

THE ECLIPSE

WHY THE LATE RELEASE?

WHY NOT THE 22nd ?

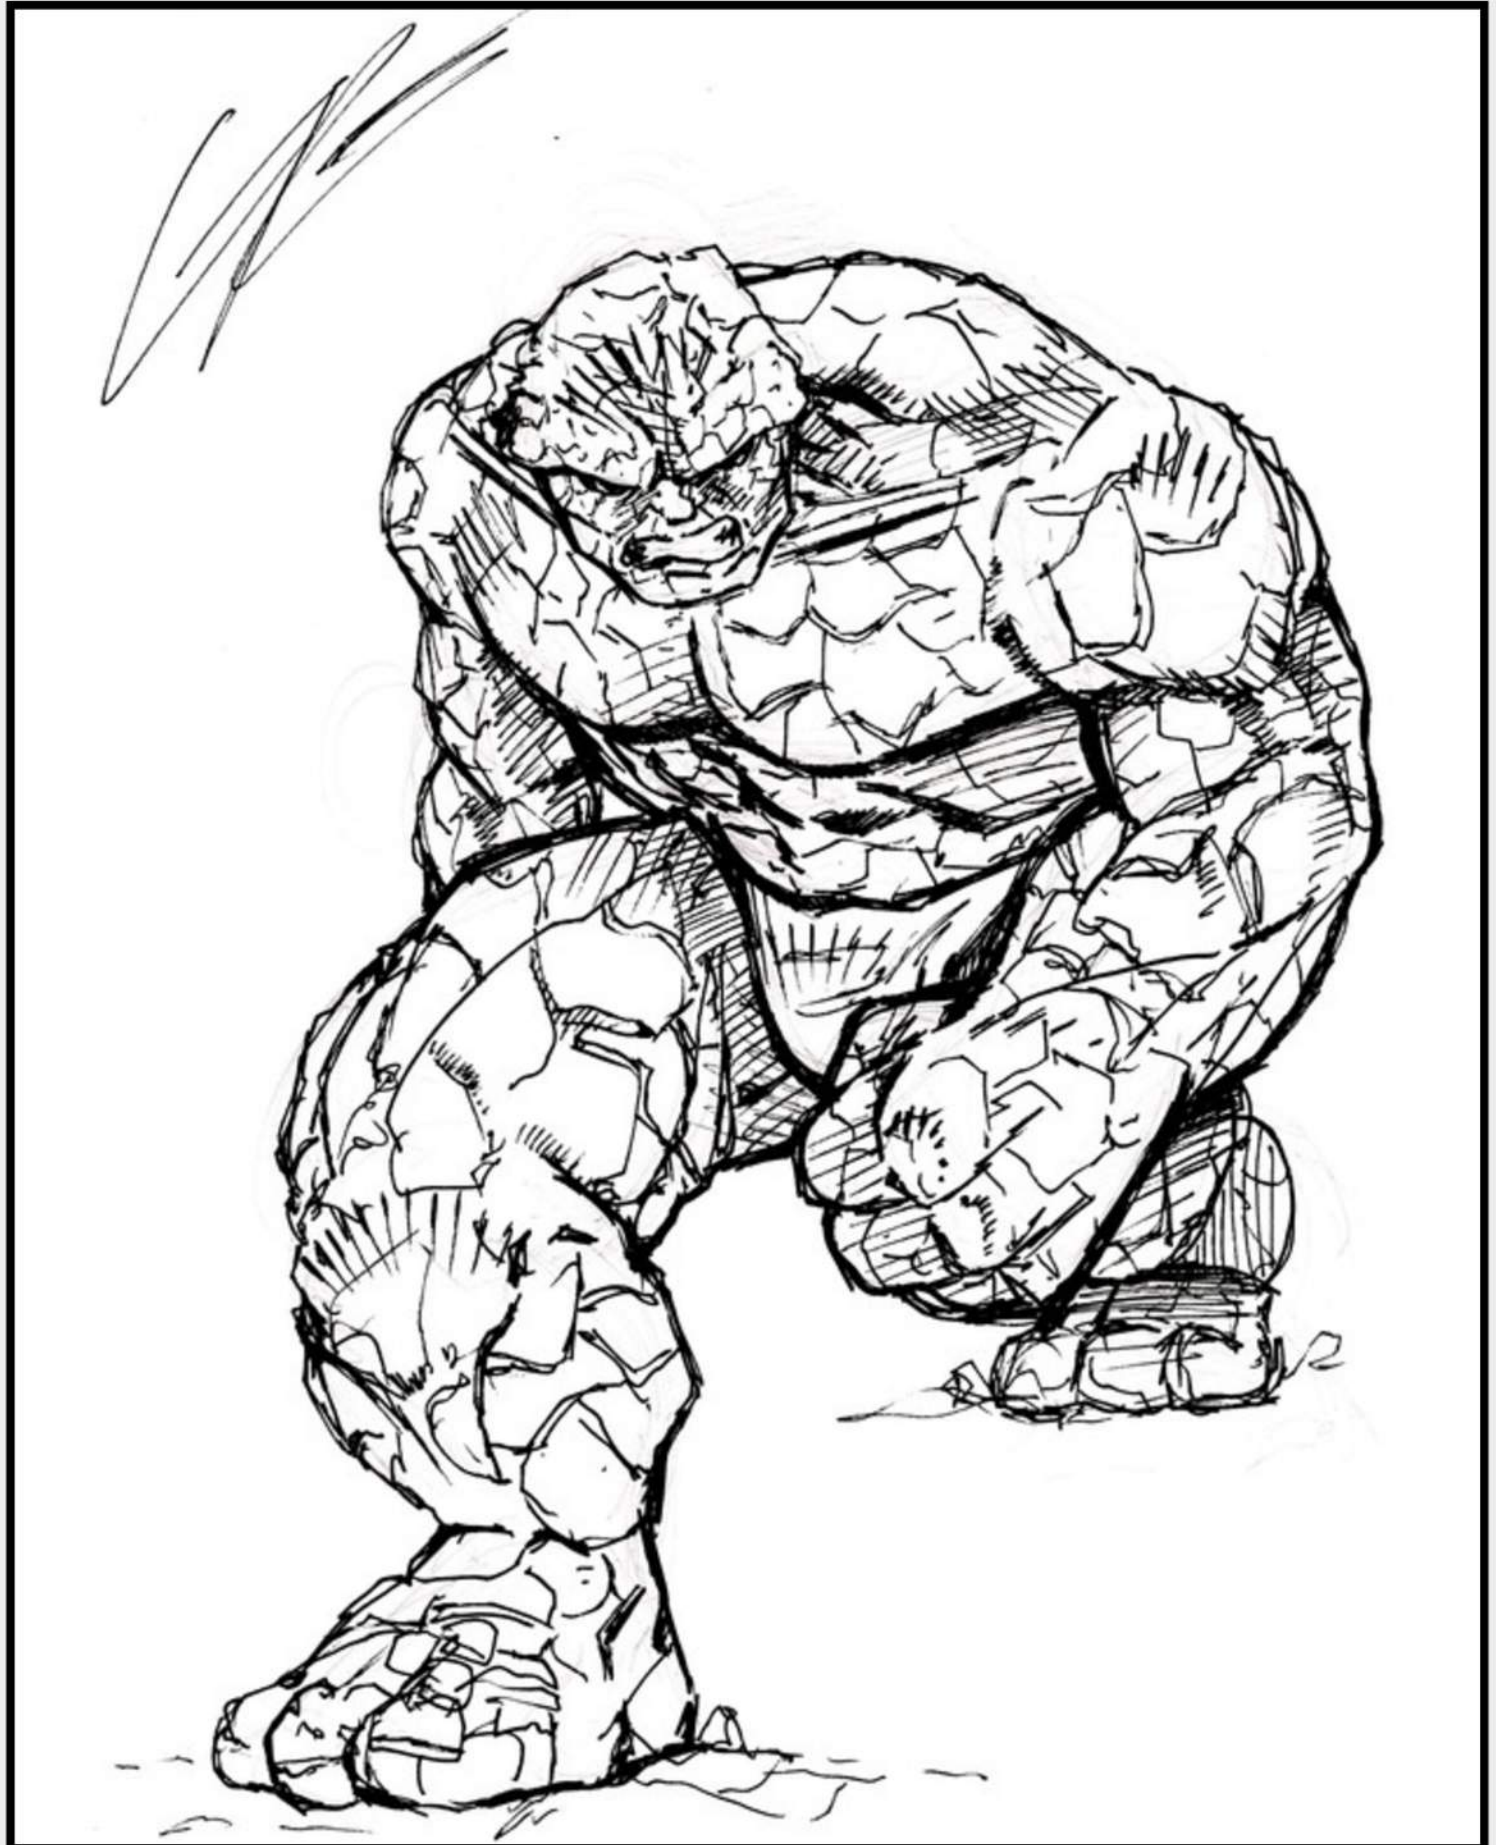

This month's issue of the Eclipse didn't release on time for one reason, my dad and I were at Megacon Orlando over the weekend of the 22nd.

We had loads of fun and we went all 4 days so there was little time for me to sit down and write another issue of the Eclipse. If you want to read more about our time at Megacon, check the review page in this issue!

As a result of this late release, the deadline for art challenge submissions is pushed back to April 20th.

MARVEL | THE THING

SO HERE'S THE THING...

This month I chose a sketch of The Thing because there's a pretty funny story about it. While waiting in lines for signatures at MegaCon, I sat down to draw the Hulk and soon realized I forgot an eraser...so, when I messed up on the face, I had to roll with it and turned my "Hulk" drawing into the Thing during the inking process.

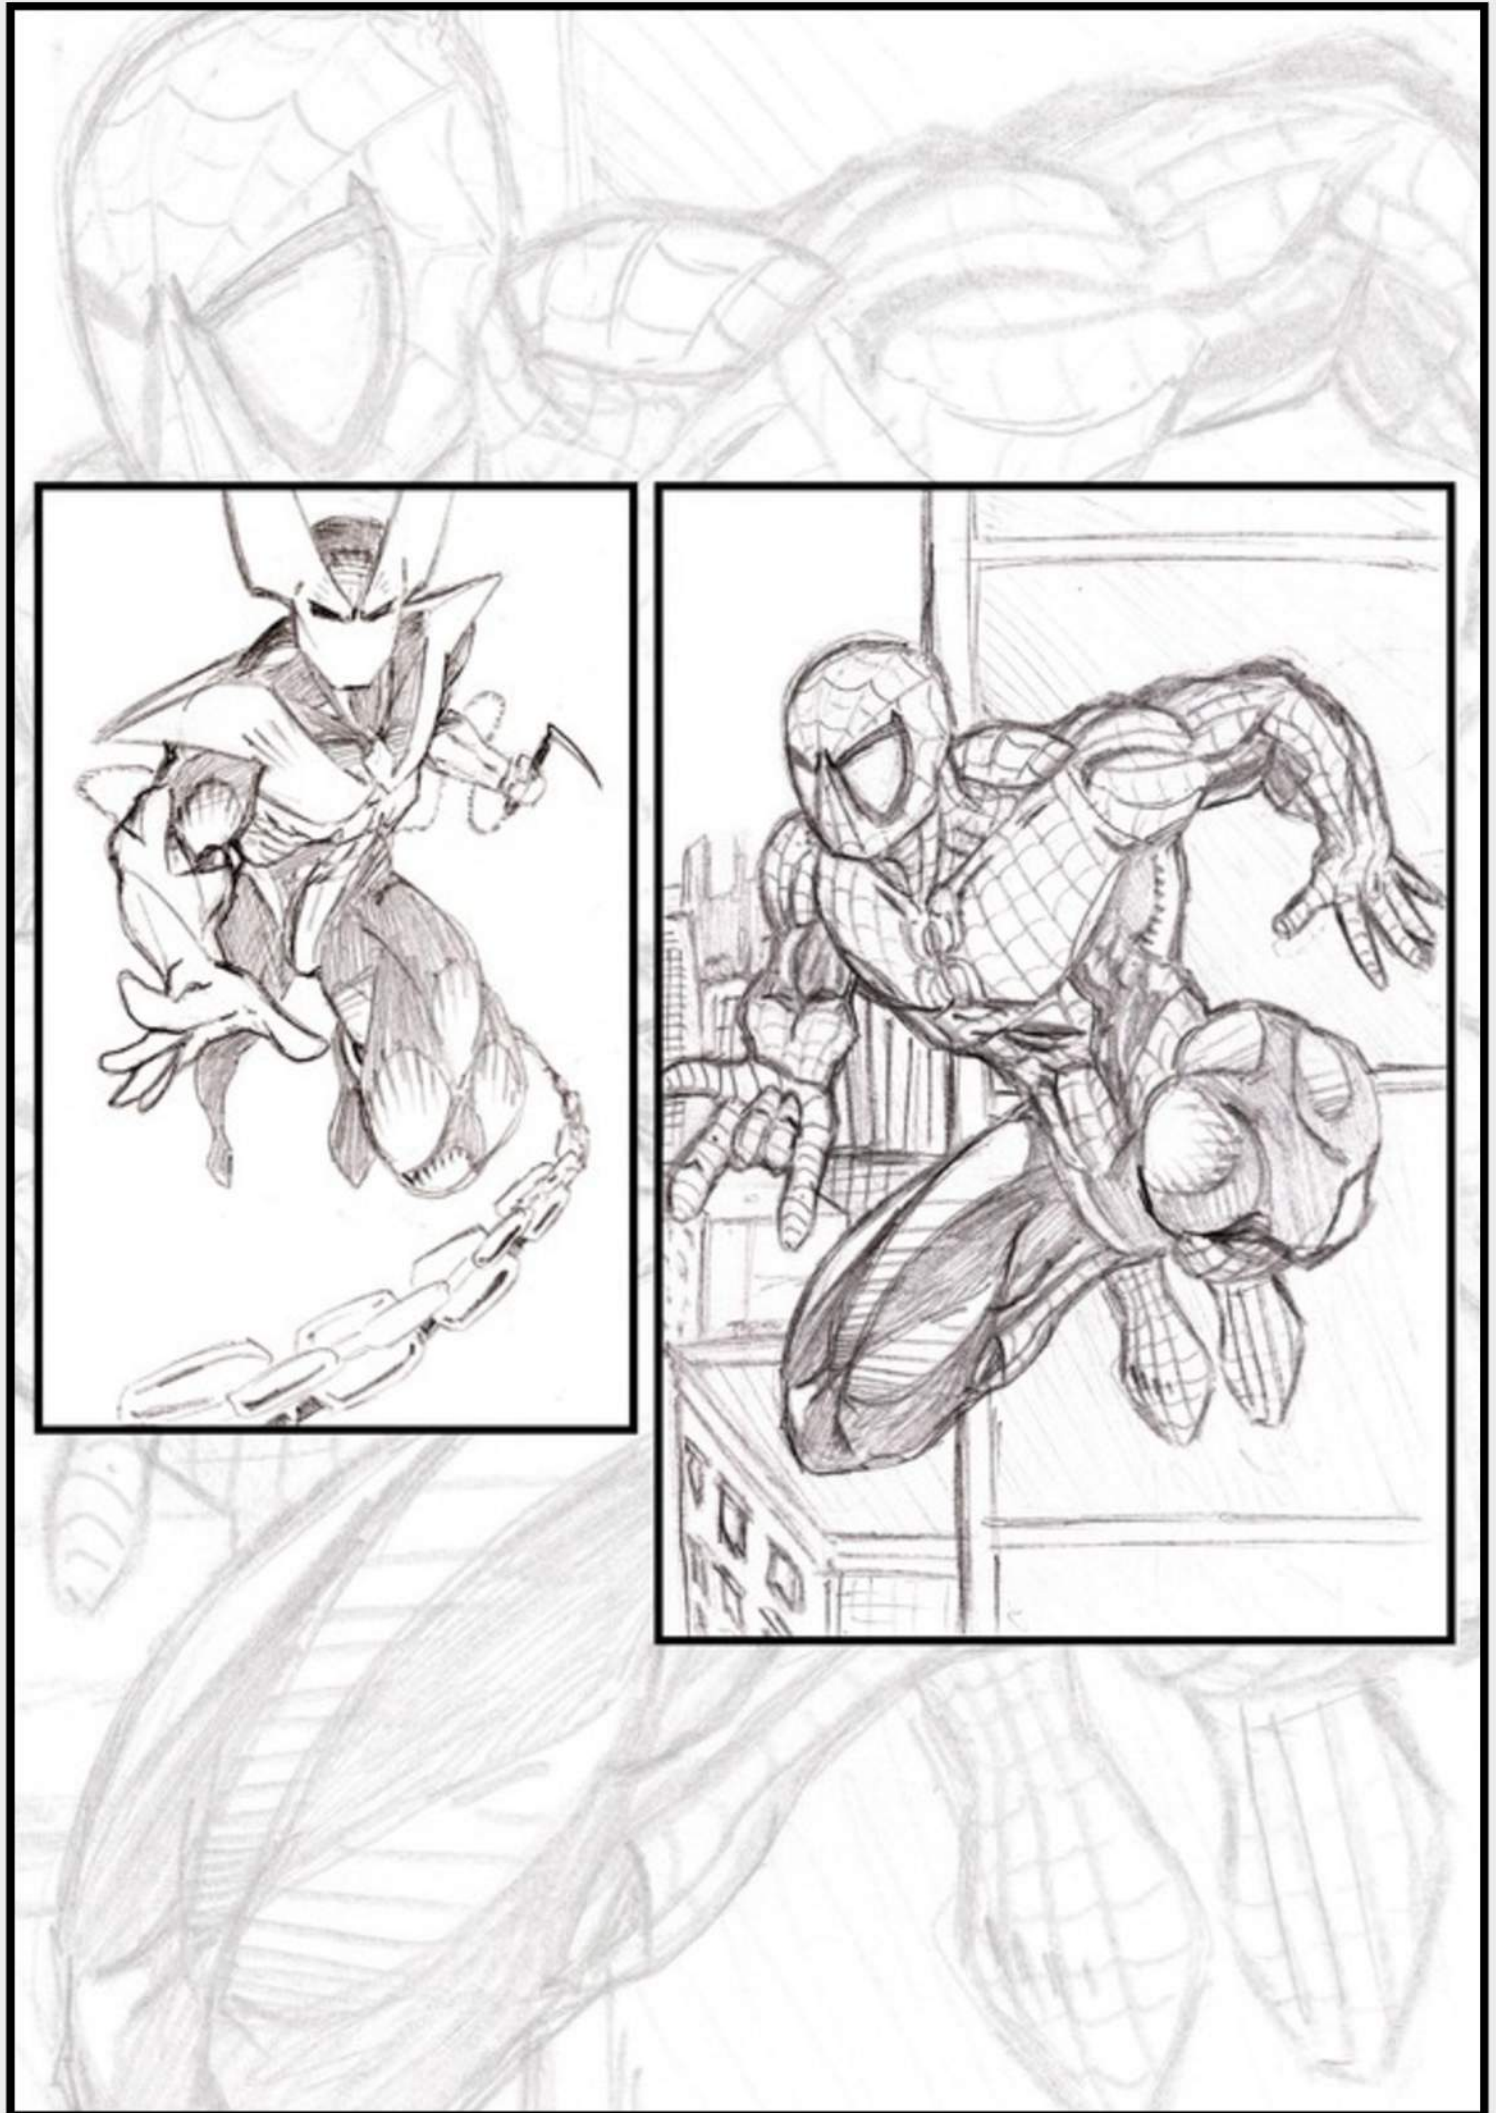

Materials Used:

- 2H Lead
- Micron Pens
- No eraser
