

Estates at Cherry Ridge Homeowners Association Evacuation Plan & Checklist.

EVACUATION ROUTES:

Primary Evacuation Routes:

- The main entrance that everyone accesses off 169 into the community, S. Dewey Overlook Way.

Alternate Evacuation Route:

- At the northern end of Grant Woods Parkway. There is a gate. A Board member or the Fire Dept. will unlock the gate.
- Southern – S. Grant Woods Pkwy - rough road - recreational vehicles advised. This road winds around the mountain and comes out by Dewey taking the right turn at the fork or taking a left and coming out by Mayer.

Also Note:

There is an additional road that leads onto State property and out onto 169 – turn North on S. Endless View Way. You can also access this road at the Hairpin turn on Dewey Overlook Way. This road has a gate but it's not locked.
(We are getting clarification on using this road).

Basic Disaster Supplies Kit

To assemble your kit store items in airtight plastic bags and put your entire disaster supplies kit in one or two easy-to-carry containers such as plastic bins or a duffel bag.

A basic emergency supply kit could include the following recommended items:

- [Water](#) (one gallon per person per day for at least three days, for drinking and sanitation)
- [Food](#) (at least a three-day supply of non-perishable food)
- Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert
- Flashlight
- **First aid kit**
- Extra batteries
- **Go Bag**
- Whistle (to signal for help)
- Dust mask (to help filter contaminated air)
- Plastic sheeting and duct tape (to [shelter in place](#))
- Moist towelettes, garbage bags and plastic ties (for personal sanitation)
- Wrench or pliers (to [turn off utilities](#))
- Manual can opener (for food)

- Local maps
- Cell phone with chargers and a backup battery
- Download the [Recommended Supplies List](#) (PDF)

First aid kit

The Red Cross recommends these items for a first aid kit:

- Absorbent compress dressings
- Adhesive bandages
- Adhesive cloth tape
- Antibiotic ointment packets
- Antiseptic wipe packets
- Aspirin (81 milligrams each)
- Emergency blanket
- Breathing barrier
- Instant cold compress
- Non-latex gloves
- Hydrocortisone ointment packets
- A gauze roll bandage
- Sterile gauze pad
- An oral thermometer
- Triangular bandages
- Tweezers
- An emergency first aid instructional guide

Go Bag

A go bag is a collection of personal and medical items that will help you survive an emergency and recover faster from the effects.

Your first aid kit (or go bag medicine kit) is just one component of a go bag.

Consider adding the following items to your emergency supply kit based on your individual needs:

- [Cloth face coverings](#) (for everyone ages 2 and above), soap, hand sanitizer, disinfecting wipes to disinfect surfaces
- [Prescription medications](#)
- Non-prescription medications such as pain relievers, anti-diarrhea medication, antacids or laxatives
- Prescription eyeglasses and contact lens solution
- Infant formula, bottles, diapers, wipes and diaper rash cream
- Pet food and extra water for your pet
- **Cash or traveler's checks**

- **Important family documents such as copies of insurance policies, identification and bank account records saved electronically or in a waterproof, portable container.**
- Sleeping bag or warm blanket for each person
- Complete change of clothing appropriate for your climate and sturdy shoes
- Fire extinguisher
- Matches in a waterproof container
- Feminine supplies and personal hygiene items
- Mess kits, paper cups, plates, paper towels and plastic utensils
- Paper and pencil
- Books, games, puzzles or other activities for children
