### **The Legacy Pit Open Masks Mandate and Vaccine Statement**

**The Legacy Pit Open** on September 18, 2021 will continue as planned. Early on, we required masks as a condition of participation, and masks will continue to be mandatory for this event. Any players not wearing a mask will be disqualified as previously stated. With vaccine rates considered, The Legacy Pit anticipates that the pandemic will be over or at least manageable by the time our next Open occurs. In the event these outcomes are not true: we will require vaccination as a pre-requisite for entry into any Legacy Pit organized tournaments.

**The Legacy Pit** organizes Magic The Gathering tournaments, and streams live content every Thursday and Saturday on Twitch at 6:00 pm EST. Select content is later published on YouTube. The Legacy Pit features a comprehensive library of over 50 prebuilt Legacy decks with viewer interaction at its core. Matchup requests are honored in real time. The Legacy Pit's brand features competitive game play, and genuine raw edgy fun that is truly unique.
