

# LAW ENFORCEMENT TRAINING

## *Sexual Exploitation in BC: The Issue and Victim Support*

### Examined Content

- An overview of human trafficking and sexual exploitation in BC and Canada
- A look at vulnerable populations
- Grooming tactics by exploiters and traffickers online and in person
- Hot spot grooming hubs
- How to spot traffickers
- How to spot victims
- Barriers to victim disclosures
- Best practices for gaining disclosures
- Relevant legislation, important resources, and help tactics

**Sexual Exploitation Education** provides education to students, parents, and teachers and training to social services providers, front line workers, and law enforcement agencies across BC. It also serves as a resource for disclosures and as a referral directory.
