

# COUNSELLOR & YOUTH WORKER TRAINING

## The sexual exploitation of children and youth online and in person

Visit [www.sexualexploitationeducation.com](http://www.sexualexploitationeducation.com) to book or learn more

### Covered Topics

---

---

- Overview of sexual exploitation and human trafficking in BC
- Current trends and grooming tactics by exploiters and pimps in the community
- Who is most vulnerable and why
- Online exploitation and peer led exploitation
- Signs of sexually exploited clients
- Best practices for supporting clients and gaining disclosures
- Relevant legislation, important resources, and help tactics

**Sexual Exploitation Education** provides education to youth, parents, teachers and training to social services providers, front line workers, and law enforcement across BC. It also serves as a resource for disclosures and as a referral directory.
