BOLT: ULTIMATE SEA COASTER

Aboard Carnival Jubilee® you'll meet BOLT®: the fastest — and first! — rollercoaster at sea. Strap in and zoom your motorcycle-style speed machine around an open-air course high, high above sea level. You know how on most rollercoasters... actually, never mind. Forget other coasters because this all-electric thrill ride puts you in the driver's seat. That means you actually get to control how fast you go, so hit the gas and try for the fastest time, go for the biggest thrill — plus some amazing 360° ocean views! And for the folks who choose to chill: go light on the pedal, and this just might be the coaster for you!

DR.INKS, PH.D.

In life, there are important, difficult questions to answer. An example: can an octopus enjoy a cocktail underwater? Don't ask how it works... but the answer is yes. We know this thanks to the extensive research of Dr. Inks, Ph.D.™, the cleverest of sea creatures. She spends her time beneath the waves pondering the big ones while still finding time to sip. And here the drinks aren't just tasty, but truly unique, with color-changing cocktails, layered shots, jellyfish cocktails and more drinks featuring garnishes like boba pearls and seafoam. At the bar you won't just enjoy some of her favorites, but you're welcome to look through some of her favorite

books, journals and fountain pens. There's also live musical entertainment nearby, right on the stage, because even octopuses need to let their hair down.

FAMILY FEUD LIVE

The show has been delighting viewers at home for generations, but you never had the chance to buzz-in on a cruise ship... until now! Carnival ships are the only place you'll find Family Feud™ Live, and on every sailing we'll be hosting games on an authentic Family Feud™ set — right down to the iconic Face-Off podium, plus all the excitement of Fast Money. Family Feud Live will be emceed by none other than your

cruise director, so if you're game, sign up your team of five for an audition... and make sure they bring that Family Feud spirit. And, of course, everybody's welcome to grab a seat in the audience to catch all the hilarious action!

WATERWORKS

For those who flock to waterparks just ready to make a splash, we'd suggest sliding on over to WaterWorks™ aboard Carnival Jubilee®. Three large-scale spiraling slides, a giant dumping bucket, twin racing slides and more — you know, the works — are all practically overflowing for your hydro-delight. When you spot the big slides on board you'll see that they mean business, splashy business: Blue Lightning™ is packed with headfirst, high-speed twists and turns, while Orange Thunder™ starts you off standing before propelling you down into a world of wetness... and of course, our signature Twister™ slide keeps on thrilling splash-seekers.

THE GOLDEN MERMAID

To find uncharted flavors, never before seen on land, we had to dive deep. Far below the waves we met a mermaid who swims the depths of the oceans to find the long-lost treasures of ancient civilizations. Oh, and it wasn't just any mermaid. The mermaid was *golden*. You've gotta trust us... or you can join us at The Golden Mermaid™, where amazing drinks are just the beginning. Some of the mixological treasures we're recovered from the deep? Cocktail recipes inspired by precious metals and gemstones, drinks served in exquisite glassware, plus garnishes like edible glitter to remind you of sunlight streaming through the waves from up

above! All this glitz pairs perfectly with live music, making this the perfect place to relax with an elegant drink before or after dinner.

CENTER STAGE + PLAYLIST PRODUCTIONS

They're not concerts, they're not exactly plays... these shows are something else entirely. Every performance is built on amazing songs you know and love, presented like you've never seen before. Multi-talented performers fill the stage with song, dance... and superstar attitude. Carnival Jubilee® plays host to a lineup of shows like Soulbound and its spooky, atmospheric R&B, and Visual Symphony, which is innovative with LED walls and special effects three decks high. Of course

there's also Celestial Strings, which reimagines rock and pop favorites as symphonic classical compositions, and We Are One, which has performers sometimes leave the stage behind, actually soaring above the audience.

SPORTSQUARE

You'll find an oasis of friendly competition at SportSquare®, located at The Ultimate Playground on Carnival Jubilee®. Take on friends at mini-golf, battle strangers at basketball, or push yourself to new heights at the ropes course... or to record-setting low times at the jogging track. SportSquare gets you in the game with soccer and volleyball, plus it brings pool, foosball and ping-pong to the table. Are you game?

SERENITY ADULT-ONLY RETREAT

Somebody at Carnival knows just what you need, and it's pretty much exactly the Serenity Adult-Only Retreat™. Look, you'll still be on the same ship as the kids, the hoopla, and all the Carnival-style excitement... but you could easily forget, because when you're at Serenity you could not be further from it all. The world you'll find yourself in is one of complete peace, sea breezes and, of course, a nearby bar. It's the place to get done the kind of stuff you just can't seem to do anywhere else — reconnect with your partner, finish that book, or do absolutely, blissfully, nothing at all.

CLOUD 9 SPA

True or false: cruises are a time for relaxation. Our answer: whether you're all action all the time, or chill to the core, everybody needs a chance to take it easy! And nobody will find an easier spot than Cloud 9 Spa™ aboard Carnival Jubilee®. This is an oasis built from the ground up for relaxation, from a full complement of traditional spa services like massages, facials, body wraps to the carefully-designed climates of Cloud 9's thermal suites... rooms swirling with moist or dry air, each heated very precisely. It turns out it's true: anyone can find a reason to say 'ahhh' at Carnival Jubilee's Cloud 9 Spa.

THE PUNCHLINER COMEDY CLUB

Carnival Jubilee® has its own Punchliner Comedy Club in the Grand Central zone, and up on stage you'll find some real pros who know how to wedge a little laughter into anyone's evening. You can count on these comedians to not hold back either. Since some of them get up and say exactly what's on their mind, we also schedule family-friendly performances... so the only red faces in the audience are from laughing a little too hard.
