2021 RED BLEND

COLUMBIA VALLEY AVA | 14.4% ALC. BY VOL.

Bold and plush, the **MÉTIER** Red Blend offers generous fruit aromas of blueberries and black cherries. Rich flavors and lush structure combine on the palate with undeniable appeal. Fruit forward and accessible, lively and full of delicious flavor, this pleasurable, charming wine should offer satisfaction to a wide audience.

55% SYRAH, 32% CABERNET SAUVIGNON, 13% MERLOT

8-10 DAYS MACERATION ON SKINS, AGED IN 8% NEW FRENCH OAK

Sourced by DeLille's winemaking team from established and up-and-coming vineyards sites throughout the Columbia Valley.

THE SUN-SOAKED COLUMBIA VALLEY

of Washington State provides ideal growing conditions for red wine grapes, with dramatic swings in temperature from day to night. This natural phenomenon, known as diurnal shift, offers cool nights that conserve acidity, and intense sunny days that infuse complex, balanced fruit flavors. It is from this foundation of distinctive fruit that we meticulously craft our **MÉTIER**, acknowledging the very best of the hands that diligently work the vineyards and the cellar.

PRODUCED AND BOTTLED BY
DeLILLE CELLARS

"The 2021 Métier Red Blend is a consistently outstanding wine and has upfront blackberry like fruits, complex notes of peppery herb, leather, and earth, medium to full body, ripe tannins, and outstanding length."
