the laws of Mauritius and owned by private equity funds managed by Warburg Pincus LLC. Our shareholding pattern of the company now stands at: Bank of Baroda – 44.00%, Union Bank of India – 30.00%, and Carmel Point Investments India Private Limited – 26.00%.
