You can obtain this report from your supervisor.

If you are involved in or are a witness to an accident or incident, you are required to provide information in order for the appropriate report to be completed. Please be aware of the importance of immediate action in reporting all details of the accident.

I. *Injury Treatment*

If you are injured on the job, Greystar Healthcare Services LLC. prime concern is to provide you with the best medical care available. If the injury is very serious or if it occurs when the closest medical provider is closed or unavailable, you need to go to the nearest emergency room. If you are not satisfied with your treatment at the clinic or hospital, report it as soon as possible so corrective action can be taken.

- **Follow-Up Treatment:** All injured employees must follow the doctor's order of treatment. Failure to do so may result in the loss of benefits.
- **Company Notification:** If the doctor orders you to take time off from work due to an on-the-job injury, you must contact your supervisor immediately. You should advise them of your progress and expected date of return.

You need to inform the treating doctor that Greystar Healthcare Services LLC. offers modified duty work that can accommodate any restrictions or limitations the doctor may suggest. By working the modified duty job, you are able to collect your regular pay amount-not a reduced percentage through workers' compensation.

J. *Performance Reviews*

Your supervisor will be observing your effectiveness in performing your work. These reviews are used to provide you with an opportunity to talk about the job and your personal goals. Performance reviews do not necessarily result in merit increases.

K. *Resignation & Two-Week Advance Notice Policy*

Employees who choose to resign from their position are required to provide a minimum of two (2) weeks' advance written notice to their supervisor, specifying their final working day. This notice ensures a smooth transition and minimizes disruptions to operations and patient care.

Failure to provide the required two-week notice will result in forfeiture of rehire eligibility. Additionally, any outstanding wages will be compensated at the Federal Minimum Wage rate per hour or per visit. Final paychecks for employees who resign may be collected in person at the job site on the regular payday or will be mailed to the most recent address on file in the employee's personnel records on the scheduled payday.

Pay and Hours

A. *Hours of work*

Various factors, such as workloads, operational efficiency, staffing needs and client working schedules, may require variations in the employee's starting and quitting times. Your supervisor will give the beginning and ending of your standard workweek to you. Punctual and consistent attendance is a condition of employment.

B. *Timekeeping for Payroll*

You must report to work no earlier than five minutes before your scheduled shift and leave no later than five minutes after it ends. It is your responsibility to ensure that your work hours are recorded accurately. If you notice any discrepancies, notify your supervisor immediately. You are required to record your own time and must never log time for another employee.

All in home providers and Skilled Nurses must use the EVV-mandated application provided during onboarding. Additionally, all nursing staff must complete nurse notes, including clock-in and clock-out times on those notes they complete. That is the official time keeping timesheet.

Failure to comply with this policy will result in nonpayment or compensation at the minimum wage rate of \$7.25 per hour or per visit.

C. *Overtime Pay*

You are to work overtime only at the request and authorization of your supervisor. Employees who qualify as administrative, executive, or professional employees within the meaning of the state and federal wage and hour laws are exempt from overtime pay and are not subject to this policy (see exempt employees above). Only non-exempt employees qualify for overtime pay. Overtime pay is based on hours worked per workweek in accordance with state and federal requirements. Employees shall record all time worked, including time worked over their normal schedule, on the timecard at the time it actually occurs. Time will be paid in hundredths of an hour. Overtime hours worked in excess of forty hours in a work week, (not in excess of 8 hours per day) and approved by your supervisor, will be paid one and one halftimes your base rate of pay per hour. Hours worked means time actually spent on the job. It does not include hours away from work due to vacation, sickness, or holiday even when these days are compensated. Unpaid sick leave, personal leave, or any other time away from work is also not considered hours worked.

D. *Payroll Deductions*

Greystar Healthcare Services LLC. may be required by law to recognize certain court orders, liens, and wage assignments (child support). Greystar Healthcare Services LLC. is required to make proper deductions from your earnings on your behalf. Amounts withheld vary according to how much you earn, your marital status, government employment regulations, and other factors. E. *Payday*

Greystar Healthcare Services LLC's payday is determined by the agency's pay schedule, which is available on our website. Employees may also request a copy via email or in person at the office.

F. *Paid Leaves*

Greystar Healthcare Services LLC. policy for vacation, sick leave, holiday, bereavement, or other paid leaves are described in greater detail as an addendum to this handbook. In order to be eligible for these benefits, you must qualify as a regular full-time or part-time employee, and you must complete a new hire trial period. You are encouraged to schedule vacations with your supervisor and use all vacation benefits in a calendar year.

Unused sick leave benefits when available do not accumulate from year to year. Sick leave may be available only in the case of actual illness or injury and may not be applied as extra vacation. A notification from your doctor may be required before returning to work after any absence of longer than three days.

If you are eligible for sick leave, you can be reimbursed for any unused sick time upon your anniversary date. Such reimbursement will be made at your regular hourly rate of pay

G. *Absenteeism and Tardiness*

If you are going to be absent or late, you must report to your supervisor before this happens. If you fail to report to work for three consecutive scheduled working days without proper notification your supervisor will consider you to have “abandoned” your job and you will be subject to termination. Such job abandonment will be recognized as a voluntary quit and may adversely affect any unemployment benefits you seek.

H. *Leaves of Absence*

We realize that leaves of absence due to prolonged illness, accidents, or other compelling reasons are sometimes necessary. Although leaves of absence are uncommon, a leave of absence from work should be properly arranged through your supervisor. Greystar Healthcare Services LLC. has a formal request form for this purpose. The term “leave of absence” means an approved absence from work without pay for a period of time in excess of five working days.

The granting of a leave of absence, especially an extended one, does not guarantee that there will be a position available to you after the end of your leave. Each case will be treated individually and upon your return, every effort will be made to give you the best available job for which you are qualified by experience, ability, and seniority. Employees returning from a leave necessitated by medical reasons may be required to provide a doctor’s release. If you have any questions Greystar Healthcare Services LLC. will be happy to provide you with information on how to request a leave.

Pre-paid contributions to certain benefit plans for the first thirty-days of your leave of absence may be required in order to maintain continued coverage. If your leave extends more than one month you must make monthly payments for your insurance to continue.

It is the employee’s responsibility to report to work at the end of an approved leave. Failure to do so may be considered a voluntary termination of employment.

I. *Jury and Witness Duty*

You may be granted time off to serve as a juror or witness. If you are required by law to appear in court as a witness, you may take unpaid time off provided you arrange this with your supervisor in advance.

J. *Voting Time*

You are encouraged to vote in local, state and federal elections. In most instances you can vote before or after working hours. When hardships make this impractical, you may be granted time off with prior approval from your supervisor.

K. *Military and The National Guard*

As a member of the United States Military Reserve or National Guard, you may be required to take time off to meet annual minimum active training requirements. Contact your supervisor to determine how or if you will be paid for this time off.

L. *Medical and Dental Appointments*

Medical and dental appointments should be scheduled around your assigned work schedule. If this is impossible, talk to your supervisor about making special arrangements. You will not be paid for these absences.

M. *Confidentiality*

It is strictly prohibited to discuss your pay or salary information with another employee. This includes but is not limited to hourly wages, salary, bonuses, pay increases, allowances, mileage reimbursement, travel reimbursement, etc. Disciplinary measures up to and including termination can result from discussion of pay information.
