

Community SOGarden 2023 Business Sponsorship Letter

Dear South Tampa Business,

On behalf of Community SOGarden, we would like to extend our sincere thanks for considering our sponsorship proposal. As a 501(c)(3) non-profit organization, we rely on the support of our community to continue promoting sustainable gardening practices and healthy living. We appreciate your willingness to partner with us in achieving our mission.

We offer three different sponsorship tiers for you to choose from:

- Bronze Sponsorship - \$250
 - Recognition on our website and social media platforms
 - Logo placement on event materials and promotional materials
 - Special acknowledgement in our newsletters and email communications
- Silver Sponsorship - \$500
 - All benefits from the Bronze Sponsorship level
 - Recognition on signage displayed at the garden
 - Opportunity to distribute promotional materials at garden events
- Gold Sponsorship - \$1000
 - All benefits from the Silver Sponsorship level
 - Opportunity to participate in garden events and activities
 - Special recognition at all garden events
 - Opportunity to host a private event at the garden

Your contribution will make a significant impact on our garden and the community. Your support will help us continue to provide a place for community members to grow their own produce, learn about sustainable gardening practices, and connect with others who share their passion for gardening. In addition, the Community SOGarden will dedicate space to growing fruits and vegetables specifically intended to donate to organizations that help food-insecure members in our community.

We understand that you have many choices when it comes to sponsorship opportunities, and we appreciate your willingness to support our organization. We will do our best to promote your business through various channels and ensure that your sponsorship is acknowledged appropriately.

Once again, thank you for your consideration, and we look forward to the possibility of partnering with you in the future.

Sincerely,

Community SOGarden Advisory Board
