

THE ECLIPSE

NEW LOGO, WHO DIS?

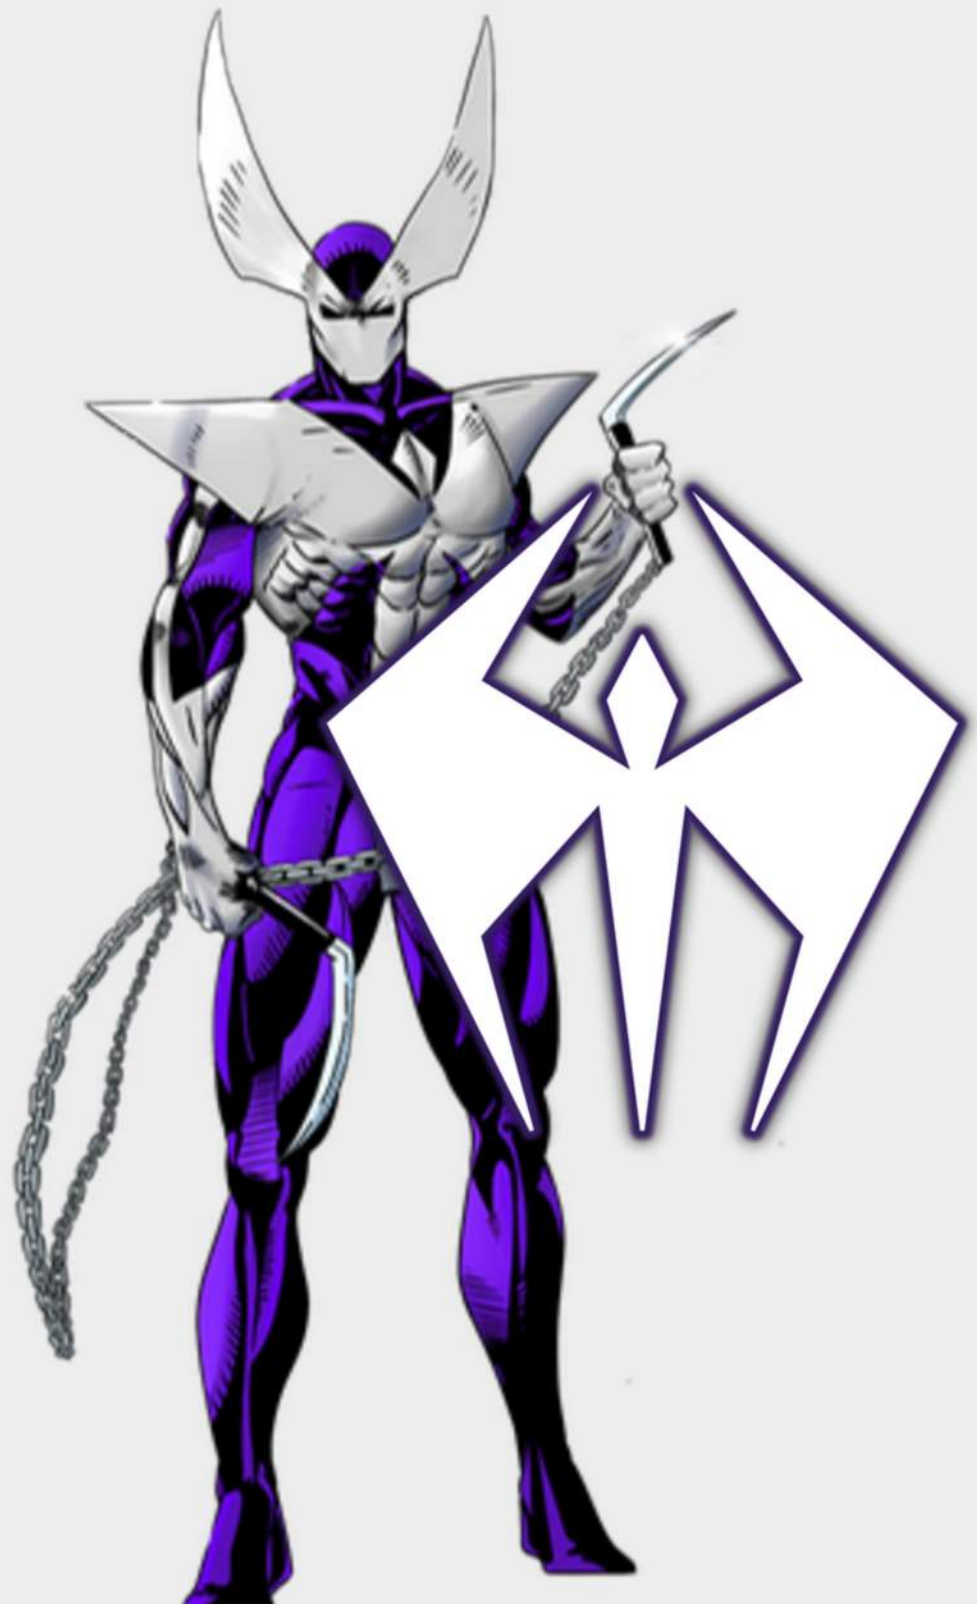

PRETTY COOL HUH?

This logo is the product of being bored as all hell in math class.

I've tried many times to come up with name logos before this one but they have all ended up looking so mediocre...but not this one .

I sketched this logo out at the end of math class and, after my dad took it into Illustrator and refined it a bit. I think we've finally landed on the right one!

MCFARLANE ASM

Don't get me wrong, I love Todd McFarlane's art, but the story in these books is just so astronomically...eh..... I mean the drawings are beautiful but the story is so cheesy in many ways. Like the fact that Spider-Man describes everything he's about to do before he does it - "I can use my fantastic web fluid to swing across these buildings for easier travel." I know this isn't necessarily bad, anime does it all the time, but it's so obvious and to the point it leaves the reader literally thinking, 'I know.' All this being said, the overall story arcs and plots are pretty good...so maybe it's just me being nit-picky about the dialogue....? I give McFarlane's run on ASM (from what I've read) a **7/10**.

SHOWS

DAREDEVIL | BORN AGAIN

I freaking love Daredevil!

Daredevil hate is some of the most unnecessary and forced hate out there...simply because he's one of the GOATS. Daredevil is top 5 superheroes ever and, in my opinion, the TV series is top 5 TV shows I've ever seen. When I finished watching the original series, I just could not wait for *Born Again*. Now, obviously I think it would've been cool to see the original Frank Miller version of *Daredevil: Born Again*, which, due to previous events in the TV series' storyline, they can't do, but I am nevertheless still very impressed with the new season...what I've seen of it at least. I can't wait for what's to come. I give this show a **9/10**.

SHOWS

INVINCIBLE S3

A steak?!

Being completely honest, I had no idea who Invincible was before I saw the show. I find that crazy because I really enjoy Image Comics (Paul Johnstone Shadowhawk on top btw). The new season is already looking cool, only seen about 3 episodes but I'm super hyped since I know what's to come with the Viltrumite war. I'm also not a super large fan of the artstyle for *Invincible*, but I've learned to like it, and same goes for the animation. Overall, love this show and I'm excited for this season, **8/10**.
