— EDUCATION AND COACHING —

Hi NeuroRoots Families!

September is here, which means a new month of hands-on learning, social connection, and real-world skill building at NeuroRoots! 🌱

Here's your quick **September at a Glance** so you can see what's coming up and what still has space available.

DONUTS WITH DAD

 Monday, September 14

 9:00 AM

 45 minutes

 \$10 - No ESA

Start the morning with a little connection, conversation, and of course... DONUTS! 🍩

This special NeuroRoots event is a fun opportunity for dads and their children to spend some intentional time together while connecting with other NeuroRoots families.

NEW AT NEUROROOTS: FAMILY RESOURCE & SERVICE NAVIGATION CONSULTING

Sometimes the hardest part isn't knowing that your child needs support — it's figuring out where to find it.

What services are available?

Which providers work with your child's age and needs?

Do they accept ESA, AHCCCS, Medicaid, insurance, or private pay?

Are they accepting new clients?

Where do you even begin?

You don't have to have all the answers. 

NeuroRoots now offers **Family Resource & Service Navigation Consulting** to help families organize information, explore available resources, and identify possible next steps.

We can help families navigate:

-  **Therapy & Clinical Services**
-  **In-Home & Community-Based Services**
-  **Educational Support**
-  **Social & Life Skills Programs**
-  **Teen & Young Adult Services**

ESA FAMILIES

NeuroRoots is an Arizona ESA vendor, and many of our programs and services may be eligible for ESA funding.

Private-pay families are welcome as well.

If you're unsure which program is the right fit—or have questions about ESA eligibility—just reach out!
