

Dear fellow LSA Members,

As we welcome the New Year and reflect on the joy of the holiday season, I hope this message finds you and your families healthy, happy, and energized for the year ahead.

With a fresh year comes new opportunities, and we are excited to share one that continues to be especially meaningful to our club.

The 2026 Library Sportsmen's Association Scholarship will officially open on **Friday, January 16, 2026**. This scholarship represents our ongoing commitment to supporting the educational goals of our students and investing in the future of our association.

Please note that this scholarship is **exclusively available to children and grandchildren of LSA members in good standing**. Unfortunately, it is not available to nieces, nephews, friends, or individuals outside of the LSA membership community.

We invite eligible students to apply and encourage our membership to help spread the word. Students are asked to complete the application in its entirety, with all submissions due by **Friday, March 27, 2026, at 11:59 PM**. Scholarship award recipients will be announced on the LSA Website in mid May 2026.

Thank you for your continued support of the Library Sportsmen's Association and for helping make opportunities like this possible. We are proud of the impact we make together and look forward to another successful year ahead.

Wishing you a wonderful New Year filled with health, happiness, and success.
