MESSAGE

My warmest greetings to the Philippine Bicol Association of British Columbia (PBABC) on the occasion of its 28th anniversary!

Only recently did I assume my position as Consul General in Vancouver, but I have been told of the great work that PBABC is doing to promote unity, cooperation and fellowship among its members and their families. I was also told that the organization undertakes social, civic, cultural and educational

activities and programs to help their kababayans in need in Bicol as well as preserve and promote the Bicolano cultural heritage in this multicultural setting of Canada.

The Bicol region, indeed, has many great things to celebrate and offer the world. Some of its famous treasures include the majestic yet fiery Mayon Volcano, the gentle butanding whale sharks of Donsol, its delectable and spicy cuisine, centuries-old stone churches, and its famous product, abaca. And of course, its proud, headstrong and cheerful people. All these endear us to the wondrous landscape that is Bicol.

On your 28th year, the PBABC stands testament to the unwavering spirit of Bicolanos in celebrating it natural and cultural heritage wherever they may be. I encourage all Bicolanos to continue its excellent work in promoting Bicol as a region of resilience, innovation and dynamic leadership.

Congratulations on your anniversary. Mabuhay! Dios mabalos!

MARIA ANDRELITA S. AUSTRIA

Consul General

MESSAGE

As president of the Philippine Bicol Association of British Columbia, it is my pleasure to welcome everyone attending our 28th Anniversary Formal Gala Dinner to celebrate our many years of service to fellow Bicolanos here and in the Philippines especially during times of calamities in our region.

We are fortunate to have with us tonight as our Guest of Honor and Speaker, Her Excellency, Leni Gerona Robredo, Vice-President of the Philippines. She is indeed our pride as the first citizen from the Bicol Region to be elected to the second highest position in the Government of the Philippines. I am personally proud to have come from Camarines Sur, the same province where she was born and I continue to admire her dedication to public service and her interest in the plight of the common people in our land.

Our region has six provinces: Albay, Camarines Norte, Camarines Sur, Catanduanes, Masbate and Sorsogon. The province of Albay plays a major role in Philippine tourism because it is the home of Mayon Volcano, considered one of the natural wonders of the world with its perfect cone shape. Each of the six provinces also offers varied scenic attractions with pride.

Bicolanos are religious by nature and our association has put spiritual emphasis in our program of activities with our annual celebration of the Feast of Penafrancia. The Bicol Region is the home of the image of Our Lady of Penafrancia. Our people are known as peaceful, calm, fun loving and helpful. We can attribute this to the intercession of our "INA". Every year, we have several events that bring us all together; the family picnics, the Philippine Day celebration and many more activities that unite us and keep our links with the homeland and our cultural heritage.

I consider this anniversary as one of the most important not only because I was given the challenge of new leadership but because I have with me hardworking and dedicated members of the Board of Directors and active members that would help me in working for the continued success of our association. I am confident that we will remain strong because of the wholehearted support of our members and my belief that our "INA" will continue to bless us and guide us through our various commitments.

Thank you everyone for sharing with us the joy of our 28th Anniversary Celebration.

Danilo P. Reyes President PBABC 2017-2018

Message to the Philippine Bicol Association of BC 28th Year Anniversary Gala Night

Dear Friends,

It is my pleasure to greet the officers and members of the Philippine Bicol Association of British Columbia as it celebrates its 28th Anniversary with a special Gala Night this evening.

As an organization composed of former residents of the Bicol region, the PBABC plays a valuable role in giving Bicolanos in BC a "home" where they may gather, reminisce and plan for their future as a community.

Filipino-Canadians are among our province's fastest-growing ethnic communities and it is important that we have groups like yours who can help project the voice of our *kababayans* and take leadership roles on issues that impact our fellow Filipinos.

Thank you also for this opportunity to welcome your Guest of Honour and Speaker, Her Excellency the Honourable Maria Leonor Gerona Robredo, Vice-President of the Republic of the Philippines. I am certain that her presence and message to everyone this evening will be a memorable and important one.

She has an exemplary record of service as a member of the House of Representatives for Camarines Sur's 3rd Congressional District and now as Vice-President of the Republic. I note that among the many bills and acts she pursued is the "Open Door Policy Act" which seeks to ensure that all Filipinos, especially those most marginalized, are able to avail of services in government offices — regardless of their attire. This commitment of service to all Filipinos, along with her principled and strong stand on many issues impacting the Filipino people, undoubtedly sets a high standard for all of us in public office.

Congratulations to the PBABC for successfully organizing her first visit to our beautiful province and for providing us all a chance to greet and learn from her many experiences.

Thank you again and may you enjoy many more years of service to Bicolanos and the Filipino community.

Sincerely,

Mable Elmore

Mable Elmore, MLA Vancouver-Kensington

Maria Leonor Gerona Robredo, an alternative lawyer and public servant, is the 14th Vice President of the Republic of the Philippines. After years of working with the poor and the marginalized, teaching the less fortunate about their rights under the law, Leni, as she is popularly known, emerged into national consciousness following the loss of her husband, long-time Naga City Mayor and Interior Secretary Jesse Robredo. Called upon to carry on his legacy of good governance, she stepped into the political arena in 2013, when she won as Representative of the Third District of Camarines Sur.

Amid a productive term in Congress, she was called upon to run for the Vice Presidency, and rose above many odds to assume the second-highest elected post in the country. Determined to bring the Office of the Vice President closer to the people, she led the crafting of its flagship anti-poverty program, Angat Buhay—an endeavor inspired by the work she had done alongside those in need. The program focuses on six key advocacy areas, including food security and nutrition, women empowerment, education, healthcare, rural development, and housing. It has reached 176 communities around the country, through the generosity of partner-organizations and individuals, most of whom are from the private sector. She also launched Istorya ng Pag-asa, a program that aims to spread hope and positivity by featuring extraordinary stories of ordinary Filipinos through words and portraits shown at events, exhibits, and social media.

Believing in the power of collaboration, and a faith in the people, VP Leni vows to keep working to help her fellow Filipinos, especially those in the fringes of society.

MESSAGE

Dios marhay na banggi to the Philippine Bicol Association of British Columbia as you hold your 28th Year Anniversary.

I am with you as you gather today in the spirit of unity and camaraderie to promote the cultural heritage of our beloved Bicol region. In doing so, let us be reminded of qualities that truly define us as a people: our compassion, work ethic, and our dedication to uplift the lives of those we care about.

I pray that through this celebration, you will deepen your commitment to service to the last, and the lost. We, at the Office Of The Vice President, are proud to call all of you our partners in our commitment to bring change to our poorest and least privileged kababayans, wherever in the world they may be.

Dios mabalos and mabuhay kayong lahat!

THE PHILIPPINE BICOL ASSOCIATION, A HISTORY

The year 2018 marks the 28th year of the founding of the Philippine Bicol Association of British Columbia (PBABC), an organization of former residents of the Bicol Region coming from the provinces of Albay, Masbate, Sorsogon, Catanduanes, Camarines Sur and Camarines Norte.

The Bicolanos in Greater Vancouver have along found a need for an association of their own to enable them to get together socially, provide service to folks back home and nurture their deeply religious upbringing. When Bishop Jose Sorra of the Diocese of Virac visited Vancouver in 1983 and spoke at a fund raising dinner attended by local Bicolanos to help support some worthy projects in that diocese, he exhorted those present to organize an association for Bicolanos similar to those ones already existing in the United States.

Seven years later, the first meeting initiated by Lisalandy Serrano Parado and attended by Max and Connie Dayupay, Chuchi Planes Pineda, Mardo Pineda and Isabel Abundo Custodio was held at the Dayupay residence in Vancouver to discuss ways and means of forming a local group. It provided the spark for more exploratory meetings involving concerned Bicolanos, all designed to generate interest in a proposed organization. The first big gathering, attended by 120 Bicolanos was held at the Ambleside Park in West Vancouver.

That potluck picnic was followed by a Dinner-Dance at Corpus Christi Social Hall on September 11, 1990. On that occasion, the founding officers, headed by Chuchi Planes Pineda as president were inducted into office. The other officers were: Max Dayupay, vice-president; Hilda Abundo Yee, secretary; Amalia Estrella, assistant secretary; Celie Kare Gallego, treasurer; Pat Pascal, assistant treasurer, Luis Abundo, Sr., auditor; Elizabeth Valenciano Cruz, business manager; Marilyn Abundo Cunanan, PRO; and Fred Gonzalez, sgt-at-arms. The directors were: Rafaela Hombrebueno, Lina Lomeda, Della Taniajura Saavedra, Romy Barbosa, Roque Relevante, Salvador Balana, Jose Fernando Lee, Cesar Banares and Domingo Azur.The advisers were: Lisalandy Serrano Parado and Isabel Abundo Custodio. On December 15, 1990, the association held a well-attended Christmas Party for Bicolano families at St. Paul's Church Hall in Richmond.

The first formal election of the officers and directors of the Philippine Bicol Association of British Columbia was held at Trout Lake Park in Vancouver on July 7, 1991. The 15 elected board members for the 1991-1992 term subsequently elected from among themselves the officers of the association for a two-year term headed by Jose Fernando Lee as president. The new board members immediately proceeded finalizing the registration of its Constitution and By-Laws. It was on November 13, 1991 that the Registrar of Companies in Victoria issued the association's Certificate of Incorporation No.S-28305 under the Society Act. Nonoy Lee and his officers were inducted into office at the Inaugural Dinner and Ball held at Fantasy Garden World on November 22, 1991.

Under Nonoy Lee's administration, the first issue of Bicol Express, the association's newsletter was published, designed to make local Bicolanos aware of the latest happenings in their community and to highlight the activities of their association. The PBABC also conducted a fund-raising campaign to provide assistance to the victims of Mayon Volcano's eruption which claimed the lives of 68 victims and rendered thousands homeless. The \$1,000 raised in donations was distributed to the typhoon victims by Bishop Jose Sorra of Virac, a well-known charity proponent in the Bicol Region. Bishop Sorra visited Vancouver on October 4, 1992 and officiated mass at St. Andrew's Parish attended by many Bicolanos and

other Filipino-Canadians. After the mass, the Bishop had dinner with the some officers and members at Hon Lock Restaurant. He reminded those present that Bicolanos are religious by nature and their association must put spiritual emphasis in their program of activities such as the celebration of the Feast of Our Lady of Penafrancia.

The first Penafrancia Celebration was held at St. Patrick's Parish in Vancouver. After a nine-day novena, some 150 Bicolanos and friends gathered for a special mass at Fantasy Garden in Richmond followed by a solemn procession around the beautiful garden.

Luis Abundo, Sr. was inducted as new president for the 1993-1994 term at the Holiday Inn City Centre in Vancouver on November 30, 1993. Although he was a few months short of completing his term, resigning for health reasons, his administration continued with vigor the fund raising for the victims of Mayon Volcano's eruption, the annual Family Picnic at Trout Lake, the Penafrancia Celebration culminating with a procession and dinner at Fantasy Gardens. He also provided leadership in a successful Christmas Dinner and Dance at Fantasy Garden.

Mario Garchitorena completed the unfinished term of Luis Abundo Sr. in 1994 and was himself elected president for the 1995-1997 term. During Mario's administration, PBABC sent a \$1,000 donation to the victims of Mayon Volcano eruption and contributed another \$1,000 to the fund drive initiated by the Canadian Red Cross Society for the victims of the major typhoon which devastated the Bicol Region and other parts of the Philippines. The association also sent two Balakbayan boxes with medical supplies to Camarines Norte Regional Hospital and the Rural Health Unit in Daet, Camarines Norte.

The association continued with the annual celebration of the Feast of the Virgin of Penafrancia. It also participated in the celebration of the Feast of San Lorenzo Ruiz, the **Simbang Gabi** at St Patrick's Parish and the fund raising activities of the Philippine Community Centre Society by sponsoring a pageant contestant.

Marilyn Abundo Cunanan was inducted president for the 1998-1999 term at a well-attended Inaugural Dinner and Dance held at Renfrew Park Community Centre. The affair had some visiting movie stars headed by Christopher de Leon as special guests. Highlights of the association's activities under Marilyn's administration include its participation in the celebration of the Philippine Centennial at the Plaza of Nations on June 13, 1998. The association was commended for its well-received presentation of "Modern Times," showcasing the important events in the country from the Japanese Occupation to the year of the Philippine Centennial (1998) with selected officers and members playing the role of various Philippine presidents during that period.

The association sent five youth delegates to the **Provincial Discovery Conference** in Victoria on August 28-30, 1998. The
youth delegates were very active in the conference of young people,
mostly Filipino-Canadians, from all over the province. The first
fluvial cruise, following the nine-day novena for the Virgin of
Penafrancia was held on September 19,1998. A mass was held
aboard the ship as it cruised along the waters of the Burrard Inlet
followed by an entertainment program featuring visiting Bicolano
tenor Mario Dioneda from San Francisco.

A fund raising for typhoon victims through cash donations, used clothing and dry goods with the assistance of St. Patrick's Parish was conducted by the association. The donations were sent to the Philippines in Balikbayan boxes addressed to the Bishops in the Bicol Region. A Youth Member's Dance was held at the Holy Rosary Cathedral Hall on March 13, 1999. The activity, organized by the association's youth delegates to the Victoria Conference was the first social function for children of members and their friends. The association sponsored the first Canadian Concert of Filipino tenor and Bicolano opera singer Mario Dioneda at Christ Church Cathedral in Vancouver. It was the association's contribution in helping promote a cultural presentation with elegance and style featuring a successful Filipino talent.

PBABC sponsored the Welcome Dinner for the new Philippine Consul General, Madame Zenaida Tacorda-Rabago who hails from the Bicol Region. Some 200 guests representing 29 various community organizations attended the Dinner-Program at Fraser Flamingo Restaurant to meet the very affable and charming Consul General.

Elizabeth Valenciano Cruz was inducted into office for the 2000-2001 term at the Richmond Inn on November 19,1999. In its first year, Beth's administration has already sponsored several special events including PBABC's participation in the Miracle of Hope Telethon for the BC Children's Hospital spear-headed by Consul General Zenaida-Tacorda Rabago on May 7, 2000 at SFU Auditorium. Beth and other officers worked as volunteers and solicited substantial donations from fellow Bicolanos and friends in the one-hour televised campaign. The association participated in the celebration of Philippine Festival 2000 along with many other Filipino Canadian organizations at Queens Park Stadium in New Westminster on June 10-11, 2000. PBABC set up an information booth manned by its officers. Bicolano priest, Fr. Manding Abundo celebrated the mass on the second day of the festival.

The first PBABC Invitational Golf Tournament was held with great success at the Mylora Sidaway Golf Course in Richmond on July 30, 2000, coinciding with the association's annual Family Picnic which was attended by 180 Bicolanos and tournament guests. The golf tournament consisted of 19 ladies, 41 men and two male juniors from Vancouver, Toronto, Seattle and Los Angeles. Close to \$1,000 was raised from the event. The annual Penafrancia Festival was held at St. Patrick's Parish on September 7-15 highlighted by a mass procession and dinner on September 16 attended by Bicolanos and friends.

The association's 10th anniversary celebration was commemorated with an Annual Dinner and Dance at Hilton Vancouver Airport Hotel on November 4, 2000. A special presentation was made by selected officers and members who performed the traditional Bicolano folk dance the **Pantomina**.

The Philippine Bicol Association of British Columbia has gone a long way since its formation in 1990 and has made a difference in the lives of its members and beneficiaries.
