Our stretch marquee or tent (whichever you want to call it) are perfect for parties, celebrations, weddings, festivals and corporate events – any occasion, in fact, where you are hosting a gathering or running a hospitality business and want to keep your guests covered. Our stretch tents available for hire are made using advanced manufacturing techniques which result in a revolutionary lightweight fabric which is 100% waterproof across all surfaces, seams and gutters.

Our Stretch Tents for hire are made from a state-of-the-art fabric which stretches across supports to form a structure which is remarkably eye-catching and modern, as well as being durable and able to stand up to bad weather. Our extremely high quality stretch tents transform any open space into a perfect covered venue.
