

About Us

Young Minds Learning Center has been in this location for the past 20+ years providing excellent preschool and school age programs that focuses on the development and safety of the children.

Since its beginnings the school has continued to grow and make its mark as a leader in the field of early education. The learning center is APPLE accredited and has earned the Gold Seal award of excellence as an outstanding preschool in the state of Florida.

Our Mission

Young Minds Learning Center's mission is to provide the best quality of care in a clean, safe, and loving educational environment.

Our Philosophy

Young Minds Learning Center is committed to providing unwavering dependability, resourceful creativity, and the highest educational quality. Growth through proper educational stimulation is of utmost importance. Our philosophy is to offer comprehensive child supervision designed to provide the best care for the children and peace of mind for their parents. We provide individual attention to every child while offering the ultimate environment for group play and social interaction and development.
