

NeuroRoots Community Co-Op

Tuition & ESA Payment Information 2026–2027 Program Year

Community. Connection. Confidence.

This document outlines tuition payment responsibilities and available payment options for NeuroRoots Community Co-Op families.

Founding Family Payment Options

Families may choose one of the following tuition payment structures:

Monthly Membership: Monthly tuition payments due on the 1st of each month. Auto-pay is strongly encouraged.

ESA Semester Payment: One semester invoice issued at a time for ESA reimbursement purposes. Families choosing semester ESA payment receive priority renewal access.

Group	Monthly Membership	ESA Semester Payment
Little Explorers	\$200/month	\$1,000 per semester
Explorers	\$300/month	\$1,500 per semester
Connectors	\$350/month	\$1,750 per semester
Transition Group	\$450/month	\$2,250 per semester

Semester Billing Structure

Semester tuition invoices are issued one semester at a time:

- Fall Semester: August–December 2026
- Spring Semester: January–May 2027

Semester tuition reserves a student's placement for the full semester term.

ESA Funding Responsibility

ESA reimbursement approval and processing timelines are determined solely by the Arizona ESA program. Families remain financially responsible for tuition regardless of reimbursement status, delays, denials, or processing timelines.

Payment Expectations

Monthly membership payments are due on the 1st of each month. ESA families selecting the semester payment option will receive one semester invoice at a time for reimbursement purposes.

Non-Refundable Tuition Commitment

Tuition reserves a student's placement within the NeuroRoots community. Monthly membership payments and semester payments are non-refundable and cannot be prorated for absences, vacations, holidays, withdrawals,

missed sessions, or voluntary non-attendance.

Withdrawal Policy

A 30-day written notice is required for withdrawal from the program. Families remain responsible for any outstanding tuition obligations associated with the current payment period or semester commitment.
