

FOR IMMEDIATE RELEASE

Newly Appointed Judge for the 14th Judicial District Court Issues Statement to Press and Community Regarding Bid to Retain Seat Cumberland County, NC —

The Honorable Tracey L. Henderson has issued the following statement upon being appointed as Judge for the 14th Judicial District Court, serving the people of Cumberland County:

“It is a privilege to serve as your District Court Judge for the 14th Judicial District. I am deeply grateful for the opportunity to uphold the rule of law, ensure fair and impartial proceedings, and serve the people of Cumberland County.

As a veteran of the United States Armed Forces, and throughout my legal career, I have been guided by a commitment to justice, integrity, and public service. When I transitioned into this role on the bench, my goal was to retain those commitments, and focus on fostering a courtroom where every individual is treated with dignity, respect, and fairness—regardless of background or circumstance.

As I seek election to retain my seat as your District Court Judge, the values that have guided me throughout my career remain unchanged—now strengthened by the insights and experience I’ve gained while serving on the bench. I believe that transparency and public trust are essential to the judiciary, and I welcome ongoing engagement with the media and the broader community to ensure our courts remain open, accessible, and accountable.

Thank you for your continued interest in the judiciary and the important role it plays in our democracy.”
