## Pan Chair, Chair Inox

MONOSHELL CHAIR IN 18/10 STAINLESS STEEL  
MIRROR POLISHED. STRUCTURE IN BROWN DYE  
BEECH WOOD.

**CODE** PS19 | **PRICE** \$1,800.00

Philippe Starck offers us a new and personal interpretation of a traditional type of home furnishing: a chair in which the minimalist beech wood structure is coupled with a metal shell with soft, organic lines. Steel reveals unexpected expressive possibilities in the hands of the designer: the seat becomes a sculptural element and moulds itself to the user's body with its sophisticated ergonomics. The comfortable backrest extends into two small armrests, distinctive details of Starck's design language

#### PHILIPPE STARCK

Philippe Starck, world famous creator with multifaceted inventiveness, is always focused on the essential, his vision: that creation, whatever form it takes, must improve the lives of as many people as possible. This philosophy has made him one of the pioneers and central figures of the concept of democratic design. By employing his prolific work across all domains, from everyday products, to architecture and naval and spatial engineering, he continually pushes the boundaries and requirements of design, becoming one of the most visionary and renowned creators of the international contemporary scene.
